32 EXPLANATION

33 The inclusion of this explanation does not constitute agreement with
34 the explanation's substance by the members of the general assembly.

35 This bill relates to real property owners' rights against

1 unauthorized occupants and modifies the definition of trespass.

2 The bill allows a real property owner to submit to law
3 enforcement a complaint to remove unauthorized persons occupying
4 the owner's real property if all of the following conditions are
5 met: (1) the requesting person is the real property owner or
6 their authorized agent, (2) the person entering, remaining upon,
7 or occupying the real property is not authorized to be there,
8 (3) the unauthorized person has been notified that they are not
9 permitted to be on the real property, (4) the unauthorized person
10 is not a current or former tenant, (5) the unauthorized person
11 is not an immediate family member of the owner, and (6) there is
12 no pending litigation relating to the real property between the
13 property owner and the unauthorized person.

14 The bill provides that law enforcement, upon receipt of the
15 complaint, shall conduct an investigation. If the investigation
16 indicates sufficient grounds that the above conditions are met,
17 the law enforcement agency shall direct the unauthorized occupant
18 to immediately vacate, provide a written notice to immediately
19 vacate, and put the owner in possession of the real property.

20 The bill allows a law enforcement agency to collect an hourly
21 fee for services provided which shall be assessed against the
22 unauthorized occupant.

23 The bill provides that if a real property owner knowingly
24 submits a false complaint, the real property owner shall
25 indemnify the law enforcement agency for any damages awarded
26 against the agency for any good faith conduct that was based on
27 the complaint.

28 The bill provides for criminal penalties for an unauthorized
29 person occupying real property who, after receiving a notice
30 to vacate the property, fails to do so. If the unauthorized
31 person intentionally damages the property causing damages less
32 than \$1,000, the person commits a simple misdemeanor. A simple
33 misdemeanor is punishable by confinement for no more than 30
34 days and a fine of at least \$105 but not more than \$855.

35 If the unauthorized person intentionally damages the property

1 causing damages more than \$1,000, the person commits a serious
2 misdemeanor. A serious misdemeanor is punishable by confinement
3 for no more than one year and a fine of at least \$430 but not
4 more than \$2,560.
