17 EXPLANATION

18 The inclusion of this explanation does not constitute agreement with
19 the explanation's substance by the members of the general assembly.

20 This bill relates to alcoholic beverages.

21 DEFINITIONS AND LICENSE AUTHORIZATIONS. The bill modifies
22 the definition of "canned cocktail" by specifying that the
23 alcohol component is primarily alcoholic liquor, and expands the
24 definition of "mixed drink or cocktail" to include alcoholic
25 beverages composed of wine or beer. The bill authorizes a
26 special class "C" retail alcohol licensee or a special class "C"
27 retail native wine licensee to sell mixed drinks or cocktails
28 for consumption off the premises pursuant to Code section
29 123.49(2)(d)(3), if the beverage does not contain alcoholic
30 liquor.

31 The bill specifically authorizes the state of Iowa or a state
32 agency to be issued a retail alcohol license and excludes them
33 from the requirements that the applicant for a retail alcohol
34 license, class "A" native distilled spirits license, class "A"
35 or special class "A" beer permit, or class "A" wine permit be a

1 person of good moral character and authorized to do business in
2 the state of Iowa. The bill does not enact such an exclusion for
3 a wine auction permit (Code section 123.173C).

4 This division takes effect upon enactment.

5 LICENSING FEE DETERMINATION. Under current law, when
6 determining the applicable fee for a class "B", class "C",
7 special class "C", or class "E" retail alcohol license, where
8 the premises or commercial establishment is located outside the
9 corporate limits of any city, the population of the nearest
10 incorporated city is used, unless the licensed premises is
11 located in an unincorporated town, then the unincorporated
12 town is treated as a city. The bill instead determines such
13 fees based on the population of the nearest incorporated city
14 as determined by the address assigned by United State postal
15 service.

16 This division applies to licenses issued or renewed on or
17 after November 10, 2025. A license issued prior to that date and
18 in effect on that date shall continue in full force and effect
19 until expiration or renewal.
