29 1.

30 EXPLANATION

31 The inclusion of this explanation does not constitute agreement with
32 the explanation's substance by the members of the general assembly.

33 This bill relates to the conduct of elections.

34 The bill provides that a political party that this
35 required by statute to publish a notice of a precinct caucus

1 in a newspaper of general circulation may, in lieu of such
2 requirement, publish the notice, action, or other information
3 in its entirety on the political party's internet site, if the
4 political party maintains an internet site.

5 The bill removes a requirement that nomination papers for
6 an office to be filled by the voters of the county or for the
7 office of county supervisor elected from a district within
8 the county be signed by 2 percent of the party vote in the
9 county or supervisor district, as shown by the last general
10 election, or by at least 100 persons, whichever is less. Such
11 petitions must be signed as provided in Code section 45.1.
12 This change to the signature requirements does not apply to
13 primary elections held in 2022 unless the bill is enacted prior
14 to March 23, 2022.

15 The bill changes the deadline for a person nominated to fill
16 a ballot vacancy to withdraw by filing a notice in the office
17 of the appropriate county commissioner of elections from 64
18 days before the date of the election to 67 days before the date
19 of the election.

20 The bill allows the state commissioner of elections and a
21 county commissioner of elections or political subdivision of
22 the state to accept funding only from lawful appropriations
23 of public funds from the government of the United States
24 or the state of Iowa for the purposes of conducting an
25 election, or from lawful appropriations of public funds
26 from a political subdivision of the state for an election
27 conducted in the political subdivision. The bill prohibits the
28 state commissioner of elections and a county commissioner of
29 elections or political subdivision from accepting or expending
30 a grant, gift, or other source of funding from a private
31 person, corporation, partnership, political party, nonparty
32 political organization, committee, or other organization
33 for the purpose of conducting an election. The prohibition
34 does not apply to the contribution of a building for use
35 as a polling place. The bill does not prohibit the state

1 commissioner or a county commissioner or political subdivision
2 from issuing and collecting fees as otherwise provided by law.
3 By operation of law, a person who willfully violates this
4 provision of the bill is guilty of election misconduct in the
5 fourth degree, a simple misdemeanor. A simple misdemeanor is
6 punishable by confinement for no more than 30 days and a fine
7 of at least \$105 but not more than \$855.

8 The bill requires a notice for an election to include the
9 date the election will be audited, the location of the audit,
10 and the hours during which the election will be audited. The
11 bill also changes the earliest date that notice of an election
12 may be published from 20 to 30 days before the date of the
13 election.

14 The bill allows a county commissioner of elections to use
15 an electronic election register in lieu of a paper register
16 if the electronic election register is a product that has
17 been certified for use in the state by the state commissioner
18 of elections. The bill directs the state commissioner of
19 elections to adopt rules regarding electronic election
20 registers.

21 The bill requires a precinct election official to publicly
22 announce the results of a canvass only upon the request of
23 a person at the precinct. Current law requires a precinct
24 election official to always publicly announce the results of
25 a canvass.

26 The bill requires the state commissioner of elections, in
27 cooperation with county commissioners of elections, to conduct
28 an unofficial canvass of election results following the closing
29 of polls for regular city, regular school, primary, and general
30 elections. Current law requires an unofficial canvass only
31 for general elections. If a county commissioner of elections
32 determines that all precincts will not report results before
33 the office is closed, the bill requires the county commissioner
34 to provide a written explanation as to why.

35 The bill removes the first Monday after an election as a

1 possible date for canvassing an election.

2 The bill changes the deadline to request a recount from 5:00
3 p.m. on the third day following the canvass of an election
4 to 5:00 p.m. on the second day following the canvass of an
5 election. The bill requires a recount request to include all
6 precincts in a county instead of only specified counties. The
7 bill also requires the request to include whether the candidate
8 requests only a machine recount or a machine recount followed
9 by a hand recount. If a candidate requests a hand recount
10 in one county, the bill requires the candidate to request a
11 hand recount in all counties in which the candidate requests
12 a recount. The bill imposes a fine of \$100 for each violation
13 on a candidate who does not request a hand recount in all
14 counties in which the candidate is required to do so. The
15 state commissioner of elections shall then inform each other
16 county to be recounted that a hand recount shall be conducted.
17 The bill imposes similar requirements on recounts for public
18 measures.

19 The bill requires the county commissioner of elections to
20 notify the state commissioner of elections by electronic mail
21 when a recount is requested. If the apparent winning candidate
22 in an election for which a recount has been requested cannot be
23 contacted, the bill changes the deadline by which the county
24 commissioner of elections must contact the chairperson of the
25 political party or organization that nominated the apparent
26 winner from four days after attempting to make contact to three
27 days.

28 The bill changes the composition of recount boards based
29 on the population of the county. For a county of fewer than
30 15,000 people, the board shall consist of a designee of the
31 candidate requesting the recount, a designee of the apparent
32 winning candidate, and a person who is a precinct election
33 official selected by the chief judge of the judicial district
34 in which the canvass occurs. For a county with a population
35 between 15,000 and 49,999, the board shall consist of a

1 designee of the candidate requesting the recount, a designee
2 of the apparent winning candidate, and three persons who are
3 precinct election officials selected by the chief judge of the
4 judicial district in which the canvass occurs. For a county
5 with a population of 50,000 or greater, the board shall consist
6 of two designees of the candidate requesting the recount, two
7 designees of the apparent winning candidate, and three persons
8 who are precinct election officials selected by the chief judge
9 of the judicial district in which the canvass occurs. Members
10 appointed by the chief judge for the recount of a partisan
11 election shall not be comprised of more than one-third of
12 persons who are not members of either of the two political
13 parties whose candidates for president received the most or
14 next-most votes at the last general election for a partisan
15 election and not more than a simple majority of members
16 appointed by a chief judge shall be from the same political
17 party or organization.

18 The bill makes a similar change for recounts requested
19 in a primary election for an office for which no candidate
20 has received the required 35 percent to be nominated. Under
21 current law, the recount board consists of one person chosen
22 by the candidate requesting the recount, one person chosen by
23 the candidate receiving the highest number of votes excluding
24 the requestor, and a third person mutually agreeable to the
25 board members designated by the candidates. The bill provides
26 that the third person is instead a precinct election official
27 selected by the chief judge of the judicial district in which
28 the canvass occurs.

29 The bill requires a recount board to be convened no later
30 than 9:00 a.m. on the sixth day following the canvass of
31 the election. The commissioner shall then inform the board
32 whether the candidate requested a hand recount. The board
33 shall direct the commissioner to retabulate the ballots using
34 the automatic tabulating equipment using the same program as
35 was used to tabulate the votes on election day unless the

1 program is believed or known to be flawed. The board shall
2 recount only the ballots which were voted and counted for
3 the office in question, including disputed ballots. After
4 retabulating, the board shall compare the results to the
5 abstract prepared pursuant to the county board's canvass and
6 note any discrepancies. If the candidate requested a hand
7 recount, the bill requires the ballots to be separated into
8 categories and tabulated. The board shall then compare the
9 results of the tabulation to the results of the canvass and the
10 automatic recount. If there are discrepancies, the results of
11 the hand recount shall control. The bill then requires the
12 board to reseal and preserve the ballots.

13 At the conclusion of the recount, the bill requires the board
14 to make and file with the county commissioner of elections a
15 report of its findings, signed by a majority of the board.
16 The bill requires a recount board to include in its written
17 report following the conclusion of a recount a full tally
18 and accounting of ballots reviewed by the board. The report
19 must allow the county commissioner of elections to correct the
20 canvass of votes in the manner required by law, if applicable.
21 The board shall file its report by 17 days after the canvass of
22 an election for the offices of president and vice president,
23 by 21 days after the canvass of an election for a state office
24 or a seat in the United States Congress, and by 13 days after
25 the canvass of any other election. The bill also requires
26 the county board of elections to reconvene no later than 27
27 days following a presidential election to correct any errors
28 identified by the recount board.

29 The bill requires a petition for a recount of an election
30 for a public measure to be submitted not later than two days
31 following the canvass of the votes for the measure rather
32 than three days. The bill changes the makeup of the recount
33 board for a public measure by removing a designee named by the
34 commissioner and a person jointly selected by that person and
35 a designee named in the petition requesting the recount and

1 replacing them with two election officials selected by the
2 chief judge of the judicial district where the canvass occurs.
3 The commissioner shall convene the recount board not later than
4 9:00 a.m. on the sixth day following the county board's canvass
5 of the election in question.

6 Under current law, a county commissioner of elections may
7 conduct an administrative recount if the commissioner suspects
8 that voting equipment used in the election malfunctioned or
9 that programming errors may have affected the outcome of the
10 election, or if the precinct election officials report counting
11 errors to the commissioner. The bill allows the county
12 commissioner of elections to conduct an administrative audit if
13 such circumstances exist. The bill allows political parties,
14 defined in Code, to appoint observers to witness the audit.

15 The bill requires an absentee ballot that is mailed to a
16 voter to be enclosed in an unsealed affidavit envelope and with
17 or in an unsealed return envelope, which shall then be enclosed
18 in the delivery envelope. If the ballot cannot be folded so
19 that all the voting ovals on the ballot will be hidden, the
20 bill requires the commissioner to also send a secrecy envelope.
21 The bill requires a registered voter to subscribe to an
22 affidavit on an affidavit envelope by signing the envelope and
23 writing the voter's voter verification number. The bill also
24 requires return envelopes to have printed on them the deadline
25 to return the ballot and the manner to track the status of the
26 ballot.

27 The bill strikes a requirement that an affidavit envelope
28 be considered to contain a defect if it appears to the county
29 commissioner of elections that it was signed by a person other
30 than the voter. The bill adds a requirement that an affidavit
31 envelope be considered to contain a defect if the voter
32 verification number on the envelope does not match the voter
33 verification number on file for the voter.

34 The bill requires the county commissioner of elections to
35 prepare a separate absentee ballot style for each precinct in

1 the county and program the voting system to produce reports by
2 the resident precincts of the voters for each primary election.

3 The bill repeals certain requirements regarding what
4 materials a commissioner shall include with an absentee ballot
5 and instead requires a commissioner to put the same serial
6 number on the affidavit, return, and delivery envelopes.
7 The bill requires all mailed absentee ballots to include an
8 affidavit envelope. The bill also requires the absentee and
9 special voters precinct board to reject an absentee ballot
10 if the affidavit envelope does not include the voter's voter
11 verification number.

12 The bill changes the makeup of the contest court for a
13 contested gubernatorial election to include five members each
14 from the house and the senate and the majority and minority
15 leaders of each chamber.

16 The bill requires the senate to organize as a court of
17 impeachment as soon as practicable after an impeachment is
18 presented.

19 The bill changes the clerk of a court of contest for
20 presidential electors and congresspersons from the secretary
21 of state to the clerk of the supreme court. If the clerk of
22 the supreme court is absent or unable to act, the secretary of
23 state shall be the clerk of the court. For elections for state
24 officers, the bill changes the clerk of a contest court to the
25 clerk of the supreme court. If the clerk of the supreme court
26 is absent or unable to act, the secretary of state shall be the
27 clerk of the court. However, if the secretary of state is a
28 party to the contest, the auditor of state shall be the clerk
29 of the court.

30 The bill updates an internal reference regarding withdrawals
31 of candidates for school district elections.

32 The bill takes effect upon enactment, except that sections
33 amending Code chapter 53 (absent voters) take effect on January
34 1, 2023.
