6 EXPLANATION

7 The inclusion of this explanation does not constitute agreement with  
8 the explanation's substance by the members of the general assembly.

9 This bill relates to the more options for maternal support  
10 (MOMS) program.

11 Under Code section 217.41C, the MOMS program is required  
12 to be administered by the department of health and human  
13 services (HHS) through an administrator selected by a request  
14 for proposals (RFP) process. The bill amends this provision  
15 to authorize HHS to either administer the program directly  
16 through contracts with providers of pregnancy support services  
17 (providers), or through a program administrator selected  
18 through an RFP process. The bill also eliminates the reference  
19 to subcontractors and instead refers to providers and makes  
20 requirements for the former subcontractors applicable to these  
21 providers. The bill eliminates the requirement that HHS  
22 publish the program administrator and subcontractor criteria on  
23 the HHS internet site.

24 The bill changes the date by which HHS is required to begin  
25 submitting an annual report regarding the program to the  
26 general assembly from October 1, 2023, to October 1, 2024.

27 The bill makes conforming changes to Code section 217.41C  
28 to reflect the optional use of a program administrator and the  
29 elimination of program subcontractors.

30 The bill takes effect upon enactment and is retroactively  
31 applicable to July 1, 2022, the original effective date of the  
32 Code section.
