EXPLANATION

5 The inclusion of this explanation does not constitute agreement with
6 the explanation's substance by the members of the general assembly.

7 This bill eliminates a requirement related to obtaining
8 a transitional coaching authorization from the board of
9 educational examiners (BOEE). Current law requires an
10 individual to complete a shortened course of training relating
11 to the code of professional rights and responsibilities,
12 practices, and ethics developed by the BOEE for transitional
13 coaches before the individual can obtain a transitional
14 coaching authorization. The bill strikes this requirement.
15 The bill does not affect other requirements associated with
16 obtaining a transitional coaching authorization, including
17 requirements related to completion of child and dependent adult
18 abuse mandatory reporter training, completion of concussion
19 in youth sports training, and compliance with background
20 investigation requirements.
