23 EXPLANATION

24 The inclusion of this explanation does not constitute agreement with
25 the explanation's substance by the members of the general assembly.

26 GENERAL. This bill amends Code chapter 459 (the "Animal
27 Agriculture Compliance Act") (Code section 459.101) which
28 regulates confinement feeding operations. The bill revises
29 the definition of a confinement feeding operation to include
30 an operation that is partially roofed (amended Code section
31 459.102(14)). The bill also prohibits the construction,
32 including expansion, of a confinement feeding operation
33 structure. Such a structure includes a confinement building, a
34 manure storage structure, or an egg washwater structure. The
35 bill provides an exception that allows construction if the new

1 structure is part of a small animal feeding operation. The
2 bill does not prohibit a person from completing construction if
3 the person had begun construction prior to the effective date
4 of the bill.

5 BACKGROUND — ENFORCEMENT AND APPLICABLE CIVIL PENALTIES.
6 Compliance with a statutory regulation under the Code chapter
7 includes compliance with a rule adopted by the department of
8 natural resources (Code section 459.103). A person violating
9 air quality regulations under Code chapter 459, subchapter
10 II, is subject to an administrative assessment of a civil
11 penalty of up to \$10,000 (Code sections 459.602 and 455B.109).

17 EFFECTIVE DATE. The bill takes effect upon enactment.
