15 EXPLANATION

16 The inclusion of this explanation does not constitute agreement with  
17 the explanation's substance by the members of the general assembly.

18 This bill aligns relevant provisions of Code chapter 321  
19 (motor vehicles and law of the road) with federal regulations  
20 relating to the national drug and alcohol clearinghouse,  
21 commercial driver's licenses (CDL), and commercial learner's  
22 permits (CLP).

23 Under federal regulations, prior to issuing a CDL to a  
24 person, a state must, among other things, initiate and complete  
25 a check of the applicant's driving record to ensure that the  
26 person is not subject to disqualification and does not have a  
27 driver's license from more than one state or jurisdiction. The  
28 record check provides information about an applicant's driving  
29 record and relevant criminal history, if any. The record  
30 check must include a check of the applicant's driving record  
31 as maintained by the applicant's current state of licensure, a  
32 check with the commercial driver's license information system  
33 (CDLIS), and a check with the problem driver pointer system.

34 Beginning November 18, 2024, a state must request  
35 information from the national drug and alcohol clearinghouse,

1 and if in response to the request the state receives  
2 notification that the applicant is prohibited from operating a  
3 commercial motor vehicle, the state must not issue, renew, or  
4 upgrade the person's CDL or CLP. A state must, upon receiving  
5 notification that a CDL or CLP holder is prohibited from  
6 operating a commercial motor vehicle, initiate established  
7 procedures for downgrading the CDL or CLP. The downgrade must  
8 be completed and recorded on the CDLIS driver record within 60  
9 days of the state's receipt of such notification.

10 A state will be required to terminate a downgrade process,  
11 reinstate a CDL or CLP, make a person eligible for a CDL or  
12 CLP, and expunge from the CDLIS driver record any reference  
13 related to a person's erroneous prohibited status upon  
14 receiving appropriate notification that the person is no longer  
15 prohibited from operating a commercial motor vehicle.

16 The bill provides that certain violations will result in a  
17 fine in accordance with the civil penalty provided in federal  
18 regulations. An individual who violates an out-of-service  
19 order commits a simple misdemeanor and is subject to a fine of  
20 not less than \$3,471 for a first conviction and not less than  
21 \$6,943 for a second or subsequent conviction within 10 years.  
22 An employer of a CDL holder who knowingly allows, requires,  
23 permits, or authorizes an employee to operate a commercial  
24 motor vehicle during any period in which the CDL holder is  
25 subject to an out-of-service order is subject to a fine of not  
26 less than \$6,269 or more than \$34,712. An employer of a CDL  
27 holder who knowingly allows, requires, permits, or authorizes  
28 that CDL holder to operate a commercial motor vehicle in  
29 violation of a federal, state, or local law or regulation  
30 pertaining to railroad-highway grade crossings is subject to a  
31 fine of not more than \$17,995.

32 The bill amends Code citations to conform to applicable  
33 federal regulations.
