17 EXPLANATION

18 The inclusion of this explanation does not constitute agreement with  
19 the explanation's substance by the members of the general assembly.

20 This bill relates to the organization, structure, and  
21 functions of state and local governments, provides for salaries  
22 of certain state officers, makes statutory corrections,  
23 resolves inconsistencies, and removes ambiguities.

24 DIVISION I — NATURAL RESOURCES. Code section 233A.15  
25 authorizes the director of the department of health and human  
26 services (HHS) to assign certain children from the state  
27 training school to perform services for the department of  
28 natural resources (DNR) within the state parks, state game  
29 and forest areas, and other lands under the jurisdiction of  
30 DNR. The bill strikes a requirement that DNR provide permanent  
31 housing for such children.

32 DIVISION II — DEPARTMENT OF INSPECTIONS, APPEALS, AND  
33 LICENSING. The bill revises Code section 10A.309 to reflect  
34 that the workers' compensation commissioner no longer has a  
35 term of office and serves at the pleasure of the governor.

1 The bill changes a reference to "the director of the  
2 department of workforce development" to the director of  
3 inspections, appeals, and licensing to align with 2023 changes  
4 to Code section 10A.310.

5 The bill strikes the requirement in Code section 10A.504  
6 that the executive directors of the board of medicine, board  
7 of nursing, dental board, and board of pharmacy be full-time  
8 executive directors. Additionally, the bill amends Code  
9 section 147.80 to provide that while the board of medicine,  
10 board of pharmacy, dental board, and board of nursing shall  
11 retain an executive director, an individual executive director  
12 may be appointed and serve as the executive director of one  
13 or more such boards. The bill also directs the executive  
14 directors, to the extent possible, share administrative,  
15 clerical, and investigative staff.

16 The bill amends Code section 91C.4 to specify that all  
17 contractor registration fees collected under Code chapter  
18 91C shall be deposited in the licensing and regulation fund  
19 created in Code section 10A.507. The bill repeals Code section  
20 91C.9, which created the contractor registration revolving fund  
21 consisting of such fees. The bill provides for the transfer of  
22 remaining moneys in the contractor registration revolving fund.

23 The bill amends Code section 135C.9(1)(b) to remove  
24 a provision relating to the status of the director of  
25 inspections, appeals, and licensing, and specifies that certain  
26 activities of the director may be undertaken by the director's  
27 designee.

28 The bill modifies authority for the establishment by rule of  
29 specified fees collected by certain health-related professional  
30 boards under Code section 147.80, to require approval of the  
31 department of inspections, appeals, and licensing (DIAL), or  
32 to require the board to adopt such rules if directed by DIAL.  
33 The bill strikes language in Code section 147.80 providing  
34 that the fees established by each board by rule for certain  
35 functions are to be based on the costs of sustaining the board

1 and the actual costs of the service. The bill requires DIAL to  
2 annually review and, if necessary, direct the boards to adjust  
3 the schedule of fees to cover aggregate projected costs and  
4 ensure fees are not greater than similar fees in other states.  
5 Additionally, the bill requires DIAL to annually provide  
6 each board a comparison of the amount of the board's fees as  
7 compared to similar fees imposed by similar boards or agencies  
8 in other states.

9 The bill changes an incorrect Code section reference in  
10 Code section 231B.4 relating to the state plumbing code from  
11 "135.11" to "105.4" in a provision governing elder group homes.

12 The bill adds the real estate appraiser examining board,  
13 created pursuant to Code chapter 543D, to the definition of  
14 "licensing board" or "board" under Code chapter 272C.

15 DIVISION III — DEPARTMENT OF TRANSPORTATION. The bill  
16 amends Code section 321.383 by changing the rulemaking  
17 authority for safety rules relating to movement of implements  
18 of husbandry and animal-drawn vehicles on a roadway from the  
19 department of transportation (DOT) to the department of public  
20 safety.

21 Code chapter 307 governs general duties and authority of the  
22 DOT and the director of the DOT.

23 The bill amends Code section 307.12 to change the deadline  
24 by which the director must present the DOT's proposed budget  
25 to the state transportation commission from December 31 of  
26 each year to March 31 immediately preceding the applicable  
27 fiscal year. The bill also provides the director with the  
28 authority to establish divisions within the DOT as necessary  
29 or desirable in addition to any departmental division required  
30 or established by law.

31 The bill amends Code section 307.21, relating to  
32 departmental operations and finances, by specifying the DOT  
33 as the entity responsible for such activities rather than the  
34 "department's administrator responsible for the operations and  
35 finances of the department".

1 The bill amends Code section 307.22, relating to  
2 departmental planning and programming, by specifying the DOT  
3 as the entity responsible for such activities rather than the  
4 "department's administrator responsible for transportation  
5 planning and infrastructure program development". The bill  
6 also strikes Code section 307.22(2), which specified that the  
7 function of planning does not include the detailed design  
8 of highways or other modal transportation facilities, but  
9 is restricted to the needs of this state for multimodal  
10 transportation systems.

11 The bill amends Code section 307.23(1)(b) to no longer  
12 require the attorney general to provide all legal services for  
13 the DOT.

14 The bill amends Code section 307.24, relating to highway  
15 programs and activities, by specifying the DOT as the entity  
16 responsible for such activities rather than the "department's  
17 administrator responsible for highway programs and activities".

18 The bill amends Code section 307.26, relating to  
19 departmental modal programs and activities, by specifying the  
20 DOT as the entity responsible for such activities rather than  
21 the "department's administrator responsible for modal programs  
22 and activities".

23 The bill amends Code section 307.27, relating to  
24 departmental enforcement and regulation of motor carriers,  
25 registration of motor vehicles, and licensing of drivers,  
26 by specifying the DOT as the entity responsible for such  
27 activities rather than the "department's administrator  
28 responsible for enforcement and regulation of motor carriers,  
29 registration of motor vehicles, and licensing of drivers".

30 The bill also amends Code sections 307.47, 307.48, 327D.192,  
31 and 327F.39 to eliminate references to specific administrator  
32 titles within DOT.

33 DIVISION IV — DEPARTMENT OF EDUCATION. The bill modifies  
34 provisions within Code section 259.9 governing the general  
35 duties of the director of the department of education (DE).

1 The bill removes the higher education division of DE from the  
2 general exception to the duties of the director and authorizes  
3 the director to, in addition to establishing divisions of the  
4 department, assign subject matter duties to divisions of DE in  
5 a manner determined by the director. The bill also provides  
6 that beginning July 1, 2024, the director may reassign within  
7 DE the boards, commissions, bureaus, and duties specified in  
8 Code sections 256.111 (innovation division) and 256.121 (higher  
9 education division). The bill also modifies portions of Code  
10 sections 256.111 and 256.121 governing the duties of the heads  
11 of the innovation division and the higher education division.

12 Code section 256.10 provides that professional staff of DE  
13 serve at the discretion of the director. The bill strikes that  
14 provision and a provision of that Code section that prohibits  
15 professional staff from being dismissed for cause without  
16 appropriate due process procedures including a hearing. Code  
17 section 256.10 is also amended by striking several references  
18 to "professional" staff and makes such provisions apply to  
19 "salaried" staff. The bill also strikes a provision in Code  
20 section 256.9(4) that specifies that professional staff are  
21 not subject to the merit system provisions of Code chapter 8A,  
22 subchapter IV. The bill also modifies provisions governing how  
23 the salaries and benefits of full-time salaried employees who  
24 are employed for less than 12 months per year are paid.

25 The bill also authorizes the director of the department of  
26 education to employ hourly staff for less than 12 months each  
27 year, but such staff shall be employed by the director for at  
28 least nine months of each year. The bill includes provisions  
29 for how the wages and benefits of such employees are paid.

30 The bill amends Code section 256.103 to provide that Code  
31 sections 279.19A and 279.19B, relating to extracurricular  
32 contracts and coaching endorsements and authorizations, apply  
33 to employees of the Iowa educational services for the blind  
34 and visually impaired program and employees of the Iowa school  
35 for the deaf, who are licensed pursuant to Code chapter 256,

1 subchapter VII, part 3.

2 The bill also enacts new Code section 256.103A, which  
3 provides that salaried employees of the Iowa educational  
4 services for the blind and visually impaired program and  
5 employees of the Iowa school for the deaf who are employed on  
6 a school year basis for less than 12 months per year shall be  
7 exempt from the provisions of Code chapter 70A relating to  
8 vacation leave. In lieu of vacation leave, the bill provides  
9 that such employees shall accrue two personal leave days per  
10 school year and may carry over up to one unused personal day  
11 into a subsequent school year. Such employees shall not accrue  
12 more than three personal leave days at any one time and such  
13 leave shall not be paid out to the employee upon separation  
14 from employment.

15 DIVISION V — DEPARTMENT OF CORRECTIONS. The bill  
16 amends, repeals, and transfers various provisions relating  
17 to the department of corrections (DOC) and judicial district  
18 departments of correctional services.

19 The bill amends Code sections 80D.1 and 80D.11 to specify the  
20 governing body when a reserve peace officer is employed by the  
21 state of Iowa.

22 The bill amends Code section 125.93 by striking certain  
23 language relating to employees of judicial district departments  
24 of correctional services due to the movement of those entities  
25 under the DOC following enactment of 2023 Iowa Acts, chapter  
26 19.

27 The bill adds definitions of "community-based correctional  
28 program", "community-based corrections facility", "district  
29 advisory board", "district department", and "district director"  
30 to Code chapter 904 that are similar to those definitions  
31 repealed in the bill under Code chapter 905. The bill updates  
32 references to those terms in Code chapter 904 and other  
33 sections of the Code.

34 The bill adds community-based corrections facilities to the  
35 list of institutions in Code section 904.102 over which the DOC

1 is responsible for the control, treatment, and rehabilitation  
2 of offenders. The bill also amends other provisions of Code  
3 chapter 904 to reflect changes to the DOC's authority over  
4 district departments made in 2023 Iowa Acts, chapter 19.

6 DOC's responsibility for the accreditation and funding of  
7 community-based corrections programs.

9 governing the duties, authority, and compensation of  
10 superintendents of other correctional institutions under the  
11 DOC.

12 The bill strikes language from Code section 904.513 relating  
13 to the DOC's cooperation with the district departments in  
14 establishing a continuum of programming for the supervision and  
15 treatment of offenders convicted of violating Code chapter 321J  
16 who are sentenced to the custody of the director of the DOC.

17 The bill modifies Code section 904.904 by providing that  
18 the DOC shall coordinate, rather than contract with, judicial  
19 district departments of correctional services for quartering  
20 and supervision of certain inmates after working hours.

21 The bill amends several sections of Code chapter 905 to  
22 reflect terminology and definition changes in the bill and as  
23 a result of Code section transfers required in the bill. The  
24 bill also modifies the composition of district advisory boards,  
25 which advise district directors, by striking the provision  
26 governing citizen members appointed by the chief judge of the  
27 judicial district.

28 The bill repeals Code sections 905.1, 905.7, 905.8, 905.9,  
29 905.10, 905.12, 905.13, and 905.15. The bill directs the  
30 Iowa Code editor to transfer the remaining sections in Code  
31 chapter 905 to various locations in Code chapter 904 and to  
32 correct internal references in the Code as necessary. The bill  
33 corrects cross-references to various other Code sections to  
34 reflect amendments and transfers made in this division of the  
35 bill.

1 DIVISION VI — DEPARTMENT OF REVENUE. The bill modifies  
2 several provisions relating to departmental divisions within  
3 the department of revenue (DOR). Within Code chapter 99G,  
4 "department" is defined as DOR and "division" is defined as the  
5 Iowa lottery division of DOR.

6 The bill amends Code section 99G.7 by modifying provisions  
7 governing the duties of the administrator of the Iowa lottery,  
8 including striking a provision requiring the administrator  
9 to report semiannually to the general assembly regarding the  
10 operations of the division.

11 The bill amends Code section 99G.8 by designating the  
12 administrator of the Iowa lottery, rather than the chief  
13 executive officer, as the person other than the chairperson  
14 who may call a meeting of the board of directors of the Iowa  
15 lottery and strikes the word "major" from the provision  
16 prohibiting a board member from having any interest in a major  
17 procurement contract.

18 The bill amends Code section 99G.10 by striking a reference  
19 to "officer of the division" in a provision relating to  
20 background investigations of employees. The bill also amends  
21 Code section 99G.11 by striking references to "officer" within  
22 provisions relating to conflicts of interest.

23 The bill amends Code section 99G.12 to designate DOR,  
24 instead of the former Iowa lottery authority, as having power  
25 to operate self-service kiosks to dispense authorized lottery  
26 tickets or products. The bill makes a similar change to Code  
27 section 99G.21 from "authority" to "department".

28 The bill amends Code section 99G.22(1) by changing  
29 "administrator" to "department" in a provision specifying the  
30 duty to consult with the division of criminal investigation on  
31 certain matters involving major procurement contracts.

32 The bill amends Code section 99G.23 by changing "division"  
33 to "department" in several provisions governing procurement  
34 and vendor requirements and by specifying that certain vendor  
35 performance bond requirements only apply to major procurements.

2 to selection of lottery retailers by replacing "officer of the  
3 division" with "employee of the division" that has specified  
4 job duties.

5 The bill amends portions of Code section 99G.27 relating  
6 to cancellation, suspension, revocation, or termination of  
7 a lottery retail license by striking certain references to  
8 "division" and inserting "department".

10 of proceeds from the sale of lottery tickets or shares by  
11 striking references to "division" and inserting "department".

12 The bill amends Code section 99G.30A to eliminate  
13 superfluous language.

14 The bill amends Code section 99G.31 to change a reference  
15 from "division" to "department" in a provision governing the  
16 award of prizes and strikes a reference to an "officer" of the  
17 department.

18 The bill amends Code section 99G.34 by striking the term  
19 "officers" and inserting the term "staff" in a provision  
20 relating to security records pertaining to investigations and  
21 intelligence-sharing information between lottery security  
22 and other lotteries and law enforcement agencies. The bill  
23 also amends Code section 99G.35 relating to lottery security  
24 by striking references to "chief security officer and  
25 investigators" and inserting "lottery security staff".

26 Code section 421.2 authorizes the director of revenue to  
27 establish, abolish, and consolidate divisions within DOR  
28 when necessary for the efficient performance of the various  
29 functions and duties of DOR. The Iowa lottery division is  
30 established by Code chapter 99G. The bill establishes an  
31 exception for the Iowa lottery division within the director  
32 of revenue's general authority to establish, abolish, and  
33 consolidate divisions within DOR.

34 The bill amends Code section 421.9 relating to who may sign  
35 an order, subpoena, warrant, or other document issued by DOR

1 by striking "deputy" and including a "department employee  
2 designated by the director".

3 DIVISION VII — WORKFORCE DEVELOPMENT. The bill adds  
4 the supplemental nutrition assistance program employment  
5 and training program, administered jointly with HHS, to the  
6 list of programs administered by the department of workforce  
7 development (IWD) under Code section 84A.5(5).

8 Code section 84A.19 requires IWD and community colleges to  
9 jointly implement adult education and literacy programs. The  
10 bill removes the community colleges from the implementation  
11 requirement. However, IWD must still consult with community  
12 colleges when prescribing standards and adopting rules to  
13 administer the program.

14 DIVISION VIII — DEPARTMENT OF PUBLIC SAFETY. The bill  
15 strikes the requirement in Code section 80E.1(2)(b) that the  
16 director of the office of drug control policy submit an annual  
17 report to the governor and general assembly by November 1  
18 of each year concerning the activities and programs of the  
19 director and other departments related to drug enforcement,  
20 substance use disorder treatment programs, and substance use  
21 disorder prevention and education programs.

22 The bill strikes Code subunit references in Code section  
23 100.41 and replaces them with references to Code chapter 10A,  
24 subchapter V, part 2, where the applicable portions of law were  
25 transferred to as the result of 2023 Iowa Acts, chapter 19.

29 on or before January 31 of each year, submit to the authority  
30 board and the general assembly a report that describes the  
31 activities of IEDA during the preceding fiscal year. The  
32 bill provides that the director may include in the report any  
33 other annual report relating to a program or activity required  
34 to be prepared by IEDA, the director, or the IEDA board, and  
35 submitted to the general assembly.

2 authority (IFA) to, on or before January 15 of each year,  
3 submit to the governor and the general assembly an annual  
4 report. The bill provides that the director may include in  
5 the report any other annual report relating to a program or  
6 activity required to be prepared by IFA, the director, or the  
7 IFA board, and submitted to the general assembly.

8 The bill makes corresponding changes to other provisions of  
9 law requiring certain reports under Code chapters governing  
10 IEDA and IFA to allow for the inclusion of such reports  
11 in an annual report under Code section 15.107B or 16.7, as  
12 applicable.

13 DIVISION X — ECONOMIC DEVELOPMENT AUTHORITY AND IOWA  
14 FINANCE AUTHORITY — PROGRAMS. The bill strikes several  
15 provisions of Code chapter 15 that require IEDA to establish  
16 and administer certain internship programs for Iowa students.  
17 The bill instead establishes similar Iowa student internship  
18 program requirements under IWD, including establishment of an  
19 Iowa student internship program fund.

20 The bill specifies that any internship or financial  
21 assistance awarded under a program administered by IEDA  
22 under Code section 15.411 prior to the bill is valid and  
23 shall continue as provided in the terms of the internship or  
24 financial assistance under Code section 84A.20, as enacted in  
25 the bill.

26 DIVISION XI — DEPARTMENT OF HEALTH AND HUMAN SERVICES.  
27 The bill amends various provisions relating to the duties and  
28 authority of HHS and the council on health and human services.

31 for a license and all cases involving the renewal, denial,  
32 suspension, or revocation of a license.

33 The bill amends various provisions of Code chapter 125 by  
34 changing the responsibility for certain duties relating to  
35 licensing of substance use disorder programs from the council

1 to HHS.

3 the confidentiality of records for purposes of administering a  
4 program of services, to also include evaluation of a program of  
5 services. The bill also amends Code section 217.30 to specify  
6 persons and officials to whom certain confidential information  
7 may be disclosed.

15 support obligor by allowing the written request to be submitted  
16 to child support services.

17 DIVISION XII — STATE SALARIES — APPOINTED STATE OFFICERS.

18 The bill establishes and codifies salary ranges for certain  
19 appointed state officers for fiscal years beginning on or  
20 after July 1, 2024. The bill provides that the governor shall  
21 establish a salary for nonelected persons appointed by the  
22 governor within the executive branch of state government. In  
23 establishing a salary for a person holding certain positions  
24 enumerated in the bill within the range provided, the governor  
25 may consider, among other items, the experience of the person  
26 in the position, changes in the duties of the position, the

13 officers are effective for the fiscal year beginning July 1,  
14 2024, effective for the pay period beginning June 21, 2024,  
15 and for subsequent fiscal years. The governor or other person  
16 designated in the bill shall determine the salary to be paid  
17 to the person indicated at a rate within the applicable salary  
18 range from moneys appropriated by the general assembly for that  
19 purpose.

20 The division takes effect June 21, 2024.

31 except for the state board of regents, a state agency which  
32 owns, manages, or administers a historical site must enter into  
33 an agreement with DAS under Code chapter 28E to ensure the  
34 proper management, maintenance, and development of the site.

35 The bill requires DAS to consult with the state historic

1 preservation officer when developing standards and criteria  
2 for the acquisition of historic properties and for the  
3 preservation, restoration, maintenance, operation, and  
4 interpretation of properties under the jurisdiction of the  
5 department under Code section 8A.702(4).

6 The bill adds developing standards and criteria for the  
7 preservation, restoration, and maintenance of historical sites  
8 to the list of historic preservation activities undertaken by  
9 the state historic preservation officer under Code section  
10 15.121(2).

11 The bill also amends Code section 15.121 by requiring that  
12 before modifying a historical site in a manner that could  
13 impact a site's listing on, or eligibility for, the national  
14 register of historic places, a state agency which owns,  
15 manages, or administers the historical site must consult with  
16 the state historic preservation officer to ensure the proper  
17 management, maintenance, and development of the site. The  
18 bill also authorizes the state agency and the state historic  
19 preservation officer to enter into an agreement relating to the  
20 proper management, maintenance, and development of the site.

22 historic preservation officer, adopt rules to implement this  
23 new provision.

28 Iowa statistical analysis center, an Iowa correctional policy  
29 project, and a multiagency information system for juvenile and  
30 adult court records.

31 The bill makes conforming changes and provides Code editor  
32 directives.
