22 may suspend or revoke the life captive reinsurance company's  
23 certificate of authority.

24 b. If the commissioner does not revoke a life captive  
25 reinsurance company's certificate of authority during a  
26 suspension imposed under paragraph "a", the life captive  
27 reinsurance company's certificate of authority may be reinstated  
28 if the commissioner finds that the cause of the suspension has

24 2. a. A life captive reinsurance company that has been  
25 issued a certificate of dormancy shall comply with all of the

17 of dormancy and to resume conducting the business of insurance.

18 5. The commissioner shall revoke a dormant life captive  
19 reinsurance company's certificate of dormancy if the company

30 b. All books, records, documents, accounts, vouchers, and

24 through 521J.121, as enacted by this Act, as subchapter II of  
25 chapter 521J entitled "Life Captive Reinsurance Companies".

26 **EXPLANATION**

27 The inclusion of this explanation does not constitute agreement with  
28 the explanation's substance by the members of the general assembly.

29 This bill relates to captive insurance companies (captive  
30 companies) and life captive reinsurance companies (LCRCs).

31 Under the bill, a tax return on gross premiums filed by an  
32 insurance company or a captive company shall not be subject  
33 to inspection under Code chapter 22, and it shall be unlawful  
34 for any present or former officer or employee of the state  
35 to willfully or recklessly publish such tax return. A person

1 who violates the bill shall be guilty of a serious misdemeanor  
2 and, in addition to any other penalty, shall be dismissed from  
3 state office or discharged from state employment. The bill  
4 does not prohibit the department of revenue (DOR) from turning  
5 over information and tax returns in the DOR's possession to duly  
6 authorized officers of the United States, or tax officials of  
7 other states, pursuant to an agreement between the commissioner  
8 of insurance (commissioner) and either the secretary of the  
9 treasury of the United States or the secretary's delegate, or the  
10 commissioner of another state.

11 Under current law, Code section 409.905 (foreign insurance  
12 companies becoming domestic) applies to life insurance companies,  
13 and to insurance companies doing business under Code chapter 515.  
14 Under the bill, Code section 409.905 also applies to captive  
15 companies.

16 The bill amends the definitions of "alien captive company",  
17 "business entity", "captive company", "captive reinsurance  
18 company", "captive risk retention group", and "special purpose  
19 captive company" under Code chapter 521J (captive companies).  
20 The term "foreign captive company" is defined in the bill.

21 Under current law, if permitted by its organizational  
22 document, a captive company may apply to the commissioner for a  
23 certificate of authority to provide property insurance, casualty  
24 insurance, life insurance, disability income insurance, surety  
25 insurance, marine insurance, health insurance, or a group health  
26 plan. Under the bill, a captive company may also apply for  
27 a certificate of authority to have the ability to accept or  
28 transfer risks by means of a parametric contract.

29 A captive company shall not write any insurance business  
30 unless the captive company's organizational documents, and any  
31 subsequent amendments, have been filed and approved by the  
32 commissioner prior to being filed with the secretary of state.

33 Prior to receiving a certificate of authority, current law  
34 requires a captive company to file with the commissioner a  
35 certified copy of the business entity's organizational document.

1 The bill eliminates the requirement that the copy be certified.

2 The bill eliminates the requirements under current law of  
3 Code sections 521J.2(3)(a)(1)(c), 521J.2(3)(a)(4), 521J.2(3)(e),  
4 521J.4(1)(e), 521J.4(3), 521J.5(2)(c), 521J.6(2), 521J.13(1),  
5 and 521J.13(1)(b) that requirements of the commissioner be  
6 established by rule.

7 Under current law, all documents and information submitted by  
8 a captive company prior to receiving a certificate of authority  
9 shall be confidential and shall not be made public without the  
10 advance written consent of the submitting company. The bill  
11 includes reports as confidential information.

12 Current law requires that each captive company, individual  
13 series of members of a limited liability company, and protected  
14 cell pay an initial registration fee, and an annual renewal  
15 registration fee, of \$300. The bill requires each captive  
16 company, individual series of members of a limited liability  
17 company, and protected cell pay an annual renewal registration  
18 fee of \$300.

19 Under current law, the commissioner shall not issue a  
20 certificate of authority to a captive company unless the captive  
21 company possesses and maintains unimpaired paid-in capital and  
22 surplus of no less than \$500,000 for a protected cell captive  
23 company. If, however, the protected cell captive company does  
24 not assume any risks, the risks insured by the protected cells  
25 are homogenous, and there are not more than 10 cells, the  
26 commissioner may reduce the amount to an amount not less than  
27 \$250. Under the bill, the commissioner shall not issue a  
28 certificate of authority to a captive company unless the captive  
29 company possesses and maintains unimpaired paid-in capital and  
30 surplus of no less than \$100,000 for a protected cell captive  
31 company.

32 Under current law, the minimum capital and surplus  
33 requirements for a captive company shall be in the form of cash,  
34 cash equivalent, or an irrevocable letter of credit. Under the  
35 bill, the minimum capital and surplus requirements may also be in

1 the form of marketable securities approved by the commissioner.  
2 If the captive company elects to satisfy the minimum requirements  
3 with marketable securities, the commissioner may require the  
4 captive company to file financial statements or other reports on  
5 a more frequent basis than otherwise required. The increased  
6 reporting frequency may be imposed to ensure the commissioner  
7 can adequately monitor the liquidity, valuation, and market risk  
8 associated with the marketable securities.

9 Current law requires a captive company be formed or organized  
10 as a business entity under Code chapter 521J. Under the bill,  
11 subject to the commissioner's approval, a captive company may  
12 also be formed as a reciprocal insurer under Code chapter 520.

13 The bill eliminates the requirement under current law that  
14 a captive risk retention group formed as a reciprocal insurer  
15 have a minimum of five members of the subscribers' advisory  
16 committee who are residents of this state. Under the bill, a  
17 captive company formed as a reciprocal insurer shall be subject  
18 to Code chapter 520 (reciprocal or interinsurance contracts),  
19 unless exempt by approval of the commissioner in the captive  
20 company's plan of operation. The bill eliminates the requirement  
21 under current law that applicable provisions of Code chapter  
22 508B (conversion from mutual company to stock company) apply to  
23 a merger, consolidation, conversion, mutualization, or voluntary  
24 dissolution by a captive company.

25 Under current law, a captive company shall file an annual  
26 report with the commissioner that meets the requirements of  
27 current law. Under the bill, a captive company does not have  
28 to file the annual report if directed by the commissioner in the  
29 first year of a captive company's licensure.

30 The bill eliminates the requirement under current law that  
31 all reports filed pursuant to Code section 521J.7 (reports) be  
32 considered confidential and not a public record.

33 Under the bill, applicable provisions of Code chapter 508B  
34 apply to a merger, consolidation, conversion, mutualization,  
35 or voluntary dissolution by a captive company unless provided

1 otherwise.

2 Under current law, if a captive company's admitted assets  
3 total less than \$5 million, the commissioner may approve an  
4 investment of up to 20 percent of the captive company's admitted  
5 assets in rated credit instruments in any investment. Instead of  
6 admitted assets, the bill relies on the total assets disclosed  
7 in a captive company's annual report. Total assets under  
8 the bill shall be based on the accounting basis approved by  
9 the commissioner, provided that all assets included must be  
10 reasonably liquid, realizable, and available to support the  
11 obligations of the captive company.

12 Current law requires that each protected cell captive company  
13 formed or authorized by Code chapter 521J be incorporated, and an  
14 incorporated protected cell may be organized and operated in any  
15 form of business organization as authorized by the commissioner  
16 by rule. The bill requires that each protected cell captive  
17 company be formed as a business entity, provided the business  
18 entity is separate from the protected cell captive company of  
19 which the business entity is a part.

20 Under current law, the commissioner shall adopt rules to  
21 implement and administer Code chapter 521J. Under the bill, the  
22 commissioner may adopt rules.

23 For taxes due pursuant to Code section 432.1A (tax on premiums  
24 — captive companies), a foreign or alien captive company that  
25 redomesticates into the state shall only be liable for taxes  
26 on premiums paid to the captive company after redomestication  
27 and shall report to the commissioner all premium taxes due. In  
28 either the captive company's first or second year of operation  
29 after redomesticating into the state, the company may elect to  
30 forego payment of the premium taxes. If the company that makes  
31 such election subsequently surrenders the company's license or  
32 redomesticates to another jurisdiction within five years, the  
33 company shall immediately pay to the commissioner a tax in an  
34 amount equal to the foregone premium tax plus 10 percent per  
35 annum from the date the foregone premium tax would have been

1 originally due.

2 The bill makes conforming changes to Code sections  
3 521J.1(u1), 521J.1(22), 521J.1(24)(b), 521J.5(6), 521J.5(7)(b),  
4 521J.5(9)(b), 521J.8(1)(a), 521J.8(5), 521J.9(1)(h) and (i),  
5 521J.14(3), 521J.17(2), 521J.17(2)(a)(4), 521J.17(2)(c), 521J.18,  
6 521J.22(3)(a)(3), 521J.23, 521J.24(1)(b), and 521J.26.

7 An LCRC issued a certificate of authority shall only reinsure  
8 the risks of a ceding insurer, shall not otherwise engage in  
9 the business of insurance, and may purchase retrocession to cede  
10 the risks assumed under a reinsurance contract. An LCRC shall  
11 not write any insurance business unless the LCRC complies with  
12 the requirements of the bill. All documents and information  
13 submitted by an LCRC for purposes of an application for a  
14 certificate of authority shall be confidential and shall not be  
15 made public without the advance written consent of the submitting  
16 LCRC, unless an exception detailed in the bill applies. If  
17 the LCRC's application is complete, the commissioner may issue  
18 a certificate of authority to the LCRC upon a finding that  
19 the LCRC's proposed plan of operation provides for a viable  
20 operation, is not hazardous to a ceding insurer, and the terms  
21 of any reinsurance contract and related transactions of the LCRC  
22 comply with the requirements of the bill and all applicable  
23 insurance laws and rules of the state. In conjunction with  
24 the issuance of the certificate of authority, the commissioner  
25 may issue an order regarding any terms and conditions regarding  
26 the organization, licensing, and operation of the LCRC that  
27 the commissioner deems appropriate. "Ceding insurer" and "life  
28 captive reinsurance company" are defined by the bill.

29 An LCRC shall not adopt a name that is the same, deceptively  
30 similar, or likely to be confused with or mistaken for any other  
31 existing business name already registered in the state.

32 On the date an LCRC files an application for a certificate of  
33 authority, and by March 15 of each succeeding year that an LCRC  
34 is in operation and is ceded new business, a qualified actuary  
35 shall file with the commissioner a certification that the ceding

1 insurer's transactions with the LCRC are not used to gain an  
2 unfair advantage if pricing of policies and contracts reinsured  
3 by the LCRC reflect, at the time the policies and contracts  
4 were issued, a reasonable long-term estimate of the cost to  
5 the ceding insurer of an alternative third-party transaction  
6 and utilize current pricing assumptions. The ceding insurer  
7 shall maintain documentation detailing the process by which the  
8 qualified actuary arrived at the conclusions in preparation for  
9 an examination.

10 The commissioner shall not issue a certificate of authority  
11 unless an LCRC possesses and maintains unimpaired paid-in  
12 capital and surplus that is not less than \$5 million, and the  
13 commissioner may require additional capital and surplus based  
14 upon the reinsurance business transacted by the LCRC. Minimum  
15 capital and surplus shall be in the form of cash or other  
16 securities that are investment-grade at the time of acquisition  
17 and are acceptable to the commissioner. Except as otherwise  
18 provided, Code chapter 521E (risk-based capital requirements for  
19 insurers) shall apply to an LCRC.

20 An LCRC must have a plan of operation approved by its board  
21 of directors, and, prior to assuming risks under a reinsurance  
22 contract, shall submit the plan of operation to the commissioner  
23 for approval. The commissioner may approve the plan of operation  
24 upon finding that the plan meets the requirements of the bill,  
25 and may require amendments to the plan as necessary. Any change  
26 in the LCRC's plan of operation shall require prior approval of  
27 the commissioner. The plan of operation must include all of the  
28 information detailed in the bill.

29 An LCRC or an affiliated company may organize an LCRC pursuant  
30 to the bill, and an LCRC must be formed as a corporation, may  
31 only reinsure risks of the organizing company, and may access  
32 alternative forms of financing. An organizing company shall  
33 maintain a minimum of 10 percent voting interest and 10 percent  
34 equity ownership in the LCRC unless otherwise approved by the  
35 commissioner. An LCRC's organizational documents shall limit

1 the company's authority to transact the business of reinsurance  
2 to only reinsure the risks of a ceding insurer. An organizing  
3 company may invest funds from its surplus in an LCRC, and the  
4 organizing company's officers and directors may serve as officers  
5 and directors of an LCRC. An LCRC shall be deemed to be licensed  
6 to transact the business of reinsurance. An LCRC may, upon  
7 approval of the commissioner, purchase reinsurance. Admitted  
8 assets of an LCRC include assets approved by the commissioner  
9 which shall be deemed to be, and reported as, admitted assets of  
10 the LCRC.

11 An LCRC shall not pay a dividend out of, or other distribution  
12 with respect to, the minimum capital or surplus without the  
13 prior written approval of the commissioner. The commissioner's  
14 approval of an ongoing plan for the payment of dividends or  
15 other distributions shall be conditioned upon retention, at the  
16 time of each payment, of capital and surplus in excess of the  
17 amounts specified by, or determined in accordance with, a formula  
18 approved by the commissioner.

19 The bill details the reports and notifications by an LCRC  
20 required to be filed with the commissioner.

21 The commissioner may examine each LCRC's compliance with  
22 the bill, and may examine the affairs, transactions, accounts,  
23 records, and assets of each LCRC as necessary, but not less  
24 frequently than every five years. Upon the completion of an  
25 examination, or at regular intervals, the commissioner shall  
26 prepare an account of the costs incurred in performing and  
27 preparing the report of the examination which shall be charged  
28 to and paid by the LCRC examined. If the LCRC fails or refuses  
29 to pay, the charges may be recovered in an action brought in the  
30 name of the state. Examination requirements shall apply to all  
31 business written by an LCRC, and applicable provisions of Code  
32 chapter 507 (examination of insurance companies) apply to such  
33 examinations.

34 An LCRC's certificate of authority may be suspended or revoked  
35 by the commissioner for any of the reasons described in the

1 bill. If the commissioner does not revoke an LCRC's certificate  
2 of authority during a suspension, the LCRC's certificate of  
3 authority may be reinstated if the commissioner finds that the  
4 cause of the suspension has been rectified.

5 A merger between LCRCs must meet the requirements of Code  
6 chapter 521 (consolidation, merger, and reinsurance) and Code  
7 section 521J.107, as applicable. The commissioner may provide  
8 notice to the public of a proposed merger prior to approving or  
9 disapproving of a merger. A plan for a merger shall be fair and  
10 equitable to the shareholders and provide for the purchase of the  
11 shares of any nonconsenting shareholder.

12 An LCRC's investment program shall account for the safety of  
13 the company's assets, investment yield and return, stability in  
14 the value of the investment, and liquidity necessary to meet the  
15 company's expected business needs and investment diversification.  
16 The assets of an LCRC shall be preserved and administered to  
17 satisfy the liabilities and obligations of the LCRC incident  
18 to the reinsurance contract, any insurance securitizations, and  
19 other related agreements. At the discretion of the commissioner,  
20 an LCRC shall either comply with Code section 511.8 or invest  
21 its assets in cash and securities that are investment-grade at  
22 the time of acquisition, provided that an LCRC may invest up to  
23 10 percent of its assets in securities or other investments that  
24 are not investment-grade except for any of the assets detailed  
25 in the bill. An LCRC securitization shall include a disclosure  
26 that all or part of the proceeds of the securitization will be  
27 used to fund the LCRC's obligations to the ceding insurer. The  
28 commissioner may reduce the amount of admitted assets previously  
29 approved if it is determined that the value of those assets has  
30 decreased. A minimum of 30 days prior to reducing the amount  
31 of admitted assets, the commissioner shall notify the LCRC and  
32 provide an opportunity to remedy the issues. An LCRC shall  
33 not make a loan to or an investment in any person, other than  
34 as permitted in the plan of operation, without prior written  
35 approval of the commissioner and evidenced by documentation

1 approved by the commissioner. An LCRC shall not loan minimum  
2 capital and surplus funds. An organizing company shall report  
3 its ownership in the LCRC and value the ownership equal to the  
4 audited statutory surplus.

5 An LCRC shall not assume or retain exposure to reinsurance  
6 losses for the LCRC's own account that are funded as detailed in  
7 the bill. An LCRC may cede risks assumed through a reinsurance  
8 contract to reinsurers through the purchase of retrocession,  
9 subject to prior approval of the commissioner.

10 An LCRC may enter into contracts and conduct other commercial  
11 activities related or incidental to and necessary to fulfill the  
12 purposes of a reinsurance contract, an insurance securitization,  
13 and the bill. Such contracts and commercial activities must  
14 be included in the LCRC's plan of operation or otherwise be  
15 approved in advance by the commissioner and may include the  
16 contracts and activities detailed in the bill. Unless approved  
17 by the commissioner, a reinsurance contract shall not contain a  
18 provision for payment by the LCRC in discharge of its obligations  
19 to a person other than the ceding insurer or a receiver of the  
20 ceding insurer.

21 An LCRC shall not be required to join a rating organization  
22 and shall not join or contribute financially to any plan, pool,  
23 association, or guaranty or insolvency fund in this state.

24 An LCRC domiciled in the state may apply to the commissioner  
25 for a certificate of dormancy, which shall be valid for five  
26 years and may not be renewed. An LCRC issued a certificate  
27 of dormancy shall comply with the requirements of the bill and  
28 shall not be subject to Code section 432.1A. At the discretion  
29 of the commissioner, a dormant LCRC may be subject to an annual  
30 examination. A dormant LCRC must apply for approval to surrender  
31 a certificate of dormancy and resume conducting business prior to  
32 issuing an insurance policy.

33 Unless otherwise approved, an LCRC shall maintain the original  
34 books, records, documents, accounts, vouchers, and agreements in  
35 this state, make them available for examination and inspection by

1 the commissioner upon request, and keep them in the state until  
2 the commissioner approves destruction or other disposition of the  
3 books, records, documents, accounts, vouchers, and agreements.  
4 The LCRC may store and reproduce the books, records, documents,  
5 accounts, vouchers, and agreements electronically but shall also  
6 be kept in a manner that the commissioner can readily ascertain  
7 the LCRC's financial condition, affairs, and operations; can  
8 readily verify the LCRC's financial statements; and can confirm  
9 the LCRC's compliance with the bill.

10 An LCRC shall not take any of the actions detailed in the  
11 bill unless the company provides the commissioner at least  
12 30 days prior written notice and the commissioner expressly  
13 approves the action. An LCRC shall submit to the commissioner  
14 requests for authorization prior to making payments of interest  
15 on, and repayments of principal of, surplus notes and other  
16 debt obligations issued by an LCRC. The commissioner shall  
17 not approve the payment or repayment if it would jeopardize  
18 the ability of the LCRC or another person to fulfill their  
19 obligations.

20 An LCRC security shall not be subject to regulation as an  
21 insurance or reinsurance contract. An investor in, or holder of,  
22 the security shall not be considered to transact in the business  
23 of insurance solely based on such interest. An underwriter's  
24 placement agents, selling agents, partners, commissioners,  
25 officers, members, managers, employees, agents, representatives,  
26 and advisors involved in an insurance securitization shall  
27 not be considered to be insurance producers or brokers or to  
28 be conducting business as an insurance company, a reinsurance  
29 company, or an insurance agency, brokerage, intermediary,  
30 advisory, or consulting business, solely by virtue of their  
31 underwriting activities in connection with a securitization.

32 The commissioner may adopt rules to implement and administer  
33 the bill.
