#### EXPLANATION

32 The inclusion of this explanation does not constitute agreement with  
33 the explanation's substance by the members of the general assembly.

34 This bill creates a new Code chapter 330B authorizing and  
35 regulating customer facility charges imposed as part of a

1 vehicle rental transaction at an airport. Under the bill, an  
2 aviation authority, airport commission, municipality, or other  
3 entity that operates an airport is authorized to require a  
4 rental vehicle business to impose a customer facility charge  
5 (charge), as defined by the bill. The charge is paid by a  
6 customer who rents a vehicle at the airport.

7 The bill requires a charge to be listed as a separate  
8 line item on all vehicle rental agreements transacted at the  
9 airport. The charge must be uniformly calculated based either  
10 on a per-agreement or per-agreement-day basis at the discretion  
11 of the aviation authority, airport commission, municipality,  
12 or other entity that operates the airport. An entity that  
13 operates an airport is required to provide notice of any  
14 changes to the charge, including but not limited to the amount  
15 and calculation method, to every rental vehicle business not  
16 less than 30 days prior to the change taking effect.

17 The charge must be used only for financing, designing,  
18 constructing, operating, maintaining, acquiring, or otherwise  
19 improving the consolidated vehicle rental facilities and  
20 common-use transportation systems used to transport customers  
21 between consolidated vehicle rental facilities and other  
22 airport facilities, including necessary equipment, vehicles,  
23 and facilities for such systems. The bill prohibits customer  
24 facility charge moneys from being used for airport terminal  
25 expansion, gate expansion, runway expansion, or for any other  
26 purpose not authorized under the bill.

27 The bill takes effect upon enactment and applies to charges  
28 collected on or after that date, and to charges collected prior  
29 to that date that are unexpended, unencumbered, and unobligated  
30 on that date.
