5 1, 2022, to initial applicants under the teach Iowa scholar  
6 program established pursuant to section 261.110:

7 The section of this Act amending section 261.110.

8 EXPLANATION

9 The inclusion of this explanation does not constitute agreement with  
10 the explanation's substance by the members of the general assembly.

11 This bill relates to education, including eligibility for  
12 grants under the teach Iowa scholar program, licenses issued  
13 by the board of educational examiners (BOEE), and the use of  
14 revenues from the district management levy.

15 The bill provides that if a higher education institution  
16 providing practitioner preparation offers a program that is  
17 designed to assist students in attaining a teacher intern  
18 license from the BOEE, the program shall require participants  
19 to satisfy certain specified requirements.

20 The teach Iowa scholar program, administered by the  
21 college student aid commission, provides grants to certain  
22 high-caliber, full-time teachers in Iowa in amounts not to  
23 exceed \$4,000 annually or \$20,000 over five years. The bill  
24 provides that the total value of grants awarded under the  
25 program to applicants who are preparing to teach in a school  
26 district, charter school, or an accredited nonpublic school  
27 shall be equally divided between applicants preparing to  
28 teach in a school district, charter school, or an accredited  
29 nonpublic school with less than or equal to 1,200 students and  
30 applicants preparing to teach in a school district, charter  
31 school, or accredited nonpublic school with greater than  
32 1,200 students. The bill authorizes the commission to award  
33 different amounts to each group of applicants if the amount  
34 requested by applicants of either group is less than the amount  
35 reserved for that group. The bill establishes that this

1 provision applies to grants awarded by the commission on or  
2 after July 1, 2022, to initial applicants under the program.

3 Current law authorizes the BOEE to issue a regional exchange  
4 teaching license to an applicant who has completed a teacher  
5 preparation program outside of the state and who is applying  
6 for the applicant's first Iowa teaching license if, among  
7 other requirements, the applicant is a resident of the state.  
8 The bill removes the requirement that such an applicant be a  
9 resident of this state if the applicant provides the BOEE with  
10 a copy of an offer of employment as a teacher from a school  
11 located in this state.

12 Current law requires the BOEE to adopt rules to provide  
13 for nontraditional preparation options for licensing persons  
14 who hold a bachelor's degree from an accredited college  
15 or university and who do not meet other requirements for  
16 licensure. The bill provides that the rules shall require  
17 the BOEE to issue a teacher intern license to an applicant  
18 who has completed a program offered by a higher education  
19 institution providing practitioner preparation that is designed  
20 to assist students in attaining a teacher intern license. The  
21 bill requires the BOEE to allow a licensee who has attained  
22 a teacher intern license under such a program to apply for  
23 an initial teaching license if the school that employed  
24 the licensee during the program and the higher education  
25 institution recommend that the licensee be allowed to apply.

26 The bill requires the BOEE to adopt rules that allow  
27 an individual seeking a career and technical secondary  
28 authorization to apply, and if eligible, be issued the  
29 secondary authorization prior to accepting an offer of  
30 employment with a school.

31 Currently, Code section 279.46 authorizes the board of  
32 directors of a school district to adopt a program for early  
33 retirement benefits to encourage its employees to retire before  
34 the normal retirement date. The bill modifies Code section  
35 279.46 to also authorize the board of directors to adopt a

1 program for teacher recruitment incentives to recruit new  
2 teachers. The bill requires the board of directors to discuss  
3 the adoption of the program for early retirement benefits or  
4 the program for teacher recruitment incentives, as applicable,  
5 at a regular or special meeting prior to adopting the program  
6 and allow for public comment. The bill prohibits the board  
7 of directors from adopting the program for early retirement  
8 benefits concurrently with the program for teacher recruitment  
9 incentives. The bill also prohibits the board of directors  
10 from adopting either the program for early retirement benefits  
11 or the program for teacher recruitment incentives within two  
12 years after adopting the other program.

13 The bill authorizes the board of directors to expend the  
14 district management levy to pay the costs of either the program  
15 for early retirement benefits or the program for teacher  
16 recruitment incentives. The bill prohibits the board of  
17 directors from expending the district management levy on the  
18 costs of both programs in the same fiscal year.
