16 EXPLANATION

17 The inclusion of this explanation does not constitute agreement with
18 the explanation's substance by the members of the general assembly.

19 This bill strikes the requirement for a certificate of
20 title issued for a vehicle to contain the name and address
21 of the previous owner, and instead requires the department
22 of transportation (DOT) or county treasurer to maintain the
23 previous owner's information in the DOT's or county treasurer's
24 records systems along with the other certificate of title
25 information.
