35 licensed athletic trainer accountable for abiding by the scope of

1 practice in the state in which the patient is located at the time
2 of care.

35 authority, the licensee must meet the requirements of this

1 subsection to obtain a compact privilege in any remote state.

2 g. If a licensee's compact privilege in any remote state is
3 removed, that licensee may also lose the compact privilege in

18 for such designation may be further defined by compact commission
19 rule.

20 b. Nothing in this subsection shall require that the state of
21 qualifying licensure be the state of primary residence or state
22 of primary practice for the licensee.

23 c. Nothing in this compact shall interfere with a licensee's
24 ability to hold a single state license in multiple states.

25 d. Nothing in this compact shall affect the requirements
26 established by a member state for the issuance of a single state
27 license.

28 6. *Active military members or their spouses.* An active
29 military member or their spouse shall not be required to pay a
30 fee to the commission for a compact privilege. If a member state

35 a. A member state in which a licensee is issued a compact

1 qualifying license shall have the exclusive authority to impose
2 adverse action against the compact qualifying license issued by
3 that member state.

4 b. A member state may take adverse action based on current
5 significant investigative information of a remote state, so long
6 as the member state follows its own procedures for imposing
7 adverse action.

8 c. Nothing in this compact shall override a member state's
9 decision that participation in an alternative program may be used
10 in lieu of adverse action and that such participation shall
11 remain nonpublic if required by the member state's laws or rules.

12 d. A remote state shall have the authority to do all of the
13 following:

14 (1) Take adverse actions as set forth herein against a
15 licensee's compact privilege in that state.

17 require the attendance and testimony of witnesses as well as the
18 production of evidence.

19 (a) Subpoenas may be issued by a member state athletic
20 training licensing authority for the attendance and testimony of
21 witnesses and the production of evidence.

22 (b) A member state which issues a subpoena may request
23 service of that subpoena by another member state. The member
24 state receiving the request to serve a subpoena shall serve the
25 subpoena if it is deemed enforceable by a court of competent
26 jurisdiction according to the practice and procedure in the
27 receiving member state.

28 (c) The issuing authority shall pay any witness fees, travel
29 expenses, mileage, and other fees required by the service
30 statutes of the state where the witnesses or evidence are
31 located.

32 e. For purposes of taking adverse action, a member state
33 shall give the same priority and effect to reported conduct
34 received from another member state as it would if the conduct had
35 occurred within that state. In so doing, the investigating

1 member state shall apply its own state laws to determine
2 appropriate action.

3 *f.* A member state, if otherwise permitted by state law, may
4 recover from the affected licensee the costs of investigations
5 and dispositions of cases resulting from any adverse action taken
6 against that licensee.

7 *g.* Joint investigations.

8 (1) In addition to the authority granted to a member state by
9 its respective state law, any member state may participate with
10 other member states in joint investigations of licensees.

11 (2) Member states shall share any current significant
12 investigative information, litigation, or compliance materials in
13 furtherance of any joint or individual investigation initiated
14 under the compact. In sharing such information between member
15 state athletic trainer licensing authorities, all information
16 obtained shall be kept confidential, except as otherwise mutually
17 agreed upon by the sharing and receiving member state.

18 (3) A remote state may issue subpoenas on behalf of a member
19 state for both hearings and investigations that require the
20 attendance and testimony of witnesses as well as the production
21 of evidence.

22 *h.* If a member state takes adverse action, it shall promptly
23 notify the administrator of the data system. The administrator
24 of the data system shall promptly notify all member states of any
25 adverse actions by remote states.

26 *i.* Nothing in this compact permits a member state to take any
27 adverse action against a licensee or holder of a compact
28 privilege for conduct or practice occurring in another member
29 state that was legal in the member state at the time it was
30 undertaken.

31 8. *Establishment and operation of the commission.*

32 *a.* The compact member states hereby create and establish a
33 joint government agency whose membership consists of all member
34 states that have enacted the compact known as the athletic

2 instrumentality of any one state. The compact commission shall
3 come into existence on or after the effective date of the compact
4 as set forth in subsection 12.

21 (a) Executive committee meetings shall be open to the public,
22 except that the executive committee may meet in a closed,
23 nonpublic meeting as provided in this subsection.

24 (b) The executive committee shall give advance notice of its
25 meetings, posted on its internet site and as determined by rule
26 or bylaw to provide notice to persons with an interest in the
27 business of the compact commission.

28 (c) The executive committee may hold a special meeting in
29 accordance with this subsection.

30 e. The compact commission shall adopt and provide to the
31 member states an annual report.

32 f. Meetings of the compact commission.

33 (1) All meetings shall be open to the public, except that the
34 compact commission may meet in a closed, nonpublic meeting as
35 provided in this paragraph.

1 (2) Public notice for all meetings of the full compact
2 commission of meetings shall be given in the same manner as
3 required under the rulemaking provisions in this compact, except
4 that the compact commission may hold a special meeting as
5 provided in this paragraph.

6 (3) The compact commission may hold a special meeting when it
7 must meet to conduct emergency business by giving twenty-four
8 hours' notice to all commissioners, on the compact commission's
9 internet site, and other means as provided in the compact
10 commission's rules. The compact commission's legal counsel shall
11 certify that the compact commission's need to meet qualifies as
12 an emergency.

13 (4) The compact commission or the executive committee or
14 other committees of the compact commission may convene in a
15 closed, nonpublic meeting for the compact commission or executive
16 committee or other committees of the compact commission to
17 receive legal advice or to discuss any of the following:

18 (a) Noncompliance of a member state with its obligations
19 under the compact.

20 (b) The employment, compensation, discipline or other
21 matters, practices or procedures related to specific employees.

22 (c) Current or threatened discipline of a licensee by a
23 member state's licensing authority.

24 (d) Current, threatened, or reasonably anticipated
25 litigation.

26 (e) Negotiation of contracts for the purchase, lease, or sale
27 of goods, services, or real estate.

28 (f) Accusing any person of a crime or formally censuring any
29 person.

30 (g) Trade secrets or commercial or financial information that
31 is privileged or confidential.

32 (h) Information of a personal nature where disclosure would
33 constitute a clearly unwarranted invasion of personal privacy.

34 (i) Investigative records compiled for law enforcement
35 purposes.

1 (j) Information related to any investigative reports prepared
2 by or on behalf of or for use of the compact commission or other
3 committee charged with responsibility of investigation or
4 determination of compliance issues pursuant to the compact.

5 (k) Matters specifically exempted from disclosure by federal
6 or member state law.

7 (l) Other matters as specified in rules of the compact
8 commission.

9 (5) If a meeting, or portion of a meeting, is closed, the
10 compact commission's legal counsel or designee shall certify that
11 the meeting will be closed and reference each relevant exempting
12 provision, and such reference shall be recorded in the minutes.
13 All minutes and documents of a closed meeting shall remain under
14 seal, subject to release only by a majority vote of the compact
15 commission or order of a court of competent jurisdiction.

16 g. Financing of the compact commission.

17 (1) The compact commission shall pay, or provide for the
18 payment of, the reasonable expenses of its establishment,
19 organization, and ongoing activities.

20 (2) The compact commission may accept any and all appropriate
21 revenue sources as provided in this section.

22 (3) The compact commission may levy on and collect an annual
23 assessment from each member state and impose fees on licensees of
24 member states to whom it grants a compact privilege to cover the
25 cost of the operations and activities of the compact commission
26 and its staff, which must be in a total amount sufficient to
27 cover its annual budget as approved each year for which revenue
28 is not provided by other sources. The aggregate annual
29 assessment amount for member states shall be allocated based upon
30 a formula that the compact commission shall promulgate by rule.

31 (4) The compact commission shall not incur obligations of any
32 kind prior to securing the funds or a loan adequate to meet the
33 same; nor shall the compact commission pledge the credit of any
34 of the member states, except by and with the authority of the
35 member state.

1 (5) The compact commission shall keep accurate accounts of
2 all receipts and disbursements. The receipts and disbursements
3 of the compact commission shall be subject to the financial
4 review or audit and accounting procedures established under its
5 bylaws. However, all receipts and disbursements of funds handled
6 by the compact commission shall be subject to an annual financial
7 review or audit by a certified or licensed public accountant, and
8 the report of the financial review or audit shall be included in
9 and become part of the annual report of the compact commission.

10 h. Qualified immunity, defense, and indemnification.

11 (1) The members, officers, executive director, employees and
12 representatives of the compact commission shall be immune from
13 suit and liability, both personally and in their official
14 capacity, for any claim for damage to or loss of property or
15 personal injury or other civil liability caused by or arising out
16 of any actual or alleged act, error, or omission that occurred,
17 or that the person against whom the claim is made had a
18 reasonable basis for believing occurred within the scope of
19 compact commission employment, duties or responsibilities;
20 provided that nothing in this subparagraph shall be construed to
21 protect any such person from suit or liability for any damage,
22 loss, injury, or liability caused by the intentional or willful
23 or wanton misconduct of that person. The procurement of
24 insurance of any type by the compact commission shall not in any
25 way compromise or limit the immunity granted hereunder.

26 (2) The compact commission shall defend any member, officer,
27 executive director, employee, and representative of the compact
28 commission in any civil action seeking to impose liability
29 arising out of any actual or alleged act, error, or omission that
30 occurred within the scope of compact commission employment,
31 duties, or responsibilities, or as determined by the compact
32 commission that the person against whom the claim is made had a
33 reasonable basis for believing occurred within the scope of
34 compact commission employment, duties, or responsibilities;
35 provided that nothing herein shall be construed to prohibit that

1 person from retaining their own counsel at their own expense; and
2 provided further, that the actual or alleged act, error, or
3 omission did not result from that person's intentional or willful
4 or wanton misconduct.

5 (3) The compact commission shall indemnify and hold harmless
6 any member, officer, executive director, employee, and
7 representative of the compact commission for the amount of any
8 settlement or judgment obtained against that person arising out
9 of any actual or alleged act, error, or omission that occurred
10 within the scope of compact commission employment, duties, or
11 responsibilities, or that such person had a reasonable basis for
12 believing occurred within the scope of compact commission
13 employment, duties, or responsibilities, provided that the actual
14 or alleged act, error, or omission did not result from the
15 intentional or willful or wanton misconduct of that person.

16 (4) Nothing herein shall be construed as a limitation on the
17 liability of any licensee for professional malpractice or
18 misconduct, which shall be governed solely by any other
19 applicable state laws.

20 (5) Nothing in this compact shall be interpreted to waive or
21 otherwise abrogate a member state's state action immunity or
22 state action affirmative defense with respect to antitrust claims
23 under the Sherman Act, Clayton Act, or any other state or federal
24 antitrust or anticompetitive law or regulation.

25 (6) Nothing in this compact shall be construed to be a waiver
26 of sovereign immunity by the member states or by the compact
27 commission.

28 9. *Data system.*

29 a. The commission shall provide for the development,
30 maintenance, operation, and utilization of a coordinated data
31 system and reporting system containing licensure, compact
32 privileges, adverse action, and the presence of current
33 significant investigative information on all licensees and
34 applicants for a license in member states.

35 b. Notwithstanding any other provision of state law to the

1 contrary, a member state shall submit a uniform data set to the
2 data system on all licensees, applicants, and others to whom this
3 compact is applicable as required by the rules of the compact
4 commission, including all of the following:

5 (1) Personally identifying information.

6 (2) Licensure data.

7 (3) Adverse actions against a licensee, license applicant or
8 compact privilege and information related thereto.

9 (4) Nonconfidential information related to alternative
10 program participation, the beginning and ending dates of such
11 participation, and other information related to such
12 participation.

13 (5) Any denial of an application for licensure, and the
14 reason for such denial, excluding the reporting of any criminal
15 history record information where prohibited by law.

16 (6) A binary determination regarding the presence of current
17 significant investigative information.

18 (7) Other information that may facilitate the administration
19 of this compact or the protection of the public, as determined by
20 the rules of the commission.

21 c. The records and information provided to a member state
22 pursuant to this compact or through the data system, when
23 certified by the commission or an agent thereof, shall constitute
24 the authenticated business records of the commission, and shall
25 be entitled to any associated hearsay exception in any relevant
26 judicial, quasi-judicial or administrative proceedings in a
27 member state.

28 d. Current significant investigative information pertaining
29 to a licensee in any member state will only be available to other
30 member states.

31 e. It is the responsibility of the member states to monitor
32 the data system to determine whether adverse action has been
33 taken against a licensee or license applicant. Adverse action
34 information pertaining to a licensee or license applicant in any
35 member state will be available to any other member state.

1 *f.* Member states contributing information to the data system
2 may designate information that may not be shared with the public
3 without the express permission of the contributing state.

4 *g.* Any information submitted to the data system that is
5 subsequently expunged pursuant to federal law or the laws of the
6 member state contributing the information shall be removed from
7 the data system.

8 10. *Rulemaking.*

9 *a.* The compact commission shall promulgate reasonable rules
10 in order to effectively and efficiently implement and administer
11 the purposes and provisions of the compact. A rule shall be
12 invalid and have no force or effect only if a court of competent
13 jurisdiction holds that the rule is invalid because the compact
14 commission exercised its rulemaking authority in a manner that is
15 beyond the scope and purposes of the compact, or the powers
16 granted hereunder, or based upon another applicable standard of
17 review.

18 *b.* The rules of the compact commission shall have the force
19 of law in each member state, provided however that where the
20 rules conflict with the laws or regulations of a member state
21 that relate to the scope of practice a licensed athletic trainer
22 is permitted to undertake in that state and the circumstances
23 under which they may do so, as held by a court of competent
24 jurisdiction, the rules of the compact commission shall be
25 ineffective in that state to the extent of the conflict.

26 *c.* The compact commission shall exercise its rulemaking
27 powers pursuant to the criteria set forth in this subsection and
28 the rules adopted thereunder. Rules of this compact shall become
29 binding on the day following adoption or as of the date specified
30 in the rule or amendment, whichever is later.

31 *d.* If a majority of the legislatures of the member states
32 rejects a rule or portion of a rule, by enactment of a statute or
33 resolution in the same manner used to adopt the compact within
34 four years of the date of adoption of the rule, then such rule
35 shall have no further force and effect in any member state.

1 e. Rules shall be adopted at a regular or special meeting of
2 the compact commission.

3 f. Prior to adoption of a proposed rule, the compact
4 commission shall hold a public hearing and allow persons to
5 provide oral and written comments, data, facts, opinions, and
6 arguments. At least thirty days in advance of the public hearing
7 on the proposed rule, the compact commission shall provide a
8 notice of proposed rulemaking as follows:

9 (1) On the internet site of the compact commission or other
10 publicly accessible platform.

11 (2) To persons who have requested notice of the compact
12 commission's notices of proposed rulemaking.

13 (3) In such other ways as the compact commission may by rule
14 specify.

15 g. The notice of proposed rulemaking shall include all of the
16 following:

17 (1) The time, date, and location of the public hearing at
18 which the compact commission will hear public comments on the
19 proposed rule and, if different, the time, date, and location of
20 the meeting where the compact commission will consider and vote
21 on the proposed rule.

22 (2) If the hearing is held via telecommunication,
23 videoconference, or other electronic means, the compact
24 commission shall include the mechanism for access to the hearing
25 in the notice of proposed rulemaking.

26 (3) The text of the proposed rule and the reason therefor.

27 (4) A request for comments on the proposed rule from any
28 interested person.

29 (5) The manner in which interested persons may submit written
30 comments.

31 h. All hearings shall be recorded. A copy of the recording
32 and all written comments and documents received by the compact
33 commission in response to the proposed rule shall be available to
34 the public.

35 i. Nothing in this subsection shall be construed as requiring

1 a separate hearing on each rule. Rules may be grouped for the
2 convenience of the compact commission at hearings required by
3 this subsection.

4 j. The compact commission shall, by majority vote of all
5 members, take final action on the proposed rule based on the
6 rulemaking record and the full text of the rule.

7 (1) The compact commission may adopt changes to the proposed
8 rule provided the changes do not enlarge the original purpose of
9 the proposed rule.

10 (2) The compact commission shall provide an explanation of
11 the reasons for substantive changes made to the proposed rule as
12 well as reasons for substantive changes not made that were
13 recommended by commenters.

14 (3) The compact commission shall determine a reasonable
15 effective date for the rule. Except for an emergency as provided
16 in this subsection, the effective date of the rule shall be no
17 sooner than thirty days after issuing the notice that it adopted
18 or amended the rule.

19 k. Upon determination that an emergency exists, the compact
20 commission may consider and adopt an emergency rule with
21 twenty-four hours' notice, with opportunity to comment, provided
22 that the usual rulemaking procedures provided in the compact and
23 in this subsection shall be retroactively applied to the rule as
24 soon as reasonably possible, in no event later than ninety days
25 after the effective date of the rule. For the purposes of this
26 paragraph, an emergency rule is one that must be adopted
27 immediately in order to do any of the following:

28 (1) Meet an imminent threat to public health, safety, or
29 welfare.

30 (2) Prevent a loss of compact commission or member state
31 funds.

32 (3) Meet a deadline for the promulgation of a rule that is
33 established by federal law or rule.

34 (4) Protect public health and safety.

35 l. The compact commission or an authorized committee of the

1 compact commission may direct revisions to a previously adopted
2 rule for purposes of correcting typographical errors, errors in
3 format, errors in consistency, or grammatical errors. Public
4 notice of any revisions shall be posted on the internet site of
5 the compact commission. The revision shall be subject to
6 challenge by any person for a period of thirty days after
7 posting. The revision may be challenged only on grounds that the
8 revision results in a material change to a rule. A challenge
9 shall be made in writing and delivered to the compact commission
10 prior to the end of the notice period. If no challenge is made,
11 the revision will take effect without further action. If the
12 revision is challenged, the revision may not take effect without
13 the approval of the compact commission.

14 m. No member state's rulemaking requirements shall apply
15 under this compact.

16 11. *Oversight, dispute resolution, and enforcement.*

17 a. Oversight.

18 (1) The executive and judicial branches of state government
19 in each member state shall enforce this compact and take all
20 actions necessary and appropriate to implement the compact.

21 (2) Except as otherwise provided in this compact, venue is
22 proper and judicial proceedings by or against the compact
23 commission shall be brought solely and exclusively in a court of
24 competent jurisdiction where the principal office of the compact
25 commission is located. The compact commission may waive venue
26 and jurisdictional defenses to the extent it adopts or consents
27 to participate in alternative dispute resolution proceedings.
28 Nothing herein shall affect or limit the selection or propriety
29 of venue in any action against a licensee for professional
30 malpractice, misconduct or any such similar matter.

31 (3) The compact commission shall be entitled to receive
32 service of process in any proceeding regarding the enforcement or
33 interpretation of the compact and shall have standing to
34 intervene in such a proceeding for all purposes. Failure to
35 provide the compact commission service of process shall render a

1 judgment or order void as to the compact commission, this
2 compact, or promulgated rules.

3 b. Default, technical assistance, and termination.

4 (1) If the compact commission determines that a member state
5 has defaulted in the performance of its obligations or
6 responsibilities under this compact or the promulgated rules, the
7 commission shall provide written notice to the defaulting state.
8 The notice of default shall describe the default, the proposed
9 means of curing the default, and any other action that the
10 compact commission may take, and shall offer training and
11 specific technical assistance regarding the default.

12 (2) The compact commission shall provide a copy of the notice
13 of default to the other member states.

14 c. If a state in default fails to cure the default, the
15 defaulting state may be terminated from the compact upon an
16 affirmative vote of a majority of the commissioners of the member
17 states, and all rights, privileges and benefits conferred on that
18 state by this compact may be terminated on the effective date of
19 termination. A cure of the default does not relieve the
20 offending state of obligations or liabilities incurred during the
21 period of default.

22 d. Termination of membership in the compact shall be imposed
23 only after all other means of securing compliance have been
24 exhausted. Notice of intent to suspend or terminate shall be
25 given by the compact commission to the governor, the majority and
26 minority leaders of the defaulting state's legislature, the
27 defaulting state's licensing authority and each of the member
28 states' licensing authority.

29 e. A state that has been terminated is responsible for all
30 assessments, obligations, and liabilities incurred through the
31 effective date of termination, including obligations that extend
32 beyond the effective date of termination.

33 f. Upon the termination of a state's membership from this
34 compact, that state shall immediately provide notice to all
35 licensees within that state of such termination. The terminated

1 state shall continue to recognize all licenses and compact
2 privileges granted pursuant to this compact for a minimum of one
3 hundred eighty days after the date of said notice of termination.

4 g. The compact commission shall not bear any costs related to
5 a state that is found to be in default or that has been
6 terminated from the compact, unless agreed upon in writing
7 between the compact commission and the defaulting state.

8 h. The defaulting state may appeal the action of the compact
9 commission by petitioning the United States district court for
10 the District of Columbia or the federal district where the
11 compact commission has its principal offices. The prevailing
12 party shall be awarded all costs of such litigation, including
13 reasonable attorney fees.

14 i. Dispute resolution.

15 (1) Upon request by a member state, the compact commission
16 shall attempt to resolve disputes related to the compact that
17 arise among member states and between member and nonmember
18 states.

19 (2) The compact commission shall promulgate a rule providing
20 for both mediation and binding dispute resolution for disputes as
21 appropriate.

22 j. Enforcement.

23 (1) By two-thirds majority vote, the compact commission may
24 initiate legal action against a member state in default in the
25 United States district court for the District of Columbia or the
26 federal district where the compact commission has its principal
27 offices to enforce compliance with the provisions of the compact
28 and its promulgated rules. The relief sought may include both
29 injunctive relief and damages. In the event judicial enforcement
30 is necessary, the prevailing party shall be awarded all costs of
31 such litigation, including reasonable attorney fees. The
32 remedies herein shall not be the exclusive remedies of the
33 compact commission. The compact commission may pursue any other
34 remedies available under federal or the defaulting member state's
35 law.

1 (2) A member state may initiate legal action against the
2 compact commission in the United States district court for the
3 District of Columbia or the federal district where the compact
4 commission has its principal offices to enforce compliance with
5 the provisions of the compact and its promulgated rules. The
6 relief sought may include both injunctive relief and damages. In
7 the event judicial enforcement is necessary, the prevailing party
8 shall be awarded all costs of such litigation, including
9 reasonable attorney fees.

10 (3) No person other than a member state shall enforce this
11 compact against the compact commission.

12 12. *Effective date, withdrawal, and amendment.*

13 a. The compact shall come into effect on the date on which
14 the compact statute is enacted into law in the seventh member
15 state.

16 (1) On or after the effective date of the compact, the
17 compact commission shall convene and review the enactment of each
18 charter member state to determine if the statute enacted and made
19 effective by each such charter member state is materially
20 different than the model compact statute.

21 (a) A charter member state whose enactment is found to be
22 materially different from the model compact language shall be
23 entitled to the default process set forth in subsection 11.

24 (b) If any member state is later found to be in default, or
25 is terminated or withdraws from the compact, the compact
26 commission shall remain in existence and the compact shall remain
27 in effect even if the number of member states should be less than
28 seven.

29 (2) Member states enacting the compact subsequent to the
30 seven initial charter member states shall be subject to the
31 process set forth in this section to determine if their
32 enactments are materially different from the model compact
33 statute and whether they qualify for participation in the
34 compact.

35 (3) All actions taken for the benefit of the compact

1 commission or in furtherance of the purposes of the
2 administration of the compact prior to the effective date of the
3 compact or the compact commission coming into existence shall be
4 considered to be actions of the compact commission unless
5 specifically repudiated by the compact commission.

6 (4) Any state that joins the compact subsequent to the
7 compact commission's initial adoption of the rules and bylaws
8 shall be subject to the rules and bylaws as they exist on the
9 date on which the compact becomes law in that state. Any rule
10 that has been previously adopted by the compact commission shall
11 have the full force and effect of law on the day the compact
12 becomes law in that state.

13 b. Any member state may withdraw from this compact by
14 enacting a statute repealing the same.

15 (1) A member state's withdrawal shall not take effect until
16 one hundred eighty days after enactment of the repealing statute.

17 (2) Withdrawal shall not affect the continuing requirement of
18 the withdrawing state's licensing authority to comply with the
19 investigative and adverse action reporting requirements of this
20 compact prior to the effective date of withdrawal.

21 (3) Upon the enactment of a statute withdrawing from this
22 compact, a state shall immediately provide notice of such
23 withdrawal to all licensees and privilege holders within that
24 state. Notwithstanding any subsequent statutory enactment to the
25 contrary, such withdrawing state shall continue to recognize all
26 compact privileges granted pursuant to this compact for a minimum
27 of one hundred eighty days after the date of such notice of
28 withdrawal.

29 (4) Nothing contained in this compact shall be construed to
30 invalidate or prevent any licensure agreement or other
31 cooperative arrangement between a member state and a nonmember
32 state that does not conflict with the provisions of this compact.

33 (5) This compact may be amended by the member states. No
34 amendment to this compact shall become effective and binding upon
35 any member state until it is enacted into the laws of all member

1 states.

2 13. *Construction and severability.*

3 a. This compact and the compact commission's rulemaking
4 authority shall be liberally construed so as to effectuate the
5 purposes, and the implementation and administration of the
6 compact. Provisions of the compact expressly authorizing or
7 requiring the promulgation of rules shall not be construed to
8 limit the compact commission's rulemaking authority solely for
9 those purposes.

10 b. The provisions of this compact shall be severable and if
11 any phrase, clause, sentence or provision of this compact is held
12 by a court of competent jurisdiction to be contrary to the
13 constitution of any member state, a state seeking participation
14 in the compact, or of the United States, or the applicability
15 thereof to any government, agency, person or circumstance is held
16 to be unconstitutional by a court of competent jurisdiction, the
17 validity of the remainder of this compact and the applicability
18 thereof to any other government, agency, person or circumstance
19 shall not be affected thereby.

20 c. Notwithstanding the foregoing, the compact commission may
21 deny a state's participation in the compact or terminate a member
22 state's participation in the compact if it determines that a
23 constitutional requirement of a member state is a material
24 departure from the compact. Otherwise, if this compact shall be
25 held to be contrary to the constitution of any member state, the
26 compact shall remain in full force and effect as to the remaining
27 member states and in full force and effect as to the member state
28 affected as to all severable matters.

29 14. *Consistent effect and conflict with other state laws.*

30 a. Nothing herein shall prevent or inhibit the enforcement of
31 any other law of a member state that is not inconsistent with the
32 compact.

33 b. Any laws, statutes, regulations, or other legal
34 requirements in a member state in conflict with the compact are
35 superseded to the extent of the conflict.

1 c. All permissible agreements between the compact commission
2 and the member states are binding in accordance with their terms.

3 EXPLANATION

4 The inclusion of this explanation does not constitute agreement with
5 the explanation's substance by the members of the general assembly.

6 This bill establishes the athletic trainer compact.

7 The compact establishes a system whereby an athletic trainer
8 licensed to practice in one participating state may practice in
9 another participating state under a compact privilege without
10 applying for a license in that state. The compact imposes
11 certain minimum requirements on the licensure of athletic
12 trainers in participating states.

13 The compact creates a commission to administer the operation
14 of the compact. The commission is an instrumentality of the
15 participating states. The compact includes provisions relating
16 to the establishment and membership of the commission; powers
17 of the commission; meetings and voting requirements of the
18 commission; commission bylaws and rules; commission committees;
19 commission finances; the establishment of a data system;
20 compacting state compliance; venue for judicial proceedings;
21 defense and indemnification; effective dates and amendments to
22 the compact; withdrawal, default, and expulsion; severability and
23 construction; and the binding effect of the compact and other
24 laws.

25 The compact becomes effective upon the adoption of the compact
26 by the seventh participating state.
