34 EXPLANATION

35 The inclusion of this explanation does not constitute agreement with

1           the explanation's substance by the members of the general assembly.

2       This bill requires a county with a population of 60,000  
3 or more based on the most recent federal decennial census  
4 to use plan "three" for the election of county supervisors.  
5 Plan "three" requires individual members of the board of  
6 supervisors for that county to be elected from single-member  
7 equal-population districts. The bill provides that a county  
8 with a population of 60,000 or more as of the effective date  
9 of the bill, that does not use plan "three" as of that date  
10 for the election of supervisors shall not be required to  
11 elect supervisors under plan "three" until the election for  
12 supervisors in 2024 following adoption of a representation plan  
13 in conformity with the provisions of law governing the adoption  
14 of a plan "three" representation plan.

15       The bill takes effect upon enactment.
