EXPLANATION

20 The inclusion of this explanation does not constitute agreement with
21 the explanation's substance by the members of the general assembly.

22 This bill relates to a proclamation of disaster emergency
23 and the disaster aid contingent fund.

24 The bill provides that when any emergency financial
25 assistance is provided by the federal government, and upon the
26 governor's determination that financial assistance is essential
27 to meet disaster-related necessary expenses or serious needs
28 of local and state government adversely affected by a major
29 disaster or emergency that cannot be otherwise adequately met
30 from other means of assistance, the governor may accept a grant
31 by the federal government and may enter into an agreement with
32 the federal government pledging the state to participate in
33 the funding of the financial assistance in an amount not to
34 exceed 10 percent of the total eligible expenses, with the
35 applicant providing the balance of any participation amount.

1 If financial assistance is granted by the federal government
2 for state disaster or emergency financial assistance-related
3 expenses or serious needs, the state shall participate in the
4 funding of the financial assistance authorized in an amount not
5 to exceed 25 percent of the total eligible expenses.

6 The bill provides that when any emergency financial
7 assistance is provided by the federal government, the executive
8 council may make financial grants to meet disaster or emergency
9 funding-related necessary expenses, serious needs, or hazard
10 mitigation projects of local governments and eligible private
11 nonprofit agencies adversely affected by the major disaster or
12 emergency if those expenses or needs cannot otherwise be met
13 from other means of assistance.
