15 EXPLANATION

16 The inclusion of this explanation does not constitute agreement with
17 the explanation's substance by the members of the general assembly.

18 This bill concerns the frequency and timing of card game
19 tournaments conducted by a qualified organization representing
20 veterans. Current law prohibits the holding of a card game
21 tournament by a qualified veterans organization within seven
22 calendar days of another card game tournament conducted by that
23 organization and limits the maximum number of such card game
24 tournaments to be held in a month to two. The bill eliminates
25 the per-month maximum and only prohibits holding a card game
26 tournament within six calendar days of another card game
27 tournament.
