7 This bill relates to matters under the purview of the credit  
8 union division of the department of commerce.

9 The bill modifies the amount of securities that a credit  
10 union may manage for the benefit of a public officer from 110  
11 percent to 100 percent of the total deposits of public funds,  
12 less the amount of deposits that are federally insured.

13 The bill provides that a public officer shall obtain  
14 security for a deposit in excess of the amount federally  
15 insured by acquiring a nontransferable letter of credit  
16 from the United States, an agency or instrumentality of the  
17 United States, a national cooperative bank, federal home loan  
18 bank, any corporate credit union whose capital level remains  
19 well-capitalized, or any other entity approved by the treasurer  
20 of the state.

21 The bill modifies language to allow a credit union director  
22 compensation subject to the bylaws of a credit union. Current  
23 law does not allow compensation to a credit union director for  
24 service.

25 The bill requires credit union boards to hold regular  
26 meetings. A credit union with an individual rating of a four  
27 or five, or a composite rating of three, four, or five under  
28 the Iowa regulatory risk rating system is required to meet  
29 monthly. A new credit union is required to meet monthly for  
30 the first five years.

31 The bill expands activity that may constitute expulsion from  
32 a credit union to include failing to participate in the affairs  
33 of the credit union, being physically abusive to a credit union  
34 member or staff, being verbally abusive to a credit union  
35 member or staff, or committing fraud, attempted fraud, or other

1 illegal conduct resulting in a conviction in relation to the  
2 credit union.

3     The bill modifies the expulsion hearing procedure. A member  
4 may request a hearing before the credit union superintendent,  
5 which shall occur 90 days after the member's request. The  
6 superintendent of credit unions may reinstate the expelled  
7 member if the credit union fails to prove the member was  
8 noncompliant with the requirements of Code section 533.205.  
9 Current law provides that the membership of a credit union may  
10 reinstate an expelled member by majority vote upon the terms  
11 and conditions prescribed at the hearing.

12     The bill provides that a credit union may invest in  
13 investment instruments as authorized by the superintendent.
