6 This division directs the Code editor to move Code section  
7 89A.25, which is the short title for Code chapter 89A, relating  
8 to elevators, to become Code section 89A.1A. Short titles  
9 are placed at or near the beginning of Code chapters under  
10 current Code style and the transfer avoids the need for the  
11 use of alpha designations if new Code sections are enacted at  
12 the end of the Code chapter but before the current short title  
13 placement.

14 DIVISION III:

15 This division contains effective date and retroactive
