21 EXPLANATION

22 The inclusion of this explanation does not constitute agreement with
23 the explanation's substance by the members of the general assembly.

24 This bill relates to the veterans trust fund.

25 The bill requires that each fiscal year in which the balance
26 of the veterans trust fund is below \$75 million, rather than
27 \$50 million, the interest on the veterans trust fund and the
28 first \$500,000 received from the lottery fund be appropriated to
29 the commission of veterans affairs to provide various benefits
30 to veterans and veterans' families according to Code section
31 35A.13(8). The bill removes the requirement that when the
32 balance of the veterans trust fund is above \$50 million but was
33 below \$50 million the previous fiscal year, moneys transferred
34 from the lottery fund be appropriated to the commission of
35 veterans affairs to be used according to Code section 35A.13(8).

1 The bill also removes the requirement that when the balance of
2 the veterans trust fund for both the present and the previous
3 fiscal year are above \$50 million, the net income of the veterans
4 trust fund from the previous fiscal year be appropriated to the
5 commission of veterans affairs to be used according to Code
6 section 35A.13(8). The bill removes the requirement that the
7 moneys from the lottery fund be distributed to county directors
8 of veteran affairs when the veterans trust fund has a balance of
9 more than \$50 million, and terminates transfers from the lottery
10 fund for each fiscal year in which the veterans trust fund has a
11 balance of at least \$75 million.
