3 EXPLANATION

4 The inclusion of this explanation does not constitute agreement with
5 the explanation's substance by the members of the general assembly.

6 This bill relates to financial assistance (assistance)
7 provided by the economic development authority (authority)
8 to certain apprenticeship sponsors (sponsor) and lead
9 apprenticeship sponsors (lead sponsor).

10 The bill provides that to be eligible for assistance,
11 a sponsor or lead sponsor must include a minimum of 100
12 contact hours per apprentice for each training year of an
13 apprenticeship program conducted by the sponsor or lead
14 sponsor. Under current law, there is not a minimum contact
15 hour requirement to be eligible for assistance. The bill
16 defines "contact hours" as the number of hours of in-person
17 instruction received by an apprentice participating in an
18 apprenticeship program. Current law defines "contact hours"
19 as the time spent instructing apprentices in person or, in the
20 case of a lead sponsor with an apprenticeship program totaling
21 100 or more total instructional hours, "contact hours" includes
22 online training if the total amount of online instruction is
23 not more than 30 percent of the total instructional hours.

24 Under current law, the authority provides financial
25 assistance in the form of grants to sponsors or lead sponsors
26 pursuant to a calculation as specified in Code section 15B.4,
27 subsection 2. Under the bill, the calculation is modified
28 to account for the minimum 100 contact hours eligibility
29 requirement and the revised definition of "contact hours".

30 The bill applies to financial assistance provided by the
31 authority to eligible sponsors and lead sponsors that apply for
32 financial assistance on or after July 1, 2021.
