4 EXPLANATION

5 The inclusion of this explanation does not constitute agreement with
6 the explanation's substance by the members of the general assembly.

7 This bill relates to the powers, duties, and
8 responsibilities of state government entities associated with
9 the budget, financial control, and information technology.

10 For purposes of Code chapter 8 (budget and financial
11 control), the bill defines "custodial funds", "general fund",
12 "government funds", "private purpose trust funds", and "special
13 revenue fund". The term "repayment receipts" is redefined as
14 "appropriated receipts" and the term is changed throughout the
15 Code.

16 The bill defines "capital project" for purposes of Code
17 section 8.3A (capital project planning and budgeting). The
18 term is also used in Code sections 8.5 and 8.22 for budgeting
19 purposes.

20 The bill authorizes the director of the department of
21 management (DOM) to establish, abolish, and consolidate
22 divisions within DOM. The bill strikes a provision requiring
23 the DOM director to post a \$25,000 surety bond. Under current
24 law (Code section 8A.321(12)), the department of administrative
25 services (DAS) purchases a blanket surety bond for state
26 officers.

27 The bill consolidates Code sections 8.5 and 8.6, which
28 relate to general and specific duties of the DOM director.
29 Duties relating to the reporting of standing appropriations are
30 moved to Code section 8.22. Duties relating to the preparation
31 of local budget reports are moved to new Code section 8.48.
32 The bill adds duties relating to information technology as
33 part of the bill's integration of Code chapter 8B (information
34 technology) into Code chapter 8, including preparing
35 legislative proposals, designating a chief information officer,

1 providing advice to the governor, consulting, and addressing
2 cybersecurity.

3 The bill eliminates the special olympics fund and instead
4 provides a standing appropriation to DOM for such purposes.

5 The bill revises the functions and duties of the office of
6 grants enterprise management within DOM.

7 The bill moves and alters provisions relating to
8 supplemental appropriations estimates from Code section 8.28 to
9 Code section 8.22.

10 The repeal dates for Code sections 8.57G (Iowa coronavirus
11 fiscal recovery fund) and 8.57H (Iowa coronavirus capital
12 projects fund) are extended from July 1, 2025, to July 1,
13 2027. The Iowa skilled worker and job creation fund is moved
14 to Code chapter 8, subchapter V (special purpose funds), and
15 the sports wagering receipts fund is moved from Code section
16 8.57 to new Code section 8.57I. The bill eliminates a standing
17 appropriation from the general fund of the state to the
18 technology reinvestment fund (Code section 8.57C).

19 The bill revises the provisions establishing the office of
20 lean enterprise and change management within DOM.

21 In 2022, the general assembly converted the office of the
22 chief information officer (OCIO) from an independent agency to
23 an entity within DOM. Generally, the bill eliminates the OCIO
24 and updates and moves relevant provisions from Code chapter 8B
25 into Code chapter 8. The bill replaces the term "participating
26 agency" for purposes of information technology with the term
27 "supported entity".

28 The bill authorizes the chief information officer and DOM to
29 adopt various information technology policies and procedures
30 and provide continuous monitoring through a cybersecurity
31 operations center. The bill designates DOM as the sole
32 authority in state government for providing and procuring
33 information technology goods and services and for establishing
34 associated master agreements. The bill authorizes DOM to
35 establish and collect fees associated with purchases made from

1 DOM information technology agreements, to be retained by DOM
2 for administration.

3 Under the bill, employees of DOM are no longer subject to a
4 24-month limitation on employee interchange among governmental
5 entities.

6 The bill eliminates an existing exception providing that
7 the Iowa public employees' retirement system (IPERS) is not
8 a supported entity for purposes of information technology,
9 thereby subjecting IPERS to DOM's powers and responsibilities
10 relating to information technology under the bill.

11 The bill eliminates the salary adjustment fund, references
12 to the GAAP (generally accepted accounting principles) deficit,
13 and provisions relating to the preparation of a tentative
14 budget. The bill repeals provisions freezing appropriations
15 under Code sections 53.50 (expenses for absentee voting),
16 229.35 (expenses for state mental health and disability
17 services commission), 230.8 (expenses for transfers of persons
18 with mental illness), 230.11 (expenses for custody, care, and
19 investigation of persons with mental illness), and 663.44
20 (reimbursement for costs of habeas corpus proceedings). The
21 bill also repeals provisions limiting the use of moneys
22 collected under 1993 law along with provisions requiring the
23 tracking and reporting of those moneys.

24 The bill transfers Code section 8.7 (reporting of gifts and
25 bequests received) to Code chapter 68B (government ethics and
26 lobbying). By operation of law, the bill applies the penalties
27 in Code section 68B.34 to Code section 8.7. A person who
28 knowingly and intentionally violates Code section 8.7 is guilty
29 of a serious misdemeanor and may be reprimanded, suspended, or
30 dismissed from the person's position or otherwise sanctioned.
31 A serious misdemeanor is punishable by confinement for no more
32 than one year and a fine of at least \$430 but not more than
33 \$2,560.

34 The bill repeals provisions relating to the establishment
35 of OCIO, OCIO's duties, prohibited pecuniary interests of the

S.F. 2409

1 chief information officer, and certain required reporting by
2 OCIO.
