34 EXPLANATION

35 The inclusion of this explanation does not constitute agreement with

1                   the explanation's substance by the members of the general assembly.

2       This bill relates to homelessness including unauthorized use  
3 of public land, sanctioned camping, drug-free homeless service  
4 zones, and funding for homeless services.

5       DIVISION I — UNAUTHORIZED USE OF PUBLIC LAND. The bill  
6 prohibits a person from using public property for unauthorized  
7 sleeping, camping, or long-term shelter. If an individual  
8 knowingly violates this provision, the individual shall be  
9 provided a warning and offered services or shelter. If the  
10 individual refuses to vacate the public property, the individual  
11 commits a simple misdemeanor. A simple misdemeanor is punishable  
12 by confinement for no more than 30 days and a fine of at least  
13 \$105 but not more than \$855.

14       The bill also prohibits a political subdivision from adopting  
15 or enforcing any policy under which the political subdivision  
16 directly or indirectly prohibits or discourages the enforcement  
17 of any order or ordinance prohibiting unauthorized sleeping,  
18 camping, or long-term shelter on public property, or obstruction  
19 of public rights-of-way, including roads and sidewalks. A  
20 political subdivision shall not directly or indirectly prohibit  
21 or discourage a peace officer or prosecuting attorney who is  
22 employed by, or otherwise under the direction or control of,  
23 the political subdivision from enforcing any order or ordinance  
24 prohibiting unauthorized sleeping, camping, or long-term shelter  
25 on public property or the obstruction of public rights-of-way,  
26 including roads and sidewalks.

27       The bill does not prohibit a policy of any political  
28 subdivision that encourages diversion programs or offers services  
29 in lieu of citation or arrest.

30       The attorney general may bring a civil action against any  
31 political subdivision to enjoin the political subdivision from  
32 violating the bill, and the attorney general may recover  
33 reasonable expenses incurred in any civil action brought under  
34 the bill.

35       DIVISION II — PUBLIC CAMPING — COUNTIES AND CITIES. The bill

1 allows a county or city to adopt or enforce an ordinance, motion,  
2 resolution, or amendment designating portions of public property  
3 within its jurisdiction, for periods not to exceed one year, to  
4 be used for public camping by persons experiencing unsheltered  
5 homelessness. The ordinance, motion, or resolution shall include  
6 the following standards and requirements: a list of residents  
7 must be kept identifying the names and dates of persons using  
8 the public camping location; specific sublots, parking spots, or  
9 other designated areas must be assigned to each person or family;  
10 property and personal safety and security measures shall be  
11 established; sanitization measures shall be established including  
12 providing residents, at a minimum, clean and running water,  
13 restrooms, and a location to shower; access shall be provided  
14 to regionally available services such as behavioral health,  
15 substance abuse, and mental health treatment; alcoholic beverages  
16 and all illegal substances shall be banned from the public  
17 camping location; and all other federal, state, and local laws,  
18 ordinances, and resolutions are applicable and shall be enforced.  
19 The attorney general, or a resident or a business owner of the  
20 county may seek an injunction to enforce the requirements of the  
21 bill or may initiate other proceedings in district court. If  
22 the resident or business owner prevails, the court may award  
23 reasonable expenses to be paid by the county or city including  
24 but not limited to court costs, attorney fees, and any and all  
25 costs associated with the proceedings. Prior to seeking an  
26 injunction, the resident or business owner shall provide written  
27 notice to the county or city that an alleged violation of the  
28 bill has occurred and allow the county at least five business  
29 days to cure the violation. The bill does not apply to any other

31 or federal laws and regulations. The bill defines "camping",

5 homeless individuals and that receives state, local, or federal  
6 funding, and the person allows an individual accessing services  
7 to possess or use a controlled substance on the premises of the  
8 facility.

9 The bill provides that a person who sells or transfers  
10 a controlled substance, or attempts to sell or transfer a  
11 controlled substance within a drug-free homeless service zone is  
12 punishable as the same class of criminal violation for which the  
13 offense would be punishable under existing law had the violation  
14 not occurred within a drug-free homeless service zone, except  
15 that the minimum and maximum sentence for the offense shall be  
16 increased by one year. A person convicted of this offense is not  
17 eligible for a deferred judgment, deferred or suspended sentence,  
18 probation, or work release.

20 to enforce the policies and requirements of a facility-based  
21 drug-free service zone who allows an individual accessing  
22 services to possess or use a controlled substance on the premises  
23 of the facility is guilty of an aggravated misdemeanor. An  
24 aggravated misdemeanor is punishable by confinement for no more  
25 than two years and a fine of at least \$855 but not more than  
26 \$8,540. An operator of a facility-based drug-free service zone  
27 who violates the bill is ineligible to apply for homelessness  
28 assistance grants from the state for a period of three years from  
29 the date of conviction.

30 The bill provides that in addition to any other penalty, a  
31 person convicted of an offense under the bill shall be punished  
32 by a fine of not less than \$2,000 or three times the value  
33 as determined by the court of the drugs involved in or giving  
34 rise to the offense, whichever is greater. The fine may not be  
35 suspended, in part or whole, for any reason.

1 The bill requires the operator of a facility-based service  
2 that primarily serves homeless individuals to place and maintain
