16 EXPLANATION

17 The inclusion of this explanation does not constitute agreement with
18 the explanation's substance by the members of the general assembly.

19 This bill changes the requirements for a sex offender
20 to be granted a modification of the sex offender registry
21 requirements. Under current law, a sex offender must be on
22 probation, parole, work release, special sentence, or any
23 other type of conditional release to file an application for a
24 modification. The bill allows any sex offender on the Iowa sex
25 offender registry to file an application for a modification.

26 Under current law, a sex offender will only be granted a
27 modification by a court if the date of the commencement of
28 the requirement to register occurred at least two years prior
29 to the filing of the application for a tier I offender and
30 five years prior to the filing of the application for a tier
31 II or III offender. The bill changes these requirements and
32 provides that a tier I offender must have initially registered
33 at least 10 years prior to the filing of the application,
34 except for a tier I offender who was under 20 years of age
35 at the time the offender committed sexual abuse in the third

1 degree under certain circumstances pursuant to Code section
2 709.4(1)(b)(3)(d), who must have initially registered at least
3 five years prior to the filing of the application. A tier II or
4 tier III offender must have initially registered at least 25
5 years prior to the filing of the application.

6 Under current law, a risk assessment approved by the
7 department of corrections must be completed and an offender
8 must be classified as a low risk to reoffend in order to be
9 granted a modification. The bill strikes this requirement and
10 allows a court to grant a modification if the offender has
11 successfully completed any period of probation, parole, special
12 sentence, or other supervised release for the offense requiring
13 registration.

14 The bill provides that a tier I offender must not have
15 been convicted of any criminal offenses other than simple
16 misdemeanor violations of Code chapter 321 or local traffic
17 ordinances for the 10-year period immediately preceding
18 the filing of the application in order to be granted a
19 modification. The bill provides that a tier II or tier III
20 offender must not have been convicted of any criminal offenses
21 other than simple misdemeanor violations of Code chapter 321
22 or local traffic ordinances for the 25-year period immediately
23 preceding the filing of the application and must have been
24 initially required to register as a result of an adjudication
25 for a sex offense in juvenile court in order to be granted a
26 modification.

27 The bill allows a court to reduce the period in which a sex
28 offender is required to register. The bill strikes current law
29 allowing a sex offender to be granted a modification if the
30 offender is required to be on the sex offender registry as a
31 result of an adjudication for a sex offense, the offender is
32 not under the supervision of the juvenile court or a judicial
33 district judicial department of correctional services, and the
34 department of corrections agrees to perform a risk assessment
35 on the sex offender.

1 Under current law, the director of the judicial district
2 department of correctional services supervising the sex
3 offender, or the director's designee, must stipulate to the
4 modification. The bill strikes this requirement.
