5 EXPLANATION

6 The inclusion of this explanation does not constitute agreement with
7 the explanation's substance by the members of the general assembly.

8 The statewide preschool program for four-year-old children
9 under Code chapter 256C provides that a child who is a resident
10 of Iowa and is four years of age on or before September 15 of
11 a school year shall be eligible to enroll in the preschool
12 program. Additionally, to be included as an eligible student
13 in the enrollment count of the preschool programming for
14 state funding purposes, a child must be four years of age
15 by September 15 in the base year and attending the school
16 district's approved local program.

17 For school budget years beginning July 1, 2023, July 1,
18 2024, and July 1, 2025, this bill expands the eligibility and
19 state funding provisions of the statewide preschool program for
20 four-year-old children under Code chapter 256C to also include
21 five-year-old children who reach the age of five on or after
22 March 15 but on or before September 15 of the calendar year
23 during which the school year begins if the school district
24 elects to enroll such children. For school districts that
25 elect to enroll children who are five years of age during such
26 three-year period, a child who enrolled as a four-year-old may
27 enroll again as a five-year-old. However, if insufficient
28 space is available in a preschool program for all eligible
29 children, priority for enrollment shall be given to children
30 who are four years of age on or before September 15 of a school
31 year.

32 References to four-year-old children in the program named in
33 Code chapter 256C and in related Code provisions are changed
34 to "young children" or expanded to also refer to eligible
35 five-year-old children and Code section 299.1A relating to

1 compulsory education is also modified to reflect changes made
2 in the bill.

3 The bill also requires each approved local program to
4 provide consultation services for parents or guardians of
5 children enrolled in the approved local program and parents or
6 guardians of children eligible to enroll in the approved local
7 program to assist parents or guardians in assessing the child's
8 readiness for enrollment in kindergarten or in a preschool
9 program, as applicable.

10 The bill modifies provisions relating to school district
11 participation in data collection and performance measurement
12 processes under the statewide preschool program.

13 The bill applies to school budget years beginning on or after
14 July 1, 2023.
