4 The division repeals Code provisions for the Iowa conservation
5 corps, the workforce investment program, the statewide mentoring
6 program, the new employment opportunity program, and the nursing
7 workforce data clearinghouse.

8 The division generally transfers duties relating to compiling
9 an annual report for submission to the governor and general
10 assembly on various workforce training programs from the
11 department to the college student aid commission.

12 The division strikes requirements for the department to
13 collaborate with specified education-related entities when
14 performing certain duties.

15 The division strikes detailed language relating to duties of
16 the workforce development board concerning standing committees,
17 public availability of information, comprehensive state workforce
18 development plans, recommendations on the use of federal funds,

5 is retained.

6 The division appropriates \$1,039,425 from the general fund to
7 the department for the Iowa student internship fund. Moneys in
8 the fund are used to increase the availability of skilled workers
9 in innovative businesses by providing Iowa student internship
10 opportunities.

11 DIVISION IV — ADULT EDUCATION AND LITERACY PROGRAMS. Under
12 current law, the department and community colleges are required
13 to implement and set standards for certain adult education and
