9 information provided shall include all types of immunizations  
10 received.

11 2. The department of health and human services shall amend  
12 the medical examiner investigation form for cases for infants  
13 zero to three years of age to comply with this section.

14 EXPLANATION

15 The inclusion of this explanation does not constitute agreement with  
16 the explanation's substance by the members of the general assembly.

17 This bill requires that a medical examiner investigation  
18 form for infants zero to three years of age shall include a  
19 request for information regarding the date and type of the  
20 decedent's last immunization. If the decedent received more  
21 than one immunization at the time of the last immunization, the  
22 information provided shall include all types of immunizations  
23 received. The bill requires the department of health and human  
24 services to amend the medical examiner investigation form for  
25 infants zero to three years of age to comply with the bill.
