12 Sec. 2. NEW SECTION. **96.33 Verification of claimant**  
13 **identity.**

14 1. When a claimant makes a claim for benefits, the  
15 department shall verify the identity of the claimant before  
16 payment of benefits to the claimant.

17 2. The department shall use multi-factor authentication  
18 to verify the identity of any claimant submitting a claim for  
19 benefits through an internet site or online portal used by the  
20 department for the purpose of accepting claims for benefits.

21 3. The department shall verify the identity of a claimant,  
22 as required by subsections 1 and 2, at least once per benefit  
23 year.

24 Sec. 3. **EFFECTIVE DATE.** This Act takes effect January 1,  
25 2025.

26 **EXPLANATION**

27 The inclusion of this explanation does not constitute agreement with  
28 the explanation's substance by the members of the general assembly.

29 This bill relates to claims for unemployment insurance  
30 benefits.

31 The bill requires an individual to perform a minimum of  
32 four work search activities, and document and report each  
33 activity to the department of workforce development, each week  
34 in order to be eligible for unemployment benefits for the week.  
35 The bill specifies work search activities that satisfy these

1 requirements.

2     The bill requires the department to verify the identity  
3 of a claimant before payment of unemployment benefits to  
4 the claimant. The bill also requires the department to use  
5 multi-factor authentication to verify the identity of any  
6 claimant submitting a claim for benefits through an internet  
7 site or online portal. These verifications are required at  
8 least once per benefit year.

9     The bill takes effect January 1, 2025.
