EXPLANATION

24

The inclusion of this explanation does not constitute agreement with  
the explanation's substance by the members of the general assembly.

25

26 This bill replaces the Iowa department of veterans affairs'  
27 (IDVA) duty to provide certification training to executive  
28 directors and administrators of county commissions of veteran  
29 affairs (CCVA) with the duty to verify each executive director  
30 and administrator of a CCVA is fully qualified to work in the  
31 person's position. Such qualifications include but are not  
32 limited to obtaining certification that is federally required  
33 for the executive director's or administrator's position within  
34 12 months of beginning the person's employment; obtaining a  
35 personal identification verification (PIV) card necessary to

1 access the veterans benefits management system (VBMS) within  
2 12 months of beginning the person's employment; maintaining  
3 certification that is federally required for the executive  
4 director's or administrator's position; maintaining an active  
5 PIV card and access to VBMS; and having proficiency in the  
6 use of electronic mail, general computer use, and use of the  
7 internet to access information regarding facilities, benefits,  
8 and services available to veterans and their families.

9 The bill requires a CCVA executive director or administrator  
10 to complete a course for the purpose of obtaining certification  
11 federally required for the person's position and a PIV  
12 card necessary to access VBMS. If an executive director or  
13 administrator fails to obtain certification or a PIV card  
14 within one year of being employed, the executive director  
15 or administrator shall be removed from office unless the  
16 deadline is extended upon the CCVA's request and the approval  
17 of the commandant of the IDVA. Under current law, the IDVA is  
18 required to provide the training and issue a certificate of  
19 completion.

20 The bill also adds CCVA commissioners to those who may  
21 receive training under the county commission of veteran affairs  
22 training program.

23 The bill requires an executive director or administrator  
24 to satisfy the continuing education requirements established  
25 by the United States department of veterans affairs and the  
26 requirements necessary to maintain an active PIV card and  
27 access to the VBMS. Failure of an executive director or  
28 administrator to maintain certification and access to VBMS  
29 shall be cause for removal from office.

30 By operation of law, the bill affects the report that the  
31 IDVA must submit under Code section 35A.5 (IDVA duties) and  
32 the obligations that a county must meet for funding under Code  
33 section 35A.16 (CCVA fund).
