35 EXPLANATION

S.F. 184

1 The inclusion of this explanation does not constitute agreement with
2 the explanation's substance by the members of the general assembly.

3 This bill provides that there is no time limitation to bring
4 civil actions relating to sexual abuse, human trafficking, or
5 exploitation of a minor regardless of the theory of liability in
6 the action.

7 Under current Code section 614.1(12), a civil action for
8 damages for injury suffered as result of sexual abuse or sexual
9 exploitation by a counselor, therapist, school employee, or adult
10 providing training or instruction can only be brought within five
11 years after the date that the victim was either last treated
12 by the counselor or therapist or last enrolled in or attended
13 the school. Current Code section 614.8A provides a four-year
14 limitation for civil actions of sexual abuse against a child
15 not discovered until after the injured person is of the age
16 of majority. These provisions are stricken or repealed to the
17 extent they are duplicative or inconsistent with the bill. If an
18 action was previously dismissed before the effective date of the
19 bill on the grounds that it was time-barred or because the party
20 failed to file a petition, the bill provides the party the right
21 to file a revival action.

22 The bill also provides that state tort claims and tort
23 liability of governmental subdivisions statutes of limitations do
24 not apply to sexual abuse, human trafficking, or exploitation of
25 a minor actions.

26 The bill takes effect upon enactment.
