19 EXPLANATION

20 The inclusion of this explanation does not constitute agreement with  
21 the explanation's substance by the members of the general assembly.

22 This bill requires an institution of higher education to adopt  
23 and enforce a policy relating to certain expressions of support  
24 for terrorist activities or organizations, as defined under  
25 federal law, by nonimmigrant visa holders attending or working  
26 at the institution. The bill defines "institution of higher  
27 education" as an institution of higher learning governed by the  
28 state board of regents or an accredited private institution for  
29 purposes of tuition grants under Code chapter 256, subchapter  
30 VII, part 4, subpart B.

31 The policy shall prohibit a student, faculty member, and  
32 staff member, if the individual holds a nonimmigrant visa, from  
33 publicly espousing terrorist activity related to an ongoing  
34 conflict or, at any time or place, persuading others to endorse  
35 or espouse terrorist activity related to an ongoing conflict

1 or to support a terrorist organization unless it is the policy  
2 or practice of the United States to support such activity or  
3 organization.

4 Upon suspecting or receiving a credible allegation of a  
5 violation by an individual, the policy shall provide for  
6 an investigation of the individual by the institution and,  
7 if warranted by the factual results of the investigation,  
8 enforcement of the policy against the individual.

9 Upon a first finding of guilt of or responsibility for a  
10 violation by a preponderance of the evidence, the policy shall  
11 provide for the suspension of a student or termination of a  
12 faculty or staff member's employment for at least one year.  
13 Upon a second such finding, the policy shall provide for the  
14 expulsion of a student or termination of a faculty or staff  
15 member's employment permanently.

16 Immediately upon suspending or expelling a student or  
17 terminating a faculty or staff member's employment in this  
18 manner, the policy shall require the institution to update  
19 the individual's record in the federal department of homeland  
20 security's student exchange visitor information system or a  
21 successor system to show that the individual is no longer  
22 enrolled as a full-time student of the institution or employed  
23 by the institution.

24 The policy must prohibit a student, faculty member, or  
25 staff member from transferring to, enrolling at, or becoming  
26 employed by the institution if the individual has been suspended,  
27 expelled, or terminated from employment by another institution of  
28 higher education as provided under the bill.

29 The bill shall be enforced by the attorney general, who may  
30 investigate suspected violations by an institution of higher  
31 education. The attorney general may compel production of  
32 documents and other evidence from an institution suspected of a  
33 violation. The attorney general may bring an action against an  
34 institution for a writ of mandamus to compel the institution to  
35 comply.

1     Upon a determination by the court that an institution that  
2 is not a regents institution has committed a violation, the  
3 institution shall be ineligible to receive funds from the state  
4 for tuition grants under Code chapter 256, subchapter VII, part  
5 4, subpart B, for the academic year beginning after the date of  
6 the finding.

7     The bill takes effect December 31, 2025.
