EXPLANATION

35 The inclusion of this explanation does not constitute agreement with

1 the explanation's substance by the members of the general assembly.

2 This bill modifies the board of educational examiners'  
3 (BOEE) reporting requirements related to the investigation of  
4 complaints against licensees and nonlicensed school employees.  
5 Current law provides that all investigative information  
6 in the possession of the BOEE, which relates to licensee  
7 discipline, is privileged and confidential, and is not subject  
8 to discovery, subpoena, or other means of legal compulsion  
9 for their release to a person other than the respondent and  
10 the BOEE, and are not admissible in evidence in a judicial  
11 or administrative proceeding other than the proceeding  
12 involving licensee discipline. The bill provides that these  
13 same protections apply to the investigation of a nonlicensed  
14 school employee. Additionally, the bill establishes that,  
15 notwithstanding these protections, if the investigative  
16 information in the possession of the BOEE indicates that  
17 a crime has been committed by either a licensee or a  
18 nonlicensed school employee, the BOEE is required to report the  
19 investigative information to the proper law enforcement agency.
