3 EXPLANATION

4 The inclusion of this explanation does not constitute agreement with  
5 the explanation's substance by the members of the general assembly.

6 This bill relates to insurance companies acting as surety  
7 for bail bonds, including licensure requirements to act as a  
8 bail enforcement agent or business.

9 The bill provides that the requirements of Code chapter 80A  
10 (private investigative agencies and security agencies) do not  
11 apply to a person employed full or part-time by one employer  
12 in connection with the affairs of the employer, except for a  
13 person employed by a surety licensed pursuant to Code chapter  
14 811 who is acting as a bail enforcement agent.

15 Current law provides that insurance companies doing business  
16 in Iowa under the provisions of Code section 515.48(2) may act  
17 as surety to insure the fidelity of bail bonds in criminal  
18 cases.

19 The bill provides that a company acting as surety shall  
20 not engage in conduct or activities substantially similar to  
21 those of a bail enforcement agent or bail enforcement business,  
22 as those terms are defined in Code section 80A.1, without  
23 receiving a license from the department of public safety as  
24 specified in Code chapter 80A. Bail enforcement agent is  
25 defined as a person engaged in the bail enforcement business,  
26 including licensees and persons engaged in the bail enforcement  
27 business whose principal place of business is in a state other  
28 than Iowa. "Bail enforcement business" means the business of  
29 taking or attempting to take into custody the principal on a  
30 bail bond issued or a deposit filed in relation to a criminal  
31 proceeding to assure the presence of the defendant at trial,  
32 but does not include such actions that are undertaken by a  
33 peace officer or a law enforcement officer in the course of the  
34 officer's official duties.

35 Current law allows the surety to surrender the defendant at

1 any time before the forfeiture of the undertaking. However,  
2 the bill provides that a company acting as surety shall not  
3 engage in conduct or activities substantially similar to those  
4 of a bail enforcement agent or bail enforcement business,  
5 as those terms are defined in Code section 80A.1, without  
6 receiving a license from the department of public safety as  
7 specified in Code chapter 80A.

8 The bill strikes Code section 811.12(2)(d), which currently  
9 provides that a bail enforcement agent exempt from licensing  
10 requirements is authorized to apprehend, detain, or arrest a  
11 principal on a bail bond, wherever issued. The bill provides  
12 that a person is not authorized to detain, apprehend, or  
13 arrest a principal on a bail bond without being licensed or  
14 registered.
