**A BILL FOR**

1 An Act establishing requirements relating to the residency of  
2 persons accepted for admission to the state university of  
3 Iowa's colleges of medicine and dentistry and requiring an  
4 annual report.

5 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. Section 262.9, Code 2021, is amended by adding  
2 the following new subsection:

3 NEW SUBSECTION. 39. Adopt a policy requiring that not less  
4 than seventy-five percent of the students who are accepted  
5 at the college of medicine in the doctor of medicine program  
6 and who are accepted at the college of dentistry at the state  
7 university of Iowa be residents of Iowa or persons who were,  
8 prior to applying to such college, enrolled in an eligible  
9 postsecondary institution as defined in section 261E.2.

10 Sec. 2. Section 263.2, Code 2021, is amended to read as  
11 follows:

12 **263.2 Degrees — reports.**

13 1. A person shall not be admitted to courses of instruction  
14 in the university if the person has not completed the  
15 elementary instruction in such branches as are taught in the  
16 public or accredited nonpublic schools throughout the state.

17 2. Graduates of the university shall receive degrees or  
18 diplomas, or other evidences of distinction such as are usually  
19 conferred and granted by universities and are authorized by the  
20 state board of regents.

21 3. The state university of Iowa, in collaboration with the  
22 university hospitals and clinics, shall submit an annual report  
23 to the general assembly providing the following information:

24 a. The states in which members of each graduating class  
25 from the college of dentistry and the college of medicine's  
26 doctor of medicine program reside during the year immediately  
27 following graduation. The information shall be divided by  
28 residents of Iowa at the time of application to the college and  
29 nonresidents at the time of application to the college.

30 b. The states in which the university of Iowa hospitals  
31 and clinics primary care and specialty residents reside in the  
32 year following completion of medical residency and whether  
33 following residency such residents accepted fellowships. The  
34 information shall be divided by primary care and various areas  
35 of specialty, and whether the medical residents were residents

1 of Iowa prior to applying for admission at an undergraduate  
2 college or university, received a baccalaureate degree from  
3 a postsecondary institution in Iowa, or graduated from a  
4 medical school in Iowa, whether or not the medical residents  
5 were residents of the state at the time of acceptance into the  
6 university of Iowa hospitals and clinics' residency programs  
7 and, if any residents accepted fellowships following residency,  
8 the states in which the fellowships are offered and the areas  
9 of specialty under the fellowships.
