14 This bill provides for the addition of biological parent
15 information of an adult adopted person to an original
16 certificate of birth through amendment of the original
17 certificate of birth.

18 The bill provides that notwithstanding whether an original
19 certificate of birth is substituted with a new certificate
20 of birth following adoption of the subject of the original
21 certificate of birth, whether a new certificate of birth is
22 issued to show that a person for whom the new certificate is
23 requested has been legitimated or that paternity of that person
24 has been determined, or whether a new certificate of birth
25 is issued to show paternity if paternity is not shown on the
26 original certificate of birth, an adopted person who is the
27 subject of the original certificate of birth who was born in
28 this state, who is at least 18 years of age at the time the
29 application is filed, and whose original certificate of birth
30 was substituted with a new certificate of birth pursuant to
31 Code section 144.24 based upon the adoption, may apply to the
32 state registrar to amend that original certificate of birth to

1 to amending an original certificate of birth under the
2 bill including: the adopted person shall file a written
3 application, along with proof of identification, with the
4 state registrar consenting to the adopted person's original
5 certificate of birth being amended to include the name of an
6 omitted biological parent; and the state registrar shall obtain
7 an affidavit with substantiating evidence, from either the
8 person whose name is to be added as a biological parent if
9 that person is living or from a specified representative of
10 that person if that person is deceased, attesting that the
11 person whose name is to be added as a biological parent is a
12 biological parent of the subject of the original certificate of
13 birth and that the name to be added is that of the biological
14 parent that was omitted from the original certificate of birth.

15 An amended original certificate of birth registered under
16 the bill shall be marked "amended" as provided under current
17 law, and a summary statement of the evidence submitted in
18 support of the amended original certificate of birth shall be
19 endorsed on the certificate.

20 If an original certificate of birth is amended under the
21 bill, an adopted person as described in Code section 144.24A

23 contact preference form — medical history form — fees)
24 or an entitled person as defined in Code section 144.24A
25 may apply for and obtain a noncertified copy of the amended
26 original certificate of birth subject to compliance with the

28 of an original certificate of birth under Code section 144.24A.

29 The bill provides definitions for terms used in the bill
30 including "personal representative", "relative", "successor",
31 and "trustee".

32 The bill directs the state registrar to adopt administrative
33 rules relating to establishment, collection, and deposit of
34 fees for preparation and registration of an amended original
35 certificate of birth and for issuance of a noncertified copy

1 of an amended original certificate of birth; the consent and
2 affidavit forms; the proof of identification requirements
3 relative to the provision of consent by the subject of an
4 original certificate of birth to amendment of the original
5 certificate of birth; and the evidentiary requirements to
6 substantiate that a person is an omitted biological parent of
7 the subject of the original certificate of birth.

8 The bill makes a conforming Code change to provide an
9 exemption to provide that the original certificate of birth may
10 be subject to inspection for the purposes of amendment under
11 the bill.

12 The bill also makes conforming changes in Code section
13 144.24A to reflect the provisions of the bill relating
