12 program.

13 The bill makes a \$1 million supplemental appropriation from
14 the general fund of the state to the department of health and
15 human services (HHS) for fiscal year 2025-2026, in addition
16 to any other funding appropriated for such purpose for the

19 initiative to make fresh fruits and vegetables sold at farmers
20 markets, grocery stores, and other participating locations

28 SNAP only include healthy food based on necessary nutrition for

30 meat, eggs, peanut butter and nuts, pasta, rice, legumes, and
31 fruits and vegetables.

32 The supplemental appropriation for the double up food bucks
