BY COMMITTEE ON EDUCATION

(SUCCESSOR TO SF 2181)

(COMPANION TO HF 2003 BY WILLS)

(As Amended and Passed by the Senate March 10, 2026)

A BILL FOR

1 An Act requiring the department of education to develop and
2 administer a pilot program that requires certain specified
3 school districts to establish attendance centers for students
4 requiring special education and students with behavioral
5 issues.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. **256.20 Schools for students**
2 **requiring special education or students with behavioral issues —**
3 **pilot project.**

4 1. The department shall develop and administer a pilot
5 program that requires a rural school district and an urban
6 school district to each establish an attendance center to be
7 used to provide educational services, including special education
8 services, to eligible students who are enrolled in the rural
9 school district or urban school district, as applicable.

10 2. The department shall determine the rural school district
11 and urban school district that will be required to participate
12 in the pilot program. A rural school district or an urban
13 school district shall not be required to participate in the pilot
14 program unless any one of the following applies:

15 a. The rural school district or urban school district agrees
16 to participate in the pilot program and provides notice to the
17 department indicating that the rural school district or urban
18 school district has the ability to fully fund the rural school
19 district's or urban school district's participation in the pilot
20 program.

21 b. The department fully funds the rural school district's or
22 urban school district's participation in the pilot program using
23 moneys appropriated by the general assembly for purposes of this
24 section.

25 3. The department, in consultation with the rural school
26 district and urban school district, shall determine all of the
27 following:

28 a. The courses of study and curricula that the rural school
29 district and urban school district will provide to eligible
30 students as part of the pilot program.

31 b. The instructional facilities that the rural school
32 district and urban school district will use to provide
33 educational services to eligible students as part of the pilot
34 program.

35 4. a. Annually, on or before June 1 of each year, the rural

1 school district and urban school district shall submit to the
2 department an annual report that contains all of the following:

3 (1) The number of eligible students who participated in the
4 pilot program during the current school year.

5 (2) Information related to the academic performance of
6 eligible students who participated in the pilot program during
7 the current school year.

8 (3) Feedback from eligible students who participated in the
9 pilot program during the current school year related to the
10 effectiveness of the pilot program.

11 (4) Feedback from the parents or guardians of eligible
12 students who participated in the pilot program during the current
13 school year related to the effectiveness of the pilot program.

14 (5) Feedback from teachers who provided educational services
15 to eligible students who participated in the pilot program during
16 the current school year related to the effectiveness of the pilot
17 program.

18 (6) Challenges associated with operating the pilot program.

19 (7) Recommendations related to how to improve the pilot
20 program.

21 (8) Any other information requested by the department that
22 will allow the department to monitor and assess the pilot
23 program.

24 b. Annually, on or before June 30 of each year, the
25 department shall compile the annual reports submitted to the
26 department pursuant to paragraph "a" and shall submit the
27 compilation to the general assembly.

28 5. As used in this section:

29 a. "Eligible student" means any of the following:

30 (1) Children requiring special education, as defined in
31 section 256B.2.

32 (2) A student whose emotional, social, or behavioral needs
33 interfere with the student's ability to be successful in
34 the regular educational environment, even with the use of
35 supplementary aids and services.

1 *b. "Rural school district"* means a school district as
2 described in chapter 274 that is located in a county with a
3 population of greater than seventeen thousand five hundred but
4 less than eighteen thousand, and that contains a city with a
5 population of greater than five thousand four hundred, but less
6 than five thousand five hundred, all according to the 2020
7 federal decennial census.

8 *c. "Urban school district"* means a school district as
9 described in chapter 274 with a total enrollment of at least
10 seven thousand students.

11 6. This section is repealed July 1, 2031.
