11 EXPLANATION

12 The inclusion of this explanation does not constitute agreement with
13 the explanation's substance by the members of the general assembly.

14 This bill relates to vaccination exemptions for certain
15 students in clinical rotations and the qualification for
16 postsecondary schools as eligible institutions for Iowa tuition
17 grants.

18 The bill defines "clinical rotation" (rotation) as a period of
19 training completed for academic credit by a student in a medical,
20 nursing, or other health care-related degree that is supervised
21 by a health care professional in a facility. The bill also
22 defines "postsecondary school" and "facility".

23 The bill requires a postsecondary school offering a degree
24 program requiring a rotation to, upon request of a student
25 enrolled in the degree program, identify a rotation placement
26 where the student will be exempt from any vaccination
27 requirements imposed by the placement during the duration of the
28 rotation. Under the bill, a postsecondary school that fails to
29 comply does not qualify as an eligible institution for purposes
30 of Iowa tuition grants. The bill amends the definition of
31 eligible institution under Code section 256.183.
