17 aid in an amount equal to the state foundation aid minimum.  
18 ~~In that case, the district is entitled to receive an amount~~  
19 ~~per pupil equal to the difference between the per pupil amount~~  
20 ~~raised by the foundation property tax for the budget year and~~  
21 ~~the combined district cost per pupil for the budget year. If~~  
22 the sum of the amount of foundation aid received by a school  
23 district plus the amount of foundation property tax in the  
24 district otherwise determined under section 257.3 exceeds the  
25 combined foundation base, the department of management shall  
26 reduce the district's foundation property tax to be collected

28 section 257.3, subsection 2, as applicable, by the amount by  
29 which such sum exceeds the combined foundation base and adjust  
30 the district's foundation property tax rate accordingly. For  
31 purposes of this paragraph, "state foundation aid minimum" means  
32 the sum of the total teacher salary supplement district cost,

6 cost, and the total teacher leadership supplement district  
7 cost. Additionally, if the sum of the amount of foundation aid  
8 received by a school district plus the amount of foundation  
9 property tax in the district otherwise determined under  
10 Code section 257.3 exceeds the combined foundation base, the  
11 department of management is required to reduce the district's  
12 foundation property tax to be collected by the amount by which  
13 such sum exceeds the combined foundation base and adjust the
