3

The inclusion of this explanation does not constitute agreement with

4

the explanation's substance by the members of the general assembly.

5

Under current law, the Iowa department of veterans affairs  
6 is required to submit an annual report to the governor and the  
7 general assembly including the county commissions of veteran  
8 affairs' training compliance and hours of veterans' services  
9 provided during the previous calendar year. This bill requires  
10 the information in the report to be from the previous fiscal  
11 year.

12 The bill also requires an executive director or administrator  
13 of a county commission of veteran affairs to meet continuing  
14 education requirements established by the commandant of the  
15 Iowa department of veterans affairs and removes the requirement  
16 that an executive director or administrator meet the continuing  
17 education requirements of the national association of county  
18 veterans service officers.
