16 the explanation's substance by the members of the general assembly.

16

17 This bill eliminates county compensation boards and amends
18 the method for determining annual salary increases. The bill
19 grants county boards of supervisors the responsibility of
20 annually preparing and reviewing the compensation schedule
21 for certain elected county officers. Under current law, a
22 county compensation board annually prepares a recommended
23 compensation schedule for certain elected county officers for a
24 succeeding fiscal year subject to adoption by the county board
25 of supervisors.

26 The bill requires the county board of supervisors to
27 increase an elected county officer's annual salary based on
28 the consumer price index but not by more than 3 percent each
29 year. The bill permits the county board of supervisors to
30 increase elected county officer salaries by ordinance and
31 budgetary procedures, but the salary increase shall not go into
32 effect until the next regular election for which the affected
33 position was on the ballot. For purposes of determining salary
34 increases, the bill requires the county board of supervisors
35 to initially use the salary of a position as of the effective
