EXPLANATION

1           The inclusion of this explanation does not constitute agreement with  
2           the explanation's substance by the members of the general assembly.

3       This bill relates to the definition of meeting and public  
4 notice requirements under the open meetings law (Code chapter  
5 21).

6       The bill amends the definition of a meeting that is subject  
7 to the requirements of the open meetings law by expanding the  
8 definition to include any deliberations or actions (including  
9 recommendations) taken by a governmental body as defined in  
10 the open meetings law, that are within a governmental body's  
11 budgetary duties.

12       The bill provides that reasonable notice of a meeting shall  
13 include providing notice to any person, and not just the news  
14 media, if the person has filed a request for notice.

15       The bill also excludes weekend days and paid holidays as  
16 specified in Code section 1C.2 when determining the 24-hour  
17 time period for purposes of public notice under the open  
18 meetings law.
