#### 33 EXPLANATION

34 The inclusion of this explanation does not constitute agreement with  
35 the explanation's substance by the members of the general assembly.

1 Under current law, a motor vehicle dealer (dealer) is  
2 authorized to charge a documentary fee not to exceed \$180 for  
3 each motor vehicle sold in a transaction. A "documentary fee"  
4 is a fee charged to a customer by a dealer for the preparation  
5 of documents related to an application for motor vehicle  
6 registration and an application for issuance of a certificate  
7 of title, and the performance of other related services for the  
8 customer, but does not include any costs or fees charged to a  
9 dealer or a dealer's customer by a third party. A dealer who  
10 charges a documentary fee is required to include the fee in the  
11 price of the motor vehicle, in advertisements for the vehicle,  
12 and when making or accepting an offer for the vehicle. A dealer  
13 is required to clearly and conspicuously disclose a specific  
14 notice of the fee in any motor vehicle purchase agreement with  
15 a customer.

16 This bill authorizes a dealer to charge an administrative  
17 fee, rather than a documentary fee, to a customer for performing  
18 services, related to the sale of a motor vehicle, on behalf of  
19 the customer. The bill strikes the maximum amount a dealer is  
20 authorized to charge for such a fee. The bill makes conforming  
21 changes to the required notice.

22 A person who violates Code section 322.19A commits unlawful  
23 practice under Code section 714.16. Several types of remedies  
24 are available if a court finds that a person has committed an  
25 unlawful practice, including injunctive relief, disgorgement of  
26 moneys or property, and a civil penalty not to exceed \$40,000 per  
27 violation.
