26 only that the application, on its face, appears to include
27 all of the items, including the criminal background check
28 response from the federal bureau of investigation, and address
29 all of the matters that are required. A determination by
30 the superintendent that an application is complete is not
31 an assessment of the substance of the application or of the
32 sufficiency of the information provided.

33 3. When an application is filed and considered complete
34 under this section, the superintendent shall investigate the
35 applicant's financial condition and responsibility, financial

1 and business experience, character, and general fitness. The

20 state is a lead investigative state, the superintendent is
21 authorized and encouraged to investigate the applicant pursuant
22 to subsection 3, and the time frames established by agreement

14 license term and shall expire on December 31 of the year the
15 renewal term begins.

16 2. A licensee shall submit a renewal report with the
17 renewal fee, in a form prescribed by the superintendent. The
18 renewal report shall state or contain a description of each
19 material change in information submitted by the licensee in its
20 original license application which has not been reported to the
21 superintendent.

22 3. The superintendent for good cause may grant an extension
23 of the renewal date.

24 4. The superintendent is authorized and encouraged
25 to utilize NMLS to process renewals provided that such
26 functionality is consistent with this section.

27 5. If a licensee does not file a renewal report or pay its
28 renewal fee by December 1, or any extension of time granted by

7 requirements of sections 533C.801, 533C.802, and 533C.803.

8 Sec. 17. Section 533C.401, Code 2023, is amended by striking
9 the section and inserting in lieu thereof the following:

10 **533C.401 Acquisition of control.**

11 1. Any person, or group of persons acting in concert,
12 seeking to acquire control of a licensee shall obtain the
13 written approval of the superintendent prior to acquiring
14 control. An individual is not deemed to acquire control
15 of a licensee and is not subject to acquisition of control
16 provisions when that individual becomes a key individual in the
17 ordinary course of business.

18 2. A person is presumed to exercise a controlling
19 influence when the person holds the power to vote, directly
20 or indirectly, at least ten percent of the outstanding voting
21 shares or voting interests of a licensee or person in control
22 of a licensee. A person presumed to exercise a controlling
23 influence can rebut the presumption of control if the person
24 is a passive investor.

25 3. For purposes of determining the percentage of a
26 person controlled by any other person, the person's interest
27 shall be aggregated with the interest of any other immediate
28 family member, including the person's spouse, parents,
29 children, siblings, mother-in-law, father-in-law, son-in-law,
30 daughter-in-law, brother-in-law, sister-in-law, and any other

2 5. Upon request, the superintendent may permit a licensee or
3 the person, or group of persons acting in concert, to submit
4 some or all information required by the superintendent pursuant
5 to subsection 4 without using NMLS.

6 6. The application required by subsection 4 shall include
7 information required by section 533C.304 for a licensee,
8 including for any new key individuals that have not previously
9 completed the requirements.

10 7. When an application for acquisition of control under this
11 section appears to include all the items and address all of the
12 matters that are required, the application shall be considered
13 complete and the superintendent shall promptly notify the
14 applicant in a record of the date on which the application was
15 determined to be complete. The application is approved and the
16 person, or group of persons acting in concert, are permitted to
17 acquire control sixty-one days after application completion,
18 unless denied or approved earlier by the superintendent. The
19 superintendent may for good cause extend the application
20 period.

21 8. A determination by the superintendent that an
22 application is complete and is accepted for processing means
23 only that the application, on its face, appears to include all
24 of the items and address all of the matters that are required,
25 and is not an assessment of the substance of the application or
26 of the sufficiency of the information provided.

27 9. When an application is filed and considered complete
28 under subsection 7, the superintendent shall investigate the
29 financial condition and responsibility, financial and business
30 experience, character, and general fitness of the person, or
31 group of persons acting in concert, seeking to acquire control.
32 The superintendent shall approve an acquisition of control
33 pursuant to this section if the superintendent finds that all
34 of the following conditions have been fulfilled:

35 a. The requirements of subsections 4 and 6 have been met,

1 as applicable.

2 *b.* The financial condition and responsibility, financial and
3 business experience, competence, character, and general fitness
4 of the person, or group of persons acting in concert, seeking
5 to acquire control, and of the key individuals and persons that
6 would be in control of the licensee indicate that it is in the
7 interest of the public to permit the applicant to control the
8 licensee.

9 10. If an applicant avails itself or is otherwise subject
10 to a multistate licensing process, the superintendent is
11 authorized and encouraged to accept the investigation results
12 of a lead investigative state for the purpose of subsection
13 9 if the lead investigative state has sufficient staffing,
14 expertise, and minimum standards. If this state is a lead
15 investigative state, the superintendent is authorized and
16 encouraged to investigate the applicant pursuant to subsection
17 9 and the time frames established by agreement through the
18 multistate licensing process.

19 11. The superintendent shall issue a formal written
20 notice of the denial of an application to acquire control
21 within thirty days of the decision to deny the application.
22 The superintendent shall set forth in the notice of denial

3 jurisdiction or by operation of law.

4 *d.* A person that is exempt under section 533C.103,
5 subsection 4.

6 *e.* A person that the superintendent determines is not
7 subject to subsection 1 based on the public interest.

8 *f.* A public offering of securities of a licensee or a person
9 in control of a licensee.

10 *g.* An internal reorganization of a person in control of the
11 licensee where the ultimate person in control of the licensee
12 remains the same.

13 13. Persons specified in subsection 12, paragraphs "*b*",
14 "*c*", "*d*", "*f*", and "*g*", in cooperation with the licensee,
15 shall notify the superintendent within fifteen days after the
16 acquisition of control.

17 14. The requirements of subsections 1 and 4 shall not
18 apply to a person that has complied with and received approval
19 to engage in money transmission under this chapter or was
20 identified as a person in control in a prior application filed
21 with and approved by the superintendent or by an MSB accredited
22 state pursuant to a multistate licensing process, provided all
23 of the following apply:

32 *d.* The licensee to be acquired is projected to meet the
33 requirements of sections 533C.801, 533C.802, and 533C.803 after
34 the acquisition of control is completed.

35 *e.* If the person acquiring control is a licensee, that

1 licensee is projected to meet the requirements of sections
2 533C.801, 533C.802, and 533C.803 after the acquisition of
3 control is completed.

4 *f.* The licensee to be acquired will not implement any

10 *h.* The person provides notice of the acquisition in

12 this subsection in a form and in a medium prescribed by the
13 superintendent. If the notice is not disapproved within thirty
14 days after the date on which the notice was determined to be
15 complete, the notice is deemed approved.

16 15. Before filing an application for approval to acquire
17 control of a licensee, a person may request in writing a
18 determination from the superintendent as to whether the person
19 would be considered a person in control of a licensee upon
20 consummation of a proposed transaction. If the superintendent

26 itself or is otherwise subject to the multistate licensing
27 process, the superintendent is authorized and encouraged to
28 accept the control determination of a lead investigative state
29 with sufficient staffing, expertise, and minimum standards
30 for the purpose of subsection 15. If this state is a lead
31 investigative state, the superintendent is authorized and
32 encouraged to investigate the applicant pursuant to subsection
33 15 and the time frames established by agreement through the
34 multistate licensing process.

35 Sec. 18. Section 533C.402, Code 2023, is amended by striking

7 individual's appointment and provide information as required by
8 section 533C.304 within forty-five days of the effective date.

9 2. A key individual is considered approved ninety-one
10 days after notice is provided pursuant to this section,
11 unless denied or approved earlier by the superintendent.
12 The superintendent may issue a notice of disapproval of a
13 key individual if the competence, experience, character, or
14 integrity of the individual would not be in the best interests
15 of the public or the customers of the licensee to permit
16 the individual to be a key individual of such licensee. A
17 notice of disapproval shall contain a statement of the basis
18 for disapproval and shall be sent to the licensee and the
19 disapproved individual. A licensee may appeal a notice of
20 disapproval within thirty days after receipt of the written
21 notice of such disapproval.

22 3. If a multistate licensing process includes a key
23 individual notice review and disapproval process pursuant to
24 this section and the licensee avails itself or is otherwise
25 subject to the multistate licensing process, the superintendent
26 is authorized and encouraged to accept the determination
27 of another state if the investigating state has sufficient
28 staffing, expertise, and minimum standards for the purpose of
29 this section. If this state is a lead investigative state,
30 the superintendent is authorized and encouraged to investigate
31 the applicant pursuant to subsection 2 and the time frames
32 established by agreement through the multistate licensing
33 process.

34 Sec. 19. Section 533C.501, Code 2023, is amended by striking

17 2. An authorized delegate shall operate in full compliance
18 with this chapter.

19 3. The written contract required by subsection 1, shall be

24 surrender, or expiration of a license, applicable authorized
25 delegates shall immediately cease to provide money transmission
26 as an authorized delegate of the licensee.

27 5. An authorized delegate of a licensee holds in trust for

32 commingled funds and other property shall be considered held in
33 trust in favor of the licensee in an amount equal to the amount
34 of money net of fees received from money transmission.

35 6. An authorized delegate may not use a subdelegate to

1 conduct money transmission on behalf of a licensee.

3 the section and inserting in lieu thereof the following:

4 **533C.502 Unauthorized activities.**

5 A person shall not engage in the business of money

33 of execution, or sequestration by order of any court, except
34 for a beneficiary of this statutory trust.

35 4. Upon the establishment of a statutory trust in accordance

1 with subsection 3, or when any funds are drawn on a letter of
2 credit pursuant to section 533C.804, subsection 1, paragraph
3 "m", the superintendent shall notify the applicable regulator
4 of each state in which the licensee is licensed to engage in
5 money transmission, if any, of the establishment of the trust
6 or the funds drawn on the letter of credit, as applicable.
7 Notice shall be deemed satisfied if performed pursuant to
8 a multistate agreement or through NMLS. Funds drawn on a
9 letter of credit, and any other permissible investments held
10 in trust for the benefit of the purchasers and holders of the
11 licensee's outstanding money transmission obligations, are
12 deemed held in trust for the benefit of such purchasers and
13 holders on a pro rata and equitable basis in accordance with
14 statutes pursuant to which permissible investments are required
15 to be held in this state, and other states, as applicable.
16 Any statutory trust established hereunder shall be terminated
17 upon extinguishment of all of the licensee's outstanding money
18 transmission obligations.

19 5. The superintendent by rule or by order may allow other
20 types of investments that the superintendent determines
21 are of sufficient liquidity and quality to be a permissible
22 investment. The superintendent is authorized to participate
23 in efforts with other state regulators to determine that other
24 types of investments are of sufficient liquidity and quality
25 to be a permissible investment.

28 days of presentation of the items required by this section.
- 29 (1) The letter of credit shall conform to the following:
- 30 (a) Be issued by a federally insured depository financial
31 institution, a foreign bank that is authorized under federal
32 law to maintain a federal agency or federal branch office
33 in a state or states, or a foreign bank that is authorized

16 or registered mail or courier mail or other receipted means,
17 at least sixty days prior to any expiration date, that the

22 superintendent, fifteen days prior to expiration, that the
23 licensee maintains and will maintain permissible investments
24 in accordance with section 533C.803, subsection 1, upon the

27 credit in an amount up to the amount necessary to meet the
28 licensee's requirements to maintain permissible investments
29 in accordance with section 533C.803, subsection 1. Any
30 such draw shall be offset against the licensee's outstanding
31 money transmission obligations. The drawn funds shall be
32 held in trust by the superintendent or the superintendent's
33 designated agent, to the extent authorized by law, as agent for
34 the benefit of the purchasers and holders of the licensee's
35 outstanding money transmission obligations.

1 (2) The letter of credit shall provide that the issuer of

21 of the licensee.

22 (iv) The beneficiary has received notice of expiration on
23 nonextension of a letter of credit and the licensee failed to
24 demonstrate to the satisfaction of the beneficiary that the
25 licensee will maintain permissible investments in accordance
26 with section 533C.803, subsection 1, upon the expiration or
27 nonextension of the letter of credit.

28 (3) The superintendent may designate an agent to serve
29 on the superintendent's behalf as beneficiary to a letter
30 of credit so long as the agent and letter of credit meet
31 requirements established by the superintendent. The
32 superintendent's agent may serve as agent for multiple
33 licensing authorities for a single irrevocable letter of credit
34 if the proceeds of the drawable amount for the purposes of this
35 section are assigned to the superintendent.

1 (4) The superintendent is authorized and encouraged to
2 participate in multistate processes designed to facilitate the
3 issuance and administration of letters of credit, including
4 but not limited to services provided by the NMLS and state
5 regulatory registry, LLC.

7 order to exceed the limit as set forth herein, the following

13 the aggregate value of the licensee's total permissible
14 investments.

15 b. Of the receivables permissible under subsection 1,
16 receivables that are payable to a licensee from a single
17 authorized delegate in the ordinary course of business may not
18 exceed ten percent of the aggregate value of the licensee's
19 total permissible investments.

20 c. The following investments are permissible up to twenty
21 percent per category and combined up to fifty percent of
22 the aggregate value of the licensee's total permissible

2 EXPLANATION

3 The inclusion of this explanation does not constitute agreement with
4 the explanation's substance by the members of the general assembly.

5 This bill relates to bank transmission services. The
6 bill includes updates to the licensing processes for money
7 transmission services seeking to do business in the state, and
8 encourages the superintendent of banking to collaborate with
9 multistate licensing processes. The bill allows for uniform
10 requirements for licensing across states to ensure multi-state
11 compliance for a money transmission services business.

12 The bill modifies the name of the "Uniform Money Services
13 Act" to the "Uniform Money Transmission Modernization Act".

14 The bill defines the terms "acting in concert", "average
15 daily money transmission liability", "Bank Secrecy Act",
16 "closed loop stored value", "eligible rating", "eligible rating
17 service", "federally insured depository financial institution",
18 "in this state", "individual", "key individual", "material
19 litigation", "MSB accredited state", "nationwide multistate
20 licensing system" (NMLS), "outstanding money transmission
21 obligations", "passive investor", "payroll processing
22 services", "receipt", "receiving money for transmission",
23 "remit", and "tangible net worth".

24 The bill modifies the definitions for "control", "money",
25 "money transmission", "payment instrument", "person", and
26 "stored-value". The bill deletes various definitions.

27 The bill provides that the superintendent may require a
28 person to provide documentation demonstrating their exemption
29 from licensing requirements. Under the bill, exemptions
30 are expanded to include additional activities and entities,
31 including certain persons that act as intermediaries by
32 processing payments, a person appointed as an agent of the
33 payee to collect and process payments from a payor to the
34 payee provided certain requirements, an individual employed
35 and supervised by an exempted entity, a third-party service

1 provider or agent under certain conditions, and a person exempt
2 by regulation.

3 The bill authorizes a superintendent to enter into
4 agreements or relationships with other regulatory entities to
5 improve efficiencies, utilize software or other processes for
6 investigation purposes, accept reports from other government
7 entities, and accept audit reports. The superintendent has the
8 authority to enforce the bill and promulgate related rules.

9 The bill requires that certain financial,
10 identification-related, investigation-related, and other
11 relevant information remain confidential. Exceptions include
12 sharing information for the public interest, where the
13 superintendent may disclose otherwise confidential information.
14 The release of nonconfidential information shall include
15 specific limited identifying information.

16 The bill allows for the superintendent to supervise
17 and conduct examinations or investigations regarding the
18 acquisition of a license for conducting money transmission
19 services. A licensee or authorized delegate shall provide
20 the superintendent with relevant documents regarding that
21 examination or investigation.

22 The bill provides that the superintendent shall coordinate
23 and effectively participate in relevant multistate networks.

24 The bill designates federal law to preempt state money
25 transmission law where there are inconsistencies between the
26 two.

27 The bill prohibits a person from engaging in the business
28 of money transmission or advertising, soliciting, or holding
29 itself out as providing money transmission unless they are
30 licensed under the provisions of the bill, an authorized
31 delegate, or fall under an exception.

32 The bill encourages consistent state licensing and
33 utilization of NMLS. The superintendent is authorized and
34 encouraged to implement licensing provisions in a manner
35 that is consistent with other states or multistate licensing

1 process, and participate in national licensing cooperation
2 protocols. The superintendent is authorized and encouraged
3 to build relationships or contracts with NMLS to help the
4 superintendent maintain records, coordinate multistate efforts,
5 process fees, and facilitate communication. The superintendent
6 should use NMLS forms where available, and where unavailable,
7 create forms that facilitate uniformity. The superintendent
8 may waive or modify requirements to participate in the NMLS.

9 The bill provides for an application for a license.
10 The superintendent shall create an application form. An
11 application for a license shall contain specified information,
12 including criminal convictions, a description of previous money
13 transmission services, a list of proposed authorized delegates
14 and locations for money transmission, other states in which the
15 applicant is currently engaging in money transmission, as well
16 as disciplinary actions, and bankruptcy disclosure. If the
17 applicant is a corporation, LLC, partnership, or other legal
18 entity, additional information is required to be included on
19 the application, including audits, dates of incorporations,
20 parent and subsidiary companies, and trading information. An
21 applicant shall be charged an application fee of \$1,000 which
22 shall be refunded upon rejection of an application. The bill
23 establishes a license fee in the amount of \$500 plus \$10 per
24 location in Iowa in which business is conducted, or set by
25 the superintendent if there is no location, but not to exceed
26 \$5,000. No refund of a license fee shall be made upon a license
27 suspension, revocation, or surrender.

28 The bill provides that any individual in control of a
29 licensee, applicant, or individual seeking to acquire control
30 of a licensee, and each key individual shall provide the
31 superintendent with information, including fingerprints, a
32 credit report, and relevant litigation. The bill allows for
33 different information based on an applicant's residence.

34 The bill provides for the issuance of licenses. An applicant
35 must comply with provisions of the bill to be approved for a

1 license. The superintendent may extend a 120-day period of
2 application review for good cause. The superintendent can
3 rely on other multistate license procedures for application
4 purposes. The superintendent shall provide written notice of
5 denial of an application and include specific reasons for the
6 denial.

7 The bill allows a license to be renewed annually. The cost
8 of the renewal fee shall correspond to the initial licensure
9 fee. No refund of a license fee shall be made upon a license
10 suspension, revocation, or surrender. A renewal report
11 created by the superintendent shall be filed annually with
12 the licensee's renewal fee. If the licensee does not file
13 a renewal report by the set deadline, the superintendent may
14 charge a \$100 per day late fee.

15 The bill provides for acquisition of control of a licensee.
16 Individuals seeking to acquire control of a licensee shall
17 obtain written approval of the superintendent prior to
18 acquisition and complete an application in a form created
19 by the superintendent. A person is presumed to exercise a
20 controlling influence when the person holds the power to vote,
21 directly or indirectly, at least 10 percent of the outstanding
22 voting shares or voting interests of a licensee or person in
23 control of a licensee. Individuals seeking acquisition shall
24 submit a \$1,000 fee with an application for acquisition. The
25 superintendent shall approve or deny the application. The
26 superintendent can rely on other multistate license procedures
27 for application purposes. The superintendent shall provide
28 written notice of denial of an application and include specific
29 reasons for the denial. A person may request a determination
30 from the superintendent regarding control prior to filing an
31 application.

32 The bill requires notice regarding a change of key
33 individuals. The superintendent may issue a notice of
34 disapproval within 90 days of receiving the notice of
35 the change and shall contain a statement on the basis of

1 disapproval.

2 The bill requires a licensee to conduct a background check,
3 provide written policies, and comply with requirements of the
4 bill before an authorized delegate can act on the licensee's
5 behalf. An authorized delegate shall act in full compliance
6 with the bill's provisions. An authorized delegate and
7 licensee shall sign a written contract containing provisions
8 related to the scope of the relationship and requirements
9 of each party. If the licensee's license is suspended,
10 revoked, surrendered, or expired, the licensee shall provide
11 documentation to the superintendent within five business days
12 that the licensee has notified all applicable authorized
13 delegates, and delegates shall immediately cease to provide
14 money transmission as an authorized delegate of the licensee.

15 The bill prohibits a person from engaging in money
16 transmission on behalf of an unlicensed person.

17 The bill requires a quarterly report by a licensee within
18 45 days of the close of a quarter. The report shall include
19 financial information, state and national transaction
20 information, permissible investment information, and additional
21 information. The bill requires an annual audited financial
22 statement from a licensee within 90 days of the end of each
23 fiscal year. A licensee shall be required to file a quarterly
24 report of authorized delegates within 45 days of the close of
25 a quarter.

26 The bill requires a licensee to file a report and submit a
27 payment of \$1,000 within one business day regarding bankruptcy,
28 receivership, dissolution, reorganization, revocation, or
29 suspension events. A licensee is required to file a report
30 within three business days in events regarding a felony charge
31 or conviction of the licensee, a key individual or person in
32 control of the licensee, or an authorized delegate.

33 The bill requires licensees and authorized delegates to
34 comply with federal record keeping and reporting requirements,
35 including pursuant to the federal Bank Secrecy Act, 31 U.S.C.

1 §5311.

2 The bill requires licensees to maintain records, inside
3 or outside of the state, for compliance determination. This
4 includes ledgers, bank statements, records of obligations,
5 lists of names, and information the superintendent requires.

6 The bill includes prohibitions on disclosure and
7 disclosure allowances. A superintendent's records relating
8 to examinations, supervision, or regulation of a licensed
9 individual or authorized delegate are not considered public
10 records and are not subject to disclosure. The bill provides
11 for exceptions to when information may be disclosed to certain
12 parties.

13 The bill requires that a licensee transmit money in a timely
14 manner unless there is a valid reason to abstain.

15 The bill requires a licensee to refund the sender within 10
16 days of receipt of a written request for a refund, unless an
17 exception occurs, including belief that a crime or violation
18 of law, rule, or regulation has occurred, is occurring, or may
19 occur.

20 The bill requires every licensee or authorized delegate to
21 provide a sender a receipt for money received for transmission.
22 The receipt shall be communicated in English or the language
23 principally used by the licensee or authorized delegate. The
24 receipt shall contain applicable information, including the
25 name of sender, name of the recipient, the date, and the
26 amount.

27 The bill provides that a licensee providing payroll
28 processing services shall issue reports to clients with details
29 of client payroll obligations and make pay stubs available to
30 workers. Certain licensees providing these services are exempt
31 where the client designated the intended recipients to the
32 licensee.

33 The bill requires a licensee to maintain a tangible amount
34 of net worth at all times. The amount shall be the greater
35 of \$100,000 or 3 percent of total assets for the first \$100

1 million, 2 percent of additional assets for \$100 million to
2 \$1 billion, and .5 percent of additional assets for over \$1
3 billion. Net worth may be demonstrated by the applicant's
4 most recent audit or unaudited financial statements. The
5 superintendent may exempt any applicant or licensee for good
6 cause.

7 The bill requires an applicant for a money transmission
8 license to maintain a surety bond of 100 percent of the
9 licensee's average daily money transmission liability for a
10 three-month period, or \$100,000, whichever is greater, with a
11 maximum amount of \$500,000. A licensee may exceed the maximum
12 amount.

13 The bill requires that a licensee maintain permissible
14 investments of not less than the total amount of all of its
15 outstanding money transmission obligations. Permissible
16 investments shall be held in a trust for the benefit of the
17 purchaser and holder of the licensee's outstanding money
18 transmission obligation in case of certain financial events.
19 Funds drawn on a letter of credit shall cause a superintendent
20 to notify applicable regulators under specific circumstances.
21 The superintendent may expand the types of investments deemed
22 to be permissible.

23 The bill provides a list of permissible investments by
24 a licensee that have a market value computed in accordance
25 with United States generally accepted accounting principles
26 of not less than the aggregate amount of all of a licensee's
27 outstanding money transmission obligations. The list of
28 permissible investments includes a specific letter of credit
29 for which the stated beneficiary is the superintendent subject
30 to requirements. The letter of credit shall be irrevocable,
31 unconditional, issued by a federally insured depository
32 financial institution or an authorized foreign bank, not
33 contain reference to other writings or entities, and contain
34 an issue date, expiration date, and an automatic extension
35 subject to change. Upon the expiration or lack of extension,

1 a licensee shall be required to demonstrate sufficient
2 permissible investment amounts. If the licensee cannot show
3 acceptable permissible investments, the superintendent may
4 draw on the letter of credit. The letter of credit shall
5 provide that the issuer of the letter of credit will honor the
6 letter and a written statement from the beneficiary stating
7 that certain significant financial events have occurred. The
8 superintendent may designate an agent to serve as beneficiary
9 to a letter of credit. The bill provides limits for certain
10 investments.

11 The bill repeals Code sections 533C.206, 533C.503, 533C.504,

15 two through eight of Code chapter 533C.
