#### EXPLANATION

30 The inclusion of this explanation does not constitute agreement with  
31 the explanation’s substance by the members of the general assembly.

32 Current law exempts seriously disabled veterans who have  
33 been provided with an automobile or other vehicle by the United  
34 States government from paying motor vehicle registration fees  
35 and applying for a persons with disabilities parking permit.

1 This bill broadens these exemptions to include disabled  
2 veterans with a service-related disability rating of 50 percent  
3 or higher as determined by the United States department of  
4 veterans affairs.

5 The bill provides such disabled veterans with one free set  
6 of regular registration plates or one free set of any type of  
7 special registration plates associated with service in the  
8 United States armed forces for which the disabled veteran  
9 qualifies under Code section 321.34. The bill requires the  
10 disabled veteran to be a resident of the state of Iowa. In lieu  
11 of the set of regular or special military registration plates  
12 available without fee, the disabled veteran may obtain a set of  
13 nonmilitary special registration plates or personalized plates  
14 by paying the additional fees associated with those plates.  
15 However, if the veteran was issued or reassigned such plates  
16 prior to July 1, 2022, the veteran may continue to use the  
17 plates without paying the additional fees.

18 By operation of law, Code section 321.166 requires the  
19 registration plates provided under the bill to display the  
20 alphabetical characters "DV" preceding the registration plate  
21 number.
