EXPLANATION

11

The inclusion of this explanation does not constitute agreement with

12

the explanation's substance by the members of the general assembly.

13

Under current law, an assessor or the assessor's staff must
14 redact the name of a participant in the address confidentiality
15 program from documents displayed for public access on an internet
16 site, upon the participant's request. This bill extends this
17 requirement to recorders and requires recorders to implement and
18 maintain a process to facilitate such requests. The bill also
19 strikes the reference to the assessor's staff for purposes of the
20 requirement.
