13 DIVISION X

14 PERMIT TO CARRY WEAPONS FEES

15 Sec. 43. Section 724.11, subsection 3, Code 2025, is amended
16 to read as follows:

17 3. a. The issuing officer shall collect a fee of fifty
18 dollars for an initial permit, except from a duly appointed
19 peace officer or correctional officer, for each permit issued.
20 Renewal permits or duplicate permits shall be issued for a
21 fee of twenty-five dollars, provided the application for such
22 renewal permit is received by the issuing officer within
23 thirty days prior to the expiration of the applicant's current
24 permit or within thirty days after the expiration of the
25 applicant's current permit. The issuing officer shall notify the
26 commissioner of public safety of the issuance of any permit at
27 least monthly and forward to the commissioner an amount equal
28 to ten dollars for each permit issued and five dollars for each
29 renewal or duplicate permit issued. All such fees received
30 by the commissioner shall be paid to the treasurer of state
31 and deposited in the operating account of the department of
32 public safety to offset the cost of administering this chapter.
33 Notwithstanding section 8.33, any unspent balance as of June 30
34 of each year shall not revert to the general fund of the state.

35 b. A veteran, as defined in section 35.1, who has a

1 service-connected disability is exempt from payment of fees
2 imposed under this subsection. The department of veterans
3 affairs shall assist in verifying the status or claims of an
4 applicant under this paragraph. As used in this paragraph,
5 "service-connected disability" means a condition entitling the
6 veteran to a service-connected rating under 38 U.S.C. ch. 11.

7 EXPLANATION

8 The inclusion of this explanation does not constitute agreement with
9 the explanation's substance by the members of the general assembly.

10 This bill relates to state services and benefits provided to
11 veterans.

12 DIVISION I — VETERANS PREFERENCE — STATE GRANTS. This
13 division requires a state agency to give preference to a veteran
14 over another applicant of similar qualifications for the award of
15 a grant that is overseen, implemented, or funded by the state.

16 DIVISION II — VETERAN PREFERENCE — PUBLIC ASSISTANCE
17 PROGRAMS. This division requires the state to provide veterans
18 who are citizens and residents of the United States a preference
19 for assistance programs including but not limited to public
20 assistance, the family investment program, the supplemental
21 nutrition program for women, infants, and children, the state
22 child care assistance program, and the United States department
23 of housing and urban development housing choice voucher program.

24 DIVISION III — BUSINESS FEE WAIVERS.

25 BACKGROUND (BUSINESS ENTITIES). A business entity is a general
26 term for an association formed to conduct business under several
27 types of organizational structures recognized by law (e.g.,
28 partnership and limited partnership, business and nonprofit
29 corporation, limited liability company, and cooperative).

30 Generally, a business entity may be formed as a domestic business
31 entity in its home state or as a foreign business entity doing
32 business in a state although it was formed in another home state.
33 In Iowa, a business entity is governed under its own dedicated
34 Code chapter, often based on model legislation with fee amounts
35 reserved for decision by the enacting body. In Iowa, like most

1 states, a business entity is under the general authority of the
2 secretary of state (secretary).

3 SUMMARY. This division provides that a qualified business
4 entity that requests and receives a military service filing fee
5 waiver (waiver) from the secretary is not required to submit
6 a fee for filing a number of select documents. The division
7 specifies qualifications for a business entity, eligibility for
8 the filer of a select document, and the names of select documents
9 having fees waived, subject to further requirements that the
10 secretary may adopt by rule.

11 STATUTORY ORGANIZATION. The division amends Code chapter 9
12 establishing the secretary's office. Specifically, it enacts new
13 provisions in subchapter II of that Code chapter which currently
14 includes provisions authorizing extra filing services. It also
15 amends various Code chapters each of which governs a specific
16 type of business entity. The division amends the principal Code
17 section in each such Code chapter that includes a laundry list of
18 fees for filing documents.

19 IN DETAIL — QUALIFIED BUSINESS ENTITIES. First, in order
20 to receive a waiver, the business entity must be qualified,
21 meaning that the waiver is limited to a domestic or foreign
22 limited partnership (Code chapter 488); domestic or foreign
23 limited liability company (Code chapter 489); domestic or foreign
24 business corporation (Code chapter 490); and domestic or foreign
25 nonprofit corporation (Code chapter 504).

26 IN DETAIL — ELIGIBLE FILERS. Second, an individual acting on
27 behalf of the qualified business entity must meet eligibility
28 criteria. The individual must sign the document; must be an
29 interest holder in the qualified business entity; and must be
30 serving in the United States armed forces, the national guard or
31 organized reserves, the United States coast guard, or the civil
32 air patrol, or alternatively must be a veteran.

33 IN DETAIL — SELECT DOCUMENTS FOR FILING. Third, the filed
34 document must be selected to receive the waiver. A select
35 document may include those associated with the business

1 entity's organization, name, registered agent or registered
2 office, domestication or conversion, merger, dissolution or
3 reinstatement, foreign registration, correction, validation,
4 biennial report, or other document required or permitted to be
5 filed. The amount of the fee ranges from \$5 to \$100.

6 EFFECTIVE DATE. This division takes effect January 1, 2026.

7 DIVISION IV — SUBSTANCE USE DISORDER PROGRAMS — MENTAL
8 HEALTH AND DISABILITY SERVICES. This division requires each
9 facility licensed under Code chapter 125 (substance use
10 disorders) that maintains a wait list for care, maintenance, or
11 treatment of persons with a substance use disorder to place a
12 veteran on the wait list in a position that allows the veteran
13 priority for acceptance into the treatment program before any
14 person on the wait list who is not a veteran, but after each
15 veteran currently on the wait list.

16 The division requires each service provider operating through
17 the mental health and disability services regional service system
18 that maintains a wait list for mental health or disability
19 services to place a veteran on the wait list in a position that
20 allows the veteran to receive the services before any person
21 on the wait list who is not a veteran, but after each veteran
22 currently on the wait list.

23 DIVISION V — WAIVER OF UNDERGRADUATE TUITION AND MANDATORY
24 FEES. This division requires the state board of regents to adopt
25 rules that waive undergraduate tuition and mandatory fees for
26 veterans, or a dependent of the veteran, while the veteran or
27 dependent is enrolled in an institution of higher education under
28 the board's control, if the veteran was a resident of this state
29 immediately prior to joining the armed forces of the United
30 States, was discharged under honorable conditions, and resides in
31 this state immediately prior to applying to enroll, or prior to
32 the dependent applying to enroll, in the institution.

33 The division provides that the rules shall not waive an amount
34 of tuition and mandatory fees that exceeds the difference between
35 the combined amount of tuition and mandatory fees charged by the

1 institution less any federal financial aid award the veteran or
2 dependent receives.

3 The division defines "dependent" to mean the spouse or child
4 of a veteran. The division defines "veteran" by reference to
5 Code section 35.1.

6 DIVISION VI — DRIVER'S LICENSE — VETERAN STATUS —
7 FEES. This division of the bill relates to driver's licenses
8 issued to veterans.

9 Current law requires the department of transportation (DOT) to
10 mark a driver's license with the word "VETERAN" if the applicant
11 is a qualifying veteran. Under Code section 321.189, a licensee
12 must be an honorably discharged veteran of the armed forces
13 of the United States to qualify for a veteran status license.
14 The DOT has adopted administrative rules defining "veteran" for
15 purposes of licensees requesting a veteran status license (761
16 IAC 605.5(7)(e)). The bill strikes certain existing service
17 qualifications and instead references the definition of "veteran"
18 provided in Code section 35.1.

19 Under current law, the DOT is prohibited from charging a
20 fee to issue a noncommercial driver's license or license valid
21 for motorcycles to an applicant who is a veteran with a
22 permanent service-connected disability rating of 100 percent, as
23 certified by the United States department of veterans affairs.
24 The bill prohibits the DOT from charging a fee to issue a
25 noncommercial driver's license (\$4 per year of validity), license
26 for chauffeurs (\$8 per year of validity), commercial driver's
27 license (\$8 per year of license validity), or license valid for
28 motorcycles (an additional fee of \$2 per year of validity) to a
29 veteran, as defined in Code section 35.1.

30 DIVISION VII — VEHICLE REGISTRATION FEES — VETERANS
31 EXEMPT. This division of the bill relates to registration fees
32 for vehicles owned by veterans.

33 Current law exempts seriously disabled veterans who have been
34 provided with an automobile or other vehicle by the United States
35 government from paying motor vehicle registration fees. The

1 bill exempts all other veterans who reside in Iowa from paying
2 annual vehicle registration fees for not more than three vehicles
3 registered by the veteran, and provides for one free set of
4 regular registration plates for each vehicle. In lieu of the set
5 of regular registration plates available without fee, a veteran
6 may obtain a set of special registration plates or personalized
7 registration plates by paying the additional fees associated with
8 those plates under current law. Under current law, several
9 special registration plates relating to service in the armed
10 forces are available at no charge to eligible persons.

11 DIVISION VIII — DISABLED VETERANS PROPERTY TAX CREDIT. This
12 division creates a property tax credit for certain veterans.

13 The division defines "qualifying veteran" as a person who
14 meets the definition of a veteran under Code section 35.1
15 (veterans affairs), and has a disability rating of 20 percent
16 or more as certified by the United States department of veterans
17 affairs.

18 The division allows a qualifying veteran a credit on each
19 property that is owned solely by the qualifying veteran or
20 jointly by the qualifying veteran and the qualifying veteran's
21 spouse. The amount of the credit on a property is equal to the
22 property tax owed on the property multiplied by the disability
23 rating given to the qualifying veteran as certified by the United
24 States department of veterans affairs, up to a maximum reduction
25 of \$10,000 per property.

26 The division allows the credit to continue until the later to
27 occur between the qualifying veteran's death and the earlier to
28 occur between the qualifying veteran's surviving spouse's death
29 or remarriage.

30 Except upon a county veterans service officer's request
31 for the purposes of providing information on benefits and
32 services available to veterans and their families, the bill
33 makes confidential the list of the names and addresses of
34 individuals allowed a credit under the bill and maintained
35 by the county recorder, county treasurer, county assessor,

1 city assessor, or other government body. The bill prohibits
2 this information from being disseminated to any person unless
3 otherwise ordered by a court or released by the lawful custodian
4 of the records pursuant to state or federal law. The county
5 recorder, county treasurer, county assessor, city assessor, or
6 other government body responsible for maintaining the names and
7 addresses of individuals allowed a credit may display the credit
8 on individual paper records and individual electronic records,
9 including display on an internet site.

10 The division requires the department of revenue, the
11 department of administrative services, county auditors, county
12 treasurers, and assessors to administer the disabled veteran tax
13 credit in a manner similar to the military service tax credit and
14 exemptions in Code chapter 426A.

15 The division makes any person who makes a false affidavit
16 for the purpose of obtaining the disabled veteran tax credit or
17 who knowingly receives the credit without being legally entitled
18 to the credit guilty of a fraudulent practice. A fraudulent
19 practice is punishable based on the amount of value involved, and
20 may range from a simple misdemeanor punishable by confinement for
21 no more than 30 days and a fine of at least \$105 but not more
22 than \$855, to a class "C" felony punishable by confinement for
23 no more than 10 years and a fine of at least \$1,370 but not more
24 than \$13,660.

25 The division appropriates from the general fund of the state
26 amounts necessary to fund the disabled veteran tax credit.

27 DIVISION IX — DEPARTMENT OF NATURAL RESOURCES — LICENSES AND
28 FEES. This division prohibits the department of natural resources
29 from requiring a veteran to pay a fee for camping and using
30 rental facilities at state parks and recreation areas. A veteran
31 who applies to register a vessel for use in Iowa waters shall
32 not be assessed a fee to receive the registration certificate.
33 A veteran applying for any hunting, fur harvester, or fishing
34 license is not required to pay the license fee nor the wildlife
35 habitat fee, if applicable. A veteran who was disabled or was

1 a prisoner of war shall not be assessed a fee in applying for
2 a lifetime fishing license and a lifetime hunting and fishing
3 combined license. A veteran may also obtain a lifetime trout
4 fishing license without paying a fee if the veteran is at least
5 65 years of age or qualifies for the disabled veteran homestead
6 credit, and the department of natural resources shall not require
7 any veteran to pay a trout fishing fee. The department of
8 veteran affairs shall assist the department of natural resources
9 in verifying the status and claims of the veterans applying for
10 recreational privileges for which fees are generally required.

11 DIVISION X — PERMIT TO CARRY WEAPONS FEES. This division
12 exempts a veteran who has a service-connected disability from
13 paying a fee for a permit to carry weapons. An initial permit
14 has a fee of \$50 and a renewal permit or duplicate permit has a
15 fee of \$25.
