23 The inclusion of this explanation does not constitute agreement with  
24 the explanation's substance by the members of the general assembly.

25 This bill relates to the college student aid commission's  
26 reporting requirements.

27 Current law requires the college student aid commission  
28 to submit an annual report to the general assembly which  
29 provides, by program, the number of individuals who received  
30 loan forgiveness or loan repayment in the previous fiscal  
31 year; the amounts paid to or on behalf of individuals under  
32 the chiropractic loan forgiveness program, the teacher  
33 shortage loan forgiveness program, and the health care award  
34 program; the institutions from which individuals graduated; and

2 submit an annual report to the general assembly which provides,  
3 by program, the number of individuals who received state  
4 financial aid funding in the previous fiscal year, the amounts  
5 paid to or on behalf of the individuals, other key program  
6 indicators, findings, and recommendations. The bill provides  
7 that this report is to include a description of the methodology  
8 and manner in which the college student aid commission makes  
9 the determination of awards for certain specified programs for  
10 which moneys are appropriated.

11 Current law requires the college student aid commission  
12 to submit an annual report to the governor and the general  
13 assembly related to certain specified tuition grants and  
14 evaluate the tuition grant program. The bill strikes these  
15 requirements.

16 The bill strikes the college student aid commission's annual  
17 reporting requirements related to the vocational-technical  
18 tuition grants, the scholarship and tuition grant reserve  
19 fund, the guaranteed student loan program, the Iowa minority  
20 academic grants for economic success program, the teacher  
21 shortage forgivable loan program, the teacher shortage loan
