30 the department of education, enrolls in a different nonpublic
31 school in this state for the remainder of the school year.

4 account in the student first scholarship fund, the department
5 of education shall recover such amounts from the parent or
6 guardian, including by initiating legal proceedings to recover
7 such amounts, if necessary.

8 (2) Upon receipt of a notice of withdrawal under paragraph
9 "b" and a determination that the pupil's withdrawal was
10 not the result of a change in residence, the department of
11 education shall cease disbursements of remaining moneys in
12 the pupil's account in the student first scholarship fund,
13 close the pupil's account, and transfer any moneys remaining
14 in the pupil's account for deposit in the general fund of
15 the state. In addition, if amounts from the scholarship for
16 the school budget year during which the withdrawal occurs
17 have been disbursed from the pupil's account in the student
18 first scholarship fund, the department of education shall
19 recover such amounts from the parent or guardian to the extent
20 the amount disbursed exceeds the amount of the scholarship
21 proportionate to the remaining portion of the school year
22 following the withdrawal, including by initiating legal
23 proceedings to recover such amounts, if necessary.

24 (3) Upon receipt of a notice of withdrawal under paragraph
25 "b" and a determination that the withdrawal was the result of
26 a change in residence but that the pupil did not enroll in
27 a different nonpublic school in this state for the remainder
28 of the school year, the department of education shall cease
29 disbursements of remaining moneys in the pupil's account in
30 the student first scholarship fund, close the pupil's account,
31 and transfer any moneys remaining in the pupil's account for
32 deposit in the general fund of the state.

33 (4) If a pupil's eligibility is invalidated under the
34 provisions of paragraph "b", the pupil shall be ineligible for a
35 student first scholarship for the following school budget year

1 under subsection 1, paragraph "a", subparagraphs (2) and (3).

2 8. Moneys remaining in a pupil's account when the pupil
3 graduates from high school or turns twenty-one years of age,
4 whichever occurs first, shall be transferred by the department
5 of education for deposit in the general fund of the state.

6 9. a. A parent may appeal to the state board of education
7 any administrative decision the department of education
8 makes pursuant to this section, including but not limited
9 to determinations of eligibility, allowable expenses, and
10 removal from the program. The department shall notify the
11 parent or guardian in writing of the appeal process at the same
12 time the department notifies the parent or guardian of the
13 administrative decision. The state board of education shall
14 establish the appeals process consistent with chapter 17A and
15 shall post such appeal process information on the state board
16 of education's internet site.

17 b. The state board of education shall refer cases of
18 substantial misuse of student first scholarship funds to the
19 attorney general for the purpose of collection or for the
20 purpose of a criminal investigation if the state board of
21 education obtains evidence of fraudulent use of an account.

22 10. a. This section shall not be construed to authorize
23 the state or any political subdivision of the state to exercise
24 authority over any nonpublic school or construed to require a
25 nonpublic school to modify its academic standards for admission
26 or educational program in order to receive payment from a
27 parent or guardian using funds from a pupil's account in the
28 student first scholarship fund.

29 b. This section shall not be construed to expand the
30 authority of the state or any political subdivision of the
31 state to impose regulations upon any nonpublic school that are
32 not necessary to implement this section.

33 c. A nonpublic school that accepts payment from a parent
34 or guardian using funds from a pupil's account in the student
35 first scholarship fund is not an agent of this state or of a

1 political subdivision of this state.

2 *d.* Rules adopted by the department of education to implement
3 this section that impose an undue burden on a nonpublic school
4 are invalid.

5 *e.* A nonpublic school that accepts payment from a parent
6 or guardian using funds from a pupil's account in the student
7 first scholarship fund shall be given the maximum freedom
8 possible to provide for the educational needs of the school's
9 students, consistent with state and federal law.

4 *b.* Student first enrollment supplement payments received
5 under this section are miscellaneous income and shall be

7 the payment amount shall not be included in district cost and
8 shall not affect the receipt or amount of a budget adjustment
9 received under section 257.14.

10 4. Notwithstanding section 8.33, any moneys remaining in

24 EXPLANATION

25 The inclusion of this explanation does not constitute agreement with
26 the explanation's substance by the members of the general assembly.

27 This bill relates to education, including establishing
28 a student first scholarship program and a student first
29 enrollment supplement fund, requiring the boards of directors
30 of school districts to publish certain specified information,
31 and modifying provisions related to required social studies
32 instruction, open enrollment, teacher librarian endorsements,
33 competent private instruction, and special education.

34 DIVISION I — SCHOOL DISTRICT TRANSPARENCY. The bill
35 creates new Code section 279.76, which requires the board of

1 directors of each school district to publish on the school
2 district's internet site a syllabus or written summary of what
3 material will be taught in each class in the school district,
4 how each class in the school district meets or exceeds the
5 educational standards established pursuant to Code section
6 256.11, information related to all educational materials used
7 for student instruction in each class in the school district,
8 the procedures for the review and approval of all educational
9 materials used for student instruction, a list of all books
10 available to students in libraries operated by the school
11 district, and a flowchart developed by the department of
12 education showing the procedures for the parent or guardian
13 of a student enrolled in the school district to request the
14 removal of a book that is available to students in a library
15 operated by the school district. The bill also requires the
16 board of directors to update this information periodically and
17 notify parents and guardians that the information has been
18 updated. The bill provides that the board of directors shall
19 maintain this information for at least five years on the school
20 district's internet site.

21 The bill provides that state aid payments made pursuant
22 to Code section 257.16 for a fiscal year shall be reduced in
23 an amount determined by the department of education for each
24 day of that fiscal year for which the school district has been
25 found to have intentionally violated a provision of new Code
26 section 279.76. The bill provides that the department shall
27 make the reduction in an amount the department determines
28 is in proportion to the actual damages caused by the school
29 district's violation of new Code section 279.76.

30 The bill requires the board of directors of a school district
31 to adopt protocols for the selection, review, reconsideration,
32 and removal of materials from libraries operated by the
33 school district. The bill establishes what the protocols
34 shall require, which includes a process for the selection,
35 reconsideration, and removal of materials from libraries

1 operated by the school district, the lawful and ethical use of
2 information resources, including plagiarism and intellectual
3 property rights, and a process that allows the parent or
4 guardian of a student enrolled in the school district to
5 request the reconsideration or removal of materials from a
6 library operated by the school district.

7 DIVISION II — STUDENT FIRST SCHOLARSHIP PROGRAM. Under the
8 bill, for the school year beginning July 1, 2022, the following
9 pupils who attend a nonpublic school are eligible to receive
10 a student first scholarship: (1) a pupil whose household has
11 an annual income which is less than or equal to 400 percent
12 of the poverty income guidelines; (2) a pupil who has an
13 individualized education program; and (3) a pupil who received
14 a student first scholarship for the immediately preceding
15 school budget year and who is eligible to enroll in grade 1
16 through grade 12. The bill limits the number of student first
17 scholarships to no more than 10,000 in each school year. By
18 January 1 preceding the school year for which the student first
19 scholarship is requested, the parent or guardian of a pupil
20 enrolled in a school district, eligible to enroll in a school
21 district for kindergarten in the next school year, or enrolled
22 in a nonpublic school who received a student first scholarship
23 in the current school year, may request a student first
24 scholarship by submitting an application to the department of
25 education indicating that the parent or guardian intends to
26 enroll the pupil in a nonpublic school for the entirety of the
27 school year.

28 The bill requires that by February 1 preceding the school
29 year for which the student first scholarship is requested, the
30 department of education must notify the parent or guardian of
31 each pupil approved for the following school year to receive a
32 student first scholarship and the amount of the student first
33 scholarship for the pupil, as specified in the bill. Student
34 first scholarships must be approved for each school year and
35 applications must be submitted each year. The bill specifies

1 how the department is to choose which applications to approve.

2 The bill creates a student first scholarship fund in
3 the state treasury under the control of the department of
4 education consisting of moneys appropriated to the department
5 of education for the purpose of providing student first
6 scholarships. For the fiscal year commencing July 1, 2022, and
7 each succeeding fiscal year, the bill appropriates from the
8 general fund of the state to the department of education for
9 deposit in the fund the amount necessary to pay all student
10 first scholarships approved for that fiscal year. For each
11 pupil approved for a student first scholarship, the department
12 of education must establish an account for that pupil in the
13 student first scholarship fund. The amount of the pupil's
14 student first scholarship is deposited into the pupil's account
15 on July 1 and such amount is available for use by parents and
16 guardians for the payment of qualified educational expenses, as
17 defined in the bill, incurred by the parent or guardian for the
18 pupil during that fiscal year.

19 The bill authorizes the department of education to contract
20 with a private financial management firm to manage the student
21 first scholarship fund, in collaboration with the treasurer
22 of state, including providing for the disbursement of student
23 first scholarships in the form of an electronic debit card
24 or checks that are payable directly from the pupil's account
25 within the fund.

26 The bill provides that moneys remaining in a pupil's account
27 upon the conclusion of the fiscal year shall remain in the
28 pupil's account in the student first scholarship fund for the
29 payment of qualified educational expenses in future fiscal
30 years during which the pupil participates in the program until
31 the pupil becomes ineligible or until the remaining amounts are
32 required to be transferred to the general fund of the state
33 under the bill.

34 Under the bill, for each pupil with a positive balance
35 in the pupil's account in the student first scholarship fund

1 upon graduation from high school or reaching 21 years of age,
2 whichever occurs first, the department of education is required
3 to transfer such remaining moneys for deposit in the general
4 fund of the state.

5 The bill establishes procedures for parent or guardian
6 appeals to the state board of education and provides that a
7 person who makes a false claim for the purpose of obtaining
8 a student first scholarship or who knowingly receives the
9 scholarship or makes a payment from an account in the student
10 first scholarship fund without being legally entitled to do
11 so is guilty of a fraudulent practice and is subject to a
12 criminal penalty. The bill directs the department of education
13 to recover scholarships and amounts improperly awarded or
14 paid and requires the closure of the pupil's account and
15 transfer of all remaining moneys to the general fund of the
16 state. The bill also establishes requirements and procedures
17 for parents or guardians and for the department of education
18 when a pupil receiving a student first scholarship withdraws
19 or is expelled from the nonpublic school prior to the end of
20 the required attendance period of the school year, including
21 requirements for disposition of the pupil's account within the
22 student first scholarship fund and recovery of scholarship
23 funds. The section of the bill enacting the student first
24 scholarship program takes effect upon enactment and applies
25 to school budget years and fiscal years beginning on or after
26 July 1, 2022. The bill contains provisions extending certain
27 application and notification deadlines related to the student
28 first scholarship program for the school year beginning July
29 1, 2022, which take effect upon enactment. The bill also
30 authorizes the department of education to adopt emergency rules
31 to implement the student first scholarship program.

32 The bill provides that a student first scholarship received
33 by a taxpayer is not taxable income for purposes of state
34 individual income taxation. This provision of the bill applies
35 retroactively to tax years beginning on or after January 1,

1 2022.

2 The bill establishes a student first enrollment supplement
3 fund under the control of the department of management. For
4 each fiscal year beginning on or after July 1, 2023, the bill
5 appropriates annually from the general fund of the state to
6 the department of management for deposit in the student first
7 enrollment supplement fund an amount equal to the product of
8 the number of student first scholarships approved for the base
9 year multiplied by the sum of the statewide average foundation
10 property tax per pupil plus the difference between the amounts
11 determined under Code section 257.16B, subsection 2, paragraph
12 "c", subparagraphs (1) and (2), for the calculation of school
13 district property tax replacement payments. Moneys available
14 in a fiscal year in the student first enrollment supplement
15 fund shall be distributed in equal amounts as student first
16 enrollment supplement payments to school districts with a
17 budget enrollment of 500 students or less for the budget
18 year. Student first enrollment supplement payments shall be
19 miscellaneous income and shall be deposited in the general fund
20 of the school district. However, the payment amount shall not
21 be included in district cost and shall not affect the receipt
22 or amount of a budget adjustment received under Code section
23 257.14. The section of the bill enacting the student first
24 enrollment supplement fund applies to school budget years and
25 fiscal years beginning on or after July 1, 2023.

26 DIVISION III — SOCIAL STUDIES INSTRUCTION. Under current
27 law, the educational program established pursuant to Code
28 section 256.11 is required to include, in grades 9 through 12,
29 five units of social studies, one-half unit of which is to
30 consist of instruction in United States government. The bill
31 provides that this one-half unit of United States government
32 shall include an assessment of the student's knowledge of
33 United States government and civics. The bill provides that
34 the most recent version of the civics test developed by the
35 United States citizenship and immigration services shall be

1 used as the assessment. The bill requires each school district
2 and nonpublic school to submit the results of the civics test
3 to the department of education by June 30 of each year. The
4 bill authorizes a school district or nonpublic school to
5 modify the civics test for a student who has an individualized
6 education program. The bill provides that a student must
7 answer at least 70 percent of the questions correctly on the
8 civics test as a condition of graduation. The bill authorizes
9 a student who fails to answer at least 70 percent of the
10 questions on the civics test correctly to retake the civics
11 test.

12 DIVISION IV — PRIVATE INSTRUCTION — SPECIAL EDUCATION.

13 The bill provides that a child of compulsory attendance age who
14 is identified as requiring special education is eligible for
15 placement under competent private instruction without prior
16 approval of the placement by the director of special education
17 of an area education agency. The bill also provides that a
18 child who is identified as requiring special education may
19 request dual enrollment and the appropriate special education
20 services for the child shall be determined pursuant to Code
21 chapter 256B (special education).

22 DIVISION V — OPEN ENROLLMENT. Current law provides that
23 the decision of the board of a resident school district
24 or receiving school district to deny an open enrollment
25 application filed after March 1 of the preceding school year
26 that involves repeated acts of harassment of the student that
27 the resident district cannot adequately address, a consistent
28 failure of the resident district to reasonably respond to a
29 student's failure to meet basic academic standards after notice
30 provided by a parent or guardian, or a serious health condition
31 of the student that the resident district cannot adequately
32 address is subject to appeal under Code section 290.1. The
33 bill provides that this right of appeal also applies to a
34 decision of either board to deny an open enrollment application
35 related to the sibling or stepsibling of such a student.

1 Additionally, the bill authorizes the sibling or stepsibling of
2 such a student, attending a grade in grades 9 through 12, who
3 does participate in open enrollment to participate immediately
4 in a varsity interscholastic sport.

5 DIVISION VI — TEACHER LIBRARIANS. The bill removes the
6 requirement that the holder of a teacher librarian endorsement
7 have a master's degree.
