EXPLANATION

18 The inclusion of this explanation does not constitute agreement with
19 the explanation's substance by the members of the general assembly.

20 This bill permits public schools to designate and allow the
21 use of restrooms and changing facilities only by persons of the
22 same sex. The bill defines changing facility, public school,
23 sex, and restroom. Sex means a person's biological sex as
24 either female or male. The sex listed on a student's official
25 birth certificate or certificate issued upon adoption may be
26 relied upon if the certificate was issued at or near the time
27 of the student's birth. Changing facility means a facility,
28 including but not limited to a locker room, changing room, or
29 shower room, designed or designated to be used by more than one
30 person at a time where a person may be in varying stages of
31 undress in the presence of other persons.

32 The bill provides that accommodations may be made due to
33 special circumstances at a person's request. Accommodations
34 include allowing a person to use a single-occupancy restroom or
35 changing facility. An accommodation shall not include allowing

1 a person to use a multiple-occupancy restroom or changing
2 facility that does not correspond with the person's sex. The
3 bill states that the policies that result from the bill do not
4 constitute unfair or discriminatory practices in violation of
5 the Iowa civil rights Act, Code chapter 216.

6 The bill provides that a person may enter a bathroom or
7 changing facility inconsistent with the person's biological sex
8 under any of the following circumstances: for custodial or
9 maintenance purposes; to render medical assistance; in a public
10 school, to accompany a young child needing assistance; or if
11 necessary during a natural disaster.

12 The bill provides for private cause of action if a
13 public school violates new Code chapter 280B. Any person
14 has private cause of action if the school denies the person
15 an accommodation without proving undue hardship. The bill
16 also allows any person a private cause of action if the
17 person encounters a member of the opposite sex in a restroom
18 or changing facility designated for the person's sex or is
19 required by the public school to share sleeping quarters with a
20 member of the opposite sex who is not a member of the person's
21 family and the school gave permission to the member of the
22 opposite sex to use the restroom or changing facility. The
23 bill establishes jurisdiction and that a claim shall be brought
24 within two years of the violation. A person is able to recover
25 monetary damages for the harm suffered and any other remedies
26 available by law or equity available to the person against the
27 school.
