12 compliance with all applicable provisions of section 515F.5.

13 **Sec. 7. NEW SECTION. 515J.7 Form filings — prior approval.**

14 1. An admitted insurer that writes private flood insurance
15 pursuant to this chapter shall file with the commissioner a
16 copy of all forms at least thirty calendar days prior to the
17 effective date of each form. Private flood insurance shall not
18 be issued or delivered to any person in this state until all
19 forms have been approved by the commissioner.

20 2. The commissioner may at any time review an insurer's

23 a form at any time and shall notify the insurer of the
24 disapproval. The commissioner may require an insurer to
25 provide, at the insurer's expense, all information deemed
26 necessary by the commissioner to review a form. Within
27 sixty calendar days of notification by the commissioner of
28 disapproval of a form, the insurer shall file all information
29 with the commissioner that establishes that the form is in

5 organization that filed the form. Within sixty calendar
6 days of notification by the commissioner of disapproval of a
7 form, the advisory organization shall file all information
8 with the commissioner that establishes that the form is
9 in compliance with this chapter and other applicable laws.
10 The advisory organization shall bear the burden of proving

22 to an applicant for private flood insurance whose property is
23 located in a special flood hazard area and is covered by flood
24 insurance issued under the national flood insurance program
25 before the insurance producer places private flood insurance
26 with an insurer or with an eligible surplus lines insurer for
27 the applicant's property. The notice must advise the applicant
28 that if the applicant discontinues flood insurance under the
29 national flood insurance program, and later wants to reinstate
30 coverage under the program, the applicant may be charged the
31 full-risk rate and no longer qualify for a subsidized rate
32 under the national flood insurance program.

1 under subsection 1 for a minimum of five years.

2 Sec. 9. NEW SECTION. 515J.9 Surplus lines — private flood
3 insurance.

4 If after conducting a diligent search a surplus lines
5 producer confirms that the full amount of private flood
6 insurance, or a specific type of private flood insurance,
7 cannot be obtained from an insurer, the surplus lines producer
8 may place a policy providing flood coverage with an eligible
9 surplus lines insurer. The surplus lines producer and the
10 eligible surplus lines insurer must each comply with the
11 applicable provisions of chapter 515I.

12 Sec. 10. NEW SECTION. 515J.10 Policy certification.

13 1. An insurer that writes private flood insurance under
14 this chapter may certify that private flood insurance issued
15 by the insurer meets or exceeds flood coverage provided under
16 the national flood insurance program by including the following
17 language on a declarations page or other policy documentation
18 provided to a policyholder:

19 This policy meets the definition of "*private flood insurance*"
20 contained in 42 U.S.C. §4012a(b)(7) and the corresponding
21 regulations.

22 2. An insurer may reference a certification pursuant to
23 subsection 1 in marketing materials, or in communications with
24 insurance producers, lending institutions, policyholders, or
25 prospective policyholders.

26 Sec. 11. NEW SECTION. 515J.11 Notice of renewal.

27 1. If an insurer offers to renew private flood insurance
28 that has a term of one year or less, the insurer shall provide
29 the policyholder with a notice that states the renewal terms,
30 the renewal premium, and the renewal premium due date at least
31 forty-five calendar days before the expiration date of the
32 private flood insurance.

33 2. If an insurer offers to renew private flood insurance
34 that has a term of more than one year, or an indefinite term,
35 the insurer shall provide the policyholder with a notice that

1 states the renewal terms, the renewal premium, and the renewal
2 premium due date at least forty-five calendar days before the
3 anniversary date of the private flood insurance.

4 3. If notice is required pursuant to subsection 1 or 2, the
5 notice must be in writing and shall be sent to the policyholder
6 or to the broker of record at the policyholder's or broker's
7 last known mailing address or electronic mail address on file
8 with the insurer. All notices and documents that are delivered
9 by electronic means shall comply with the applicable provisions
10 of chapter 505B.

11 4. If an insurer fails to comply with the forty-five
12 calendar day notice requirement under subsection 1 or 2, a
13 policyholder or a broker of record may elect, within forty-five
14 calendar days following the receipt of notice, to cancel the
15 renewal policy. Earned premium for any period of coverage
16 during the forty-five calendar day period shall be calculated
17 pro rata based upon the premium applicable to the original
18 private flood insurance policy

19 Sec. 12. NEW SECTION. 515J.12 **Cancellation or nonrenewal.**

20 1. Standard flood insurance shall only be canceled by an
21 insurer pursuant to the cancellation provisions in section
22 515J.4, subsection 4.

23 2. Written notice of cancellation or nonrenewal of private
24 flood insurance, other than standard flood insurance, shall

26 before the date of cancellation or nonrenewal, and shall be
27 given to each of the following:

28 a. The policyholder.

29 b. The federally insured institution that made the
30 designated loan secured by the property covered by the private
31 flood insurance, or to the servicer acting on the federally
32 insured institution's behalf.

33 3. A notice under subsection 2 must:

34 a. State the date that the private flood insurance is
35 canceled or not renewed, and the date shall be no sooner

1 than forty-five calendar days from the date of the notice of
2 cancellation or nonrenewal.

3 *b.* Advise the policyholder of the policyholder's right
4 to request that the division review the cancellation or
5 nonrenewal.

6 *c.* Be filed with the commissioner subject to the use and

13 shall comply with the applicable provisions of chapter 505B.

14 **Sec. 13. NEW SECTION. 515J.13 Unfair acts and deceptive**
15 **practices.**

16 An insurer or an insurance producer that knowingly does any
17 of the following commits an unfair or deceptive act or practice
18 pursuant to section 507B.4, subsection 3, and shall be subject
19 to orders and penalties under chapter 507B:

4 administrator of the federal emergency management agency shall
5 consider any period during which a property was continuously
6 covered by flood insurance, either through the national flood
7 insurance program or the private market, that was used to

21 EXPLANATION

22 The inclusion of this explanation does not constitute agreement with
23 the explanation's substance by the members of the general assembly.

24 This bill establishes the "Iowa Private Flood Insurance Act"
25 to foster innovation in private flood insurance, allow insurers
26 to test private flood insurance products in the market, and to
27 provide consumers with more flood insurance options.

28 "Private flood insurance" is defined in the bill as a
29 personal lines or commercial policy issued by an insurer to
30 provide coverage to the policyholder for the peril of flood.
31 "Flood" is also defined in the bill.

32 The bill permits insurers to write standard flood insurance
33 if the policy advises the policyholder of the availability of
34 flood insurance coverage under the national flood insurance
35 program (NFIP), it contains a mortgage interest clause

1 substantially similar to the mortgage interest clause in a
2 standard flood insurance policy (SFIP) issued under the NFIP,
3 it advises the policyholder of the process for filing suit
4 over a denied claim, it contains cancellation provisions as
5 restrictive as the cancellation provisions in an SFIP issued
6 under the NFIP, and all deductibles and policy limits are
7 prominently displayed on the policy declarations page or the
8 face page of the policy. "Standard flood insurance policy" is
9 defined in the bill as a private flood insurance policy that
10 provides coverage that is at least equivalent to the coverage
11 provided under a standard flood insurance policy issued under
12 the national flood insurance program for the same type of
13 property, including when considering deductibles, exclusions,
14 and conditions offered by the insurer.

15 The bill also permits insurers to issue non-standard flood
16 insurance that provides supplemental flood insurance to an SFIP
17 issued under the NFIP or to standard flood insurance issued by
18 an insurer under the bill; or that defines "flood" more broadly
19 than the term is defined in the bill; or that does not meet
20 the requirements for discretionary acceptance under 12 C.F.R.
21 §208.25(c)(3)(iii)(A-D).

22 An admitted insurer that writes private flood insurance must
23 establish and file rates in compliance with all applicable
24 provisions of Code chapter 515F and, as detailed in the bill,
25 receive prior approval from the commissioner of insurance
26 (commissioner) on form filings.

27 An insurance producer must provide a written notice to
28 an applicant for private flood insurance whose property is
29 located in a special flood hazard area and is covered by flood
30 insurance under the NFIP before the producer places private
31 flood insurance with an insurer or an eligible surplus lines
32 insurer for the applicant's property. "Special flood hazard
33 area" is defined in the bill. The notice must advise the
34 applicant that if the applicant discontinues flood coverage
35 under the NFIP and later wants to reinstate coverage, the

1 applicant may be charged the full-risk rate and no longer
2 qualify for a subsidized rate under the NFIP. Under the bill,
3 this requirement is repealed effective 30 calendar days after
4 enactment of federal legislation mandating that for purposes
5 of applying any statutory, regulatory, or administrative
6 continuous coverage requirement, including under 42 U.S.C.
7 §4014(g), the administrator of the federal emergency management
8 agency must consider any period during which a property was
9 continuously covered by flood insurance, either through the
10 NFIP or the private market, that was used to satisfy the
11 requirements under 42 U.S.C. §4012a(a) to be a period of
12 continuous coverage. The commissioner is required to notify
13 the Iowa Code editor upon the occurrence of this condition.

14 The bill permits a surplus lines producer, after conducting
15 a diligent search that confirms that the full amount of private
16 flood insurance, or a specific type of private flood insurance,
17 cannot be obtained from an insurer, to place a policy providing
18 flood coverage with an eligible surplus lines insurer. The
19 bill requires the surplus lines producer and the eligible
20 surplus lines insurer to comply with the applicable provisions
21 of Code chapter 515I.

22 An insurer that writes private flood insurance may certify
23 that a policy issued by the insurer meets or exceeds flood
24 coverage provided under the NFIP by including language as
25 specified in the bill on a declarations page or other policy
26 documentation provided to a policyholder. The insurer may
27 reference the certification in marketing materials, and
28 communications with insurance producers, lending institutions,
29 policyholders, and prospective policyholders.

30 The requirements for renewal, nonrenewal, and cancellation
31 of private flood insurance are detailed in the bill.

32 An insurer or an insurance producer that knowingly
33 misrepresents a policy as being certified, or misrepresents
34 the scope of coverage of private flood insurance in marketing
35 materials, advertisements, or in a communication with an

1 insurance producer, a lending institution, a policyholder, or
2 a prospective policyholder commits an unfair or deceptive act
3 or practice, and is subject to orders and penalties under Code
4 chapter 507B.

5 The bill requires that an admitted insurer, at least 30
6 days prior to writing private flood insurance, notifies the
7 commissioner and files a plan of operation and financial
8 projections. An insurer must also notify the commissioner
9 within 45 days of exiting the private flood insurance market.
10 An insurer that writes private flood insurance must comply with
11 all applicable requirements of Code Title XIII, subtitle 1, and
12 is subject to examination pursuant to Code chapter 507.

13 The bill prohibits an insurer from refusing to issue or
14 renew private flood insurance, or from canceling private
15 flood insurance, based on an applicant's or a policyholder's
16 age, sex, race, color, religion, national origin, marital
17 status, income level, occupation, military status, or creed.
18 An insurer may, however, limit the issuance of private flood
19 insurance to individuals who have engaged in, or are engaged
20 in, a particular profession or occupation, and may refuse to
21 issue or renew private flood insurance due to a property's
22 exposure to flood.

23 The commissioner may adopt rules pursuant to Code chapter
24 17A as necessary to administer the bill.

25 The bill applies 60 calendar days after the date of enactment
26 to private flood insurance initially delivered, issued for
27 delivery, continued, or renewed in this state on or after the
28 date of enactment. The bill applies 180 calendar days after
29 the date of enactment to private flood insurance that has been
30 initially delivered, issued for delivery, continued, or renewed
31 in this state prior to the date of enactment.
